## **Post of Teacher of History**

Thank you for your interest in this post at Beacon Academy which offers an exceptional opportunity to teach in a large highly successful, happy, well-resourced, exceptional non-selective 11-18 school.

At Beacon Academy, our teachers are subject experts who persistently advance their knowledge. They debate its content and pedagogy to ensure that our students are taught the very best, and in doing so, they aim for our students to love their subject. Increasingly and intentionally, our teachers make links with other subjects to draw on students' prior knowledge and enable them to understand new content.

We wish to appoint a dedicated, hardworking, highly skilled and knowledgeable Teacher of History. The successful candidate will be as we have described above and have high expectations, excellent subject knowledge as well as genuine ambition. They will consistently plan and deliver lessons that inspire, engage and challenge each of their students enabling them, including the most disadvantaged and those with SEND to be enthusiastic about their learning, develop a deep knowledge about the most significant ideas and make excellent progress.

### **Context**

We are a split site, semi-rural, mixed 11-18 non-selective converter academy with approximately 1467 students, including over 240 students in our Sixth Form. We are situated centrally in Crowborough on the outskirts of the Ashdown Forest, an area of outstanding natural beauty. We are close to Tunbridge Wells and the South Coast. The vast majority of our staff travel to Beacon from a variety of destinations within the South East, including Brighton, Eastbourne, Lewes and Tunbridge Wells.

Our catchment area generates our truly non-selective intake, both in terms of ability and socio-economic background. We are an oversubscribed school. We draw students from more than 10 primary schools in Crowborough and the surrounding areas. We also attract applications from an increasing number of students outside of our catchment area, however, due to our oversubscription we are generally only able to offer places to those within our pre-defined community area.

Our sixth form provision is accommodated entirely at our Green Lane site, an 800m five minute walk from our main Beeches site which accommodates years 7-11. We are immensely proud that we retain a high proportion of our Sixth Form students from Beacon Academy as well as recruiting students from other local and international schools.

### **Vision, culture, expectations and outcomes**

Our vision is to provide the best possible education for all of our students and to be ambitious for excellence in all we do. Whether a member of staff, trustee (governor) or student, we all work relentlessly to inspire and believe in one another to achieve our ambitions and succeed in life.

At Beacon Academy there is an expectation that as staff and students, we will work hard, be ambitious, self-motivated, inquisitive, resilient and determined to succeed. Our students work incredibly hard, are polite, respectful, well behaved, well presented and ready to learn. They are expected to be caring, considerate and tolerant in lessons, social time and whilst travelling to and from school. These areas are reinforced and adopted positively by staff and students alike – there is a tangible sense of pride in being part of Beacon. Our students are meticulously supported by our experienced, loyal, highly skilled and highly effective team of staff. This includes a dedicated, non-teaching Student Support Team consisting of a Head of Year (teaching staff) and an Assistant Head of Year (non-teaching staff) for each year group who support them throughout their time at Beacon Academy.

The rigorous focus on all of our students as unique individuals is paramount. There is an unprecedented determination and commitment from everyone who works at Beacon that they will succeed. We work diligently on our unapologetically high expectations and standards, allowing us to foster exceptional relationships in an environment that is consistently calm, safe, happy and orderly. I have no doubt that the combination of this with our broad, balanced curriculum and outstanding teaching contributes significantly to our sustained improvements across the board. Our latest A-Level and GCSE results are testament to this and to the teamwork of our phenomenal students and staff.

In 2019 we were immensely proud and delighted to be celebrating the best ever A-Level and GCSE results in our sixty year history, and we found ourselves once again significantly above county and national averages. These results placed Beacon Academy as the top performing school in East Sussex and one of the top performing schools nationally.

## **Exam Success**

As confirmed by the Department for Education's national league tables, in 2019 Beacon Academy was the number one school in East Sussex for the third year running under the headline Progress 8 measure, in first place in Sussex overall and in the top 1.8% of all schools nationwide.

Progress 8 is the Government's main performance measure, and reflects the value that schools add to the progress of their students in respect of their final GCSE grades, compared to that of their peers of similar prior ability across the country.

In 2019 our Progress 8 score was 0.97. As a non-selective, non-denominational, non-fee-paying school, we are immensely proud and delighted to have received this confirmation, once again, of our high-ranking position. We are in an esteemed group of 6% of schools nationally who are now categorised as 'well above average' for two years in a row. There are approximately 25 schools nationally who have been above us for each of the last three years (0.7% of all schools). As ever, this is a reflection of our vision and our determination to consistently provide the best possible education for all of our students, and to become an exceptional school for our community, both locally and nationally.

We are incredibly proud of our Sixth Form students. Amidst significant national changes to the structure and content of A Levels, they have achieved some excellent results and 94% of those who applied to university were accepted at their first choice institution.

Our results for 2019 show an increase in all A Level and GCSE attainment measures. Please note that due to the pandemic, we are not able to publish our 2020 results, however we would have continued and sustained our upward trajectory for both our GCSE and A Level outcomes.

