Summer 2022

Dear Colleague,

Teacher of History

Thank you for your interest in this important post. We are looking for a teacher who can contribute to teaching History.

Our History department goes from strength to strength. The department is very well-resourced. Students respond well to expert teaching and are enthusiastic about the subject. There are two dedicated History classrooms, equipped with interactive whiteboards, extensive display opportunities and plenty of storage space. The History department achieved very good results in 2019 (the most recent year students took the full GCSE), which contributed to a very good set of results achieved by the school:

Subject	Entry	4+	5+	7+
History	61	62.3%	45.9%	19.75

Students enjoy the strong teaching in the History department and also relish the range of extra-curricular opportunities on offer. We would want you to be a motivational teacher of History and to work with the team on improving our results further still. We would also like you to be ambitious and confident in leading our students on experiences outside the classroom. If you do not yet have experience of leading extra-curricular activities we will be very pleased to support the development of your knowledge and skills in this area.

Cressex Community School is a popular and successful secondary school with approximately 750 students on roll on the western flanks of High Wycombe.

We take great pride in the quality of education we offer, and in our strong team-working among students and staff. We have a wonderfully diverse student body. At the time of the last school census almost 30 different first languages were recorded. We have a number of very able students who perform excellently in public examinations. In 2019, our students achieved the best results in the school's history, with a high proportion of exams passed at

High Achievement for All is our Shared Responsibility

the top grades. As an all ability school, we are equally proud of the success of our lower attaining students. All students achieved at least one GCSE pass; 99% gain five or more passes.

In 2010 we moved into an outstanding new building. Classrooms are large, bright and equipped with the latest technology, including Promethean interactive whiteboards. Our sporting and other facilities are all of the highest quality.

Our most recent Ofsted inspection was in January 2019. We are a “good” school with a number of outstanding features. Our mission is to provide an outstanding education for the young people here.

The staff at Cressex are highly skilled and committed to achieving this goal. We place great emphasis on staff development and embrace exciting and innovative approaches. We have a very highly regarded induction and ongoing training programme for new teachers, including those trained overseas, and we run leadership development sessions for Cressex staff in partnership with Johnson and Johnson, the leading multi-national pharmaceutical company.

We are very pleased to offer visits to potential job applicants. Please contact me if you would like an informal conversation and/or a tour of the school.

We believe that we offer a very competitive salary for the role and offer other benefits including a lower than average teaching commitment and fitness facilities on site.

Please apply by completing a Buckinghamshire application form. You should also write a personal statement indicating **how your experience to date has prepared you for the post**, and **how you think you could contribute to the school** (no more than two sides of A4 please). You can access the application via this link: <http://www.cressex.org/182/join-our-team>

We very much hope you will feel inspired to come and be part of the Cressex team!

Yours sincerely,

David Hood
Headteacher

Humanities Department Information

We are looking for an enthusiastic and dedicated Teacher of History to join our Humanities team from September 2022, someone who is willing to go the extra mile to inspire our learners and put History even more firmly on the map! As results have risen there has been a surge of interest from students, making the various Humanities subjects amongst the most popular option subjects in the school.

The department is very well resourced to support learning at Key Stage 3 (Y7 and Y8) and GCSE (Y9-Y11). We have recently moved to a three year GCSE programme, giving students additional time to master the content of the courses ahead of the exam. At Key Stage 3 we ensure our curriculum exposes students to a variety of experiences, as well as the knowledge and skills that are needed for them to choose their GCSE courses with confidence.

Classes have access to a number of ICT rooms and the school library, which may be booked for class use, at the end of the Humanities corridor. In addition to this, our extensive grounds contain a pond, wooded areas, an “eco-dome” and gardens, all of which can be used by staff to teach students about their environment. There is also a technician who supports the department with photocopying and administrative duties.

The school leadership recognises the importance of co-curricular learning opportunities and is supportive of day visits and more extended journeys both at home and further afield. In recent years Cressex Humanities students have undertaken a range of field visits, in the UK and abroad.

Johnson & Johnson Deliver Leadership Programme to Teachers at Cressex Community School

A new initiative to develop future leaders in school has emerged between Cressex Community School and Janssen, the High Wycombe-based, pharmaceutical business of the Johnson & Johnson family of companies. Assistant Headteacher at Cressex, Shazeen Saddique, spoke about the inspiration behind the training programmes. She said: **“The leadership skills needed for success in education and business are very similar. I was looking for training opportunities for our staff which would be different from standard courses and exciting for the individuals taking part. I am delighted to say that we got these through Janssen. We are so grateful to our colleagues at Janssen for making this happen.”**

Two programmes have been set up. The ‘Aspiring Middle Leaders’ programme is aimed at ambitious teachers near the start of their careers, who are interested in taking on departmental leadership. Learning alongside peers from Janssen, the programme exposes them to leadership theories and “hands on” activities. ‘Stepping It Up’, a programme for established heads of department, focuses on developing self-awareness and expertise in leadership.

The long-standing partnership between the two organisations, which benefits staff and students alike, has been enhanced by the creation of these programmes. Simon White, Head of Learning and Development, Janssen UK and Ireland explained: **“Leadership development is such a vital component of the success of any organisation, and it’s been a pleasure to host some of Cressex’s aspiring leaders in our Janssen leadership programmes here at High Wycombe. This is the first time we have shared this type of support in partnership with a local school. Cressex Community School is such an important part of the local community and we’re delighted to have the opportunity to work with them.”**

David Hood, Cressex Headteacher added: **“We are once again thrilled to be cooperating with our colleagues at Janssen on a project that is so beneficial to our school and its community.”**
