Improving Outcomes Transforming Lives

WELCOME FROM THE CEO

Thank you for showing an interest in our pupils, our schools and our Trust. This is an exciting time to join Education for the 21st Century. We are a very different organisation in 2023 than we were four years ago. We have understood the need to transform and have developed greater capacity in our leaders at every level. We have developed a shared understanding of what great teaching looks like, developed our curriculum model, developed clear behaviour principles, and landed upon an exciting model of instructional coaching to drive forward teacher efficacy.

Our strategy over the next two years reflects our growing capacity but it also reflects the need to improve quickly. In Year 1 we established the 'backbone' of the organisation and to align, where doing so impacts pupils progress, or allows us to influence progress through growing greater capacity in our schools and realising efficiencies. In Year 2, now, we hope to see all schools moving closer to national progress or beyond, as they realise the benefits of collaborative working based upon a common school workflow. In Year 3, as this rapid progress continues, we begin to add capacity for growth so we can support our mission of transforming lives and our aim of becoming one of the highest performing multi academy trusts in London and the South East.

Of course, our strategy is responsive to the needs of those closest to us. The wellbeing of the young people in our care has been significantly impacted by the recent pandemic. Our support will be strategic and comprehensive. Furthermore, the pandemic has had a dramatic impact upon the career prospects of our pupils. Our strategy over the coming years seeks to ensure that our pupils are well placed to move successfully into the next stage of their education or working life, with the right knowledge and skills to make a valuable contribution to society.

The development, wellbeing, and support of staff within the Trust will play a crucial part in our strategy. We adapted quickly to new ways of working and continue to refine and develop our HR processes. One key lever for change over the next three years, will be instructional coaching. The ongoing development of all staff, and in particular, our teachers, is critical if we are to deliver the high-quality teaching that we need to, in order to 'improve outcomes and transform lives'.

Finally, I am extremely grateful for your interest in our Trust. We are moving forward at a rapid rate and it's an exciting time to join us.

THE FOUR CRITICAL QUESTIONS

WHY DO WE EXIST?

Our Mission at E21C is 'improving outcomes, transforming lives'. We believe in the collective power of schools working together as civic minded leaders to find shared ways of working that improve the lives of our pupils.

HOW DO WE BEHAVE?

Our core values of trust, kindness and endeavour define how we behave. These are the values that we hold most dear, and our schools align their own values to those of the Trust.

WHAT DO WE DO?

We create welcoming and open schools in the local community where every person thrives, makes excellent progress and succeeds.

HOW DO WE SUCCEED?

With aligned autonomy, a clear backbone, a strong culture, academic rigour and smart systems.

THE E21C BACKBONE

MISSION & VALUES

Schools use our 4 Critical Questions, outlined on the previous page, to help determine a clear and concise mission that is aligned to the mission of the Trust. Schools can choose to define their own values or use those of the Trust. If schools choose their own they should be aligned.

CURRICULUM

Schools are expected to adhere to the curriculum principles and framework. The purpose of this framework is to share best practice and ensure that wherever possible collaboration across the Trust is made possible through alignment. This outweighs the benefit of any one school following its own path and becoming an island. Where schools are identified as being in the stabilise or repair phase then they will be expected to follow the E21C curriculum framework in its entirety.

ASSESSMENT & FEEDBACK

The assessment and feedback calendar captures the rhythm of our Assessment and data collection within the Trust. These differ across the various phases but are aligned to improve collaboration and to reduce workload.

SAFEGUARDING & ATTENDANCE

Safeguarding is the responsibility of all. Our policies and procedures are designed to create consistency and improve collaboration. External audits review practice across the Trust on an annual basis.

QUALITY ASSURANCE

Our School Workflow captures the rhythm of quality assurance across the Trust. We undertake regular cycles of structured monitoring to measure the effectiveness of our approach and to reset where we need to.

CPD

We are developing our capacity to ensure that by 2022 we can fulfil our commitment to provide high quality instructional coaching to all teaching staff across the Trust. All our schools are committed to coaching. In addition, we provide core E21C training, leadership development and trust wide CPD.

WORKLOAD

Schools are expected to streamline workload as much as possible. There are a maximum of three data drops and all processes and procedures should be looked at through a lens of simplicity and clarity.

TEACHING

Teaching is responsive to the needs of pupils and based upon our shared understanding of efficacy. This is captured in our teaching rubric that gives clarity about what we determine to be effective practice. These beliefs are based upon evidence. They are further exemplified within the Teaching and Learning policy where the 'what to dos' give guidance on what we believe to be effective practice.

BEHAVIOUR & ROUTINES

It is essential that we have the highest of expectations within our schools. Pupils deserve to learn within, and teachers deserve to teach within well-ordered and disciplined environments. E21C schools have high aspirations of behaviour. We believe that culture should be frequently measured and reset where it needs to be. Schools use our E21C Behaviour principles to help shape their individual policies. Where schools are identified as needing to be stabilised or repaired (see School improvement strategy) then we may ask schools to follow a template Trust policy and procedure and support in its implementation.

SEND

Our schools commit to inclusive practice and developing the best provision possible for the pupils that need it the most. We share best practice and undertake annual reviews of SEND to develop a common understanding of the best approaches to use.

PERFORMANCE MANAGEMENT & APPRAISAL

The Trust shares a common approach to performance management and appraisal. Performance management is conducted within a highly professional and supportive environment.

OPERATIONS

The other elements of our backbone include Governance, Finance, IT, estates and communication and marketing.

OUR SCHOOLS

There are currently four secondary schools and four primary schools within the Trust. Four of the primary schools and three of the secondary schools are located within Bromley, South East London. A further secondary is close to Canterbury in Kent. These schools include:

WELCOME FROM THE HEAD

Eden Park High School is an oversubscribed school in Beckenham. We were rated Good by Ofsted in 2021. Students were welcomed into our new, purpose-built premises in 2019 and we welcomed our first ever sixth form cohort in September 2022. I started as the Headteacher in the summer of 2022 alongside a new leadership team.

New schools are exciting places to work. Not only do they provide excellent facilities, but they also offer an opportunity to play an important role in creating something great. At Eden Park we are committed to *improving outcomes* and *transforming lives* and know that we can and will do this to an increasing extent in the coming years.

I continue to be impressed by the warmth, positivity, and professionalism of our staff. Our shared desire is to see our efforts translate into meaningful educational experiences that build confidence and purpose in all our students. Staff, students, parents and carers all recognise the recent progress we've made in achieving that aim and I endeavour to ensure we continue to do so.

As a staff team at Eden Park, we seek to nurture strong relationships with students and prioritise student wellbeing and personal development through an extensive enrichment programme. The environment here is about fostering students' thirst for knowledge and helping them develop into inquisitive young adults. There is an impressive array of specialist facilities, which supports a commitment to a broad curriculum. Eden Park offers a very broad range of courses at both key stage 4 and 5, and encourages students to find their spark, nurture their interests and aspire to become experts in their field.

Similarly, I expect for staff to make excellent progress and succeed whilst working with here. I prioritise professional growth and invest in opportunities for staff to enhance their knowledge and skills, as well as helping others to do so.

Working in schools can sometimes be tough but it's also hugely rewarding. With the support of kind, professional and respectful colleagues, Eden Park High School offers you the chance to join at an exciting phase in its young life. If you have the energy and drive to be part of something transformational, we'd love to hear from you.