## **National Teaching School and National Support School**

Beacon Academy is a National Teaching School and a National Support School and we take a leading role in recruiting and training new entrants to the profession. I am also a National Leader of Education and we have seven Specialist Leaders of Education across a variety of areas on our staff body. We are proud to be an integral part of the East Sussex Teaching School Network. We work collaboratively with our Local Authority colleagues via my chairing of Area Group 1 and also being a representative on the East Sussex School Board.

At Beacon Academy, the quality of teaching, learning and assessment is highly effective, enabling all students to make excellent progress. Our performance management systems, and associated continuing professional development, are tailored to support excellence in teaching. We invest in our teachers through our highly acclaimed NQT programme, recognised as outstanding. We currently support teachers in their second and third year with our Recently Qualified Teacher programme, which we are developing as part of the Early Career Framework. In 2019, Beacon Partnership was selected by the Chartered College, the professional body for teaching, to deliver the prestigious Chartered Teacher (CTeach) Programme in East and West Sussex, Kent and Brighton and Hove. This is designed to further the expertise of experienced practitioners. We also provide opportunities for our staff to undertake NPQs to develop their leadership.

Beacon Academy is on an exciting journey towards becoming an exceptional school. We are judged to be a good school with outstanding leadership. Ofsted and our results confirm this. Trustees, staff, parents and students know this. We have a rigorous, relentless and uncompromising focus on ensuring that all students leave Beacon with the best set of qualifications possible, equipping them for our rapidly changing, highly competitive but exciting world.

## STAFF TESTIMONIALS

I initially joined Beacon Academy as a PE and Spanish teacher in September 2004. I was given the opportunity to develop my skills and understanding on how to become an outstanding teacher from my first year. Before commencing my teaching career I worked as a Personal Trainer in London and have not looked back since.

Over the years Beacon have given me many opportunities to develop my professional development having led on many areas such as Head of Year; Head of Key Stage; Head of Department (in two different subjects), Associate Assistant Head of Academy, Senior Assistant Headteacher focusing on Progress and Achievement and in my current role as Senior Deputy Headteacher.

Beacon Academy is an amazing place to work because of the friendly and helpful staff, there is a strong culture of collaboration and support that allows everyone to develop their practice. The strong focus upon CPD provides everyone the opportunity to learn the latest cutting edge developments in education and this is a major benefit for anyone wishing to further develop their practice. Our facilities and new technology allow us to provide engaging lessons to provide our learners with the perfect learning environment.

I would recommend Beacon Academy to anyone wanting to teach in a school that favours aspirational ethics and outstanding practice, because there are so many opportunities for ambitious staff who are keen to collaborate, develop and share best practice in order to progress in their career.

**Senior Deputy Headteacher**

I have thoroughly enjoyed coming to work at Beacon Academy. The commitment and dedication from the staff to ensure students are achieving, and going above in and out of lessons is amazing to see. As an NQT I received so much support from other members of staff and feel like I can ask anyone for help. The commitment and extra time given to the students is what makes Beacon such a good school to work in.

**Teacher of Mathematics**

**At Beacon Academy, whether a student, a member of staff, a parent, carer or a trustee, we will all:**

**Inspire one another  
Believe in one another  
Achieve our ambitions  
Succeed in life**

## The History Department

The ethos at Beacon's History Department is to create a rigorous, academic approach which motivates and inspires students. The History team currently consists of 5 specialist full-time teachers and 2 part-time teachers. It has a suite of well-equipped classrooms complete with data projectors and desktop PCs.

The Humanities Faculty works collaboratively, learning from one another and sharing our successes. We have a collective educational pedagogy that has seen the faculty make great strides in embedding a knowledge rich curriculum to ensure that all student groups maximise their progress in our subjects and we are excited to welcome a new member to further develop our successful team.

All pupils study KS3 History in years 7-9 and then go on to take either GCSE History or Geography. Examination results reflect the strength of the department with students typically securing 70%+ 9-5. Uptake of History at A Level is growing, and results are very healthy here too, with students achieving 100% A-C. We have a strong focus on academic success and have achieved outcomes both above the National and Beacon averages.

The timetable currently provides four hour-long lessons of History per fortnight in years 7-9. At KS3 the curriculum follows a broadly British chronological focus from the Romans in year 7 to World Wars in Year 9. The KS3 topics follow themes of the role of religion and parliament in people's lives as well as the growth and decline of Empire. The curriculum is knowledge-rich so that students leave at the end of year 9 with a detailed understanding of British history and world history in the 20th Century.

At KS4, students are on the Edexcel specification. The 4 topics studied are: Anglo-Saxon and Norman Britain; Medicine Through Time; Weimar and Nazi Germany and Cold War. At A Level, we are following Edexcel Route F which includes: In search of the American Dream: the USA, c1917-96; India, c1914-48: the road to independence and Britain: losing and gaining an empire, 1763-1914.

The history team are active collaborators in preparing resources and approaches to teaching. For example, they work together to plan for and deliver both schemes of work and homework tasks. This ensures there is consistency amongst the department. As a department, our focus is on expert teacher knowledge. This means staff are encouraged to share wider reading with each other and departmental meetings focus on sharing knowledge, both pedagogical and subject specific.
