Welcome from Danny Bryant, Principal

It is a great honour to welcome you to Goffs-Churchgate Academy.

This is a community I care deeply about, and it is a privilege to lead a school that is so integral to shaping its future, and to fulfilling our shared vision of 'no set destiny for any child'.

Goffs-Churchgate is a smaller than average secondary school, and that is one of our greatest strengths. It allows us to create a learning environment where every student is known, valued, and supported. Strong relationships are at the heart of the school, and this is reflected in the pride our staff and students have in their school and the positive culture you feel as soon as you walk through our doors.

We believe in high expectations - of ourselves, of our students, and of one another. That begins with academic success, and we are proud of our outcomes in both GCSE and vocational qualifications. But we also understand that a truly great education is about more than exam results. We want our students to leave Goffs-Churchgate with the qualifications, confidence, and values to make a positive contribution to the world around them. Our values - Respect, Aspire, Nurture, and Achieve - guide everything we do. We work hard to ensure they are not just words on a wall but represent the habits that shape our daily routines, interactions, and expectations.

Culture is at the heart of every successful school. As a staff, we are focused on building a purposeful culture where everyone at Goffs-Churchgate feels supported, systems are clear, and there is consistency in how we work together to deliver the very best as a school.

Our current Ofsted grading (GOOD – May 2022) provides us with a strong platform from which to work and look at how we further improve at Goffs-Churchgate Academy. We will continue to be motivated by the impact the school is having, both in the lives of our students and across the wider community.

You are warmly invited to visit us and experience first-hand the ambition, warmth, and values-driven approach that make Goffs-Churchgate Academy such a special place to work and learn. We look forward to welcoming you.

Information about Goffs-Churchgate Academy

Information about Goffs-Churchgate Academy and the Generations Multi Academy Trust

Goffs-Churchgate Academy was the first school to join the Generations Multi Academy Trust. The school is now in its eighth year of operation and continues to go from strength to strength.

The school is a fully mixed comprehensive school from 11-16 years of age, with 600 on roll. The school has rapidly established a very strong reputation in the area, and is now consistently oversubscribed. In addition, the school recently received its OFSTED report from May 2022, which graded the school as "good" with outstanding features.

One of the school's key strengths is its highly cohesive and supportive community. As such, the decision to cap student numbers at 600 is entirely deliberate, enabling us to maintain a strong sense of community where everybody knows everybody else - if you visit, you cannot fail to be struck by this. It is a very special part of who we are.

Professional Working and Learning Environment

The school has benefited from brand new facilities, opened in October 2016, including professional teaching and learning facilities for all subjects. The school also benefits from a recently installed 3G playing surface for PE; a gym with a professional sprung floor; a Dance Studio; recent refurbishment of additional classrooms and an indoor swimming pool. The new facilities provide a light, modern, professional, and fit for purpose working environment for all. The Trust has also invested significantly in modernising additional teaching spaces, providing a fantastic environment for our students and staff.

Outcomes

Our strategy for continuous school improvement has had huge success and we are actively committed to ensuring that our very popular and successful schools continue as centres of excellence in the community.

Exam results in 2025 reflect another highly successful year for Goffs-Churchgate. The school consistently achieve a Progress 8 score significantly above the national average (0.37 in 2024), and although there is no progress scores calculated for 2025, the attainment outcomes were in line with last year. These results reflect the school's continued commitment to its vision of *'no set destiny for any child'*, with students producing results that exceed the national average and are notably above what is expected based on the cohort's ability profile.

Key highlights from the 2025 outcomes:

- **The average points scores achieved in English and Maths are comparable to last year, which achieved extremely strong progress scores in 2024 (English 0.58/Maths 0.28)**
- **The percentage of students entering the full EBacc was 67%, which is significantly above the national average of 39%**
- **74% of the cohort achieved grade 4 or above in English, and 62% of the cohort achieved a grade 4 or above in Maths, which continues to exceed the national average**
- **Particularly impressive outcomes continue to be delivered at the top end with the percentage of students achieving grade 7 or above, far exceeding expectation**

Community

Goffs-Churchgate prides itself on its sense of community – both within the school and in the wider locality. We are members of Cheshunt Extended Services (ChExS), offering a variety of extended school and community-based activities for both students and parents. Our students actively support local charity work and maintain strong links with our local primary schools.

We firmly believe in every student feeling a strong sense of community, and on entering the school, each student is placed in one of four Houses:

Attenborough, Rashford, Seacole, and Trott. Each House is led by a team of student House Captains and has a clear sense of identity. Regular competitions and assemblies strengthen this sense of community.

Students within each House arrange a variety of fundraising events throughout the school year. The House raising the most money in the year for our school charity is awarded the annual Charity House Shield. Our new House names were introduced in September 2021. This was part of a wider school project on diversity to ensure that our school community reflects the diverse culture that it serves. An example of this project is the impact that it has had in English. As a result of the diversity project, there has been a complete overhaul of the Key Stage 3 curriculum, with students now studying books representing a very diverse range of authors.

Our students have a wide range of student leadership opportunities open to them as part of actively encouraging leadership development. These student-led groups include:

- **Student Congress made up of Committees from Students in Years 7-10**
- **2 Year 11 Head Students**
- **2 Year 11 Deputy Head Students**

Across the Multi Academy Trust, a large variety of annual school trips give students the opportunities to sample different cultures, while an extensive programme of off-site visits provides opportunities for students to experience the diversity that exists within the UK, including theatre, galleries, and museum visits.

Goffs-Churchgate is proud to be a genuinely comprehensive school, with students and staff from different religions and several languages spoken in the school. We recognise and celebrate what makes us unique and different and acknowledge that we are also part of one community. Our aim is for everybody to feel valued and respected, and we strive hard to ensure we create a positive culture within the school to enable this to happen.

Care, Guidance and Support

Successful learning occurs when students feel safe, confident, respected, valued, and are engaged. Goffs-Churchgate believes in supporting and nurturing all students in their quest to become successful learners.

As such, we place a high value on pastoral care as an integral part of the school's life. We have an extensive pastoral care system to support the welfare and progress of all our young people.

Generations Multi
Academy Trust

Information about the Generations Multi Academy Trust (GMAT)

GMAT is a cross-phase Multi Academy Trust based in Cheshunt, currently comprising two secondaries and two primaries - Goffs Academy, Goffs-Churchgate Academy, Flamstead End School and Oakview Primary School. Across the piece, GMAT currently has just under 3,000 students in its care and employs just under 400 staff.

The MAT also operates nursery provision on the Goffs-Churchgate site, with subsidised and term-time only places for staff, run by Ashbourne Nurseries
<https://ashbournedaynurseries.com/>.

All of the schools are situated within close proximity of each other in Cheshunt, and share many activities, including CPD for staff. One of the Trust's fundamental principles is that no one school or phase is in any way more important or successful than the other. As such, CPD and other events are rotated through all schools in the Trust, with everyone learning from and sharing with each other. This collegiate and collaborative approach permeates our Trust.

The MAT's finances are overseen by a highly skilled Chief Finance Officer with considerable financial expertise in the private sector, plus a highly experienced Finance Manager.

The Trust deliberately created an innovative Income Generation function, and extensive lettings and business development work now takes place across all sites in the MAT.

This additional income – now yielding around £600k per annum – underpins generous levels of staffing at both schools, plus many “extras” that would otherwise be unaffordable in the current funding climate.

GMAT is a fully centralised MAT, with all of our schools able to access dedicated, expert advice and support from centralised functions in HR, Finance, Income Generation, Data/Business Analysis, ICT and Estates.

The MAT is extremely clear about its daily purpose, reflected in its motto of “no set destiny for any child.” All of our schools, leaders and staff believe fiercely in the life-changing nature of education and work tirelessly to that end, day in and day out. There is no set destiny for any of the children in our care; rather, we are each very clear that our daily work across the piece allows children to forge new futures and destinies.

Schools within the Generations Multi Academy Trust (GMAT)

The school is a tight knit community, with a well-established staff who care for one another and the children in their charge.

Goffs Academy

Goffs Academy is a mixed 11-18 comprehensive academy with approximately 1,600 students on roll, including a thriving and successful sixth form. The school is also extremely popular in the local area, with an average of over 800 applications annually for the 240 places available, and significant waiting lists for places across the year groups.

Goffs-Churchgate Academy

Goffs-Churchgate Academy is a fully mixed 11-16 comprehensive school, with approximately 600 students on roll. The school has rightly established a very strong reputation for both its academic outcomes and its close-knit, nurturing community, receiving an average of over 600 applications for just 120 available places. The decision to cap student numbers at 600 is entirely deliberate, enabling us to maintain a strong sense of community where everybody knows everybody else.

Oakview Primary School

Oakview Primary School is a one-form entry warm and welcoming primary school with currently approximately 170 children on roll. In September 2025, Andrews Lane Primary was relaunched as Oakview Primary, marking the beginning of a significant transformation under the leadership of the Generations Multi Academy Trust. This was far more than a rebrand. The change of name signaled a new identity, reflecting the ambition to deliver a higher quality of education, stronger community links, and continuously improving outcomes for all children. The school benefits from significant space, including a field and a forest. As a 'Herts Therapeutic Thinking' school, the school is committed to understanding and supporting children with their learning and achievement, within a context of deep-rooted mutual respect. One of the features of Oakview is its commitment to supporting its children and their families, and as such the school provides adult learning classes throughout the year. Staff are committed, dedicated professionals who want to do their very best for every pupil.

Overview

Our schools pride themselves on their sense of community – both within the school itself, and in the wider locality. Visitors to our schools unfailingly comment on a very real sense of community, coupled with warmth and pride. Three of our schools are members of Cheshunt extended services (CHEXS), offering a variety of extended school and community-based activities for both students and parents. Our students actively support local charity work such as the Isabel Hospice and maintain strong links with our local primary schools.

Our schools are proud to be truly community-based schools, with students and staff from different nationalities, faiths and cultures and a number of languages spoken in each school. Staff Development

The Trust has an extremely strong reputation for staff development, for both teaching and support staff. Developing the next generation of school leaders, both middle and senior, plus future Principals for those who wish to pursue this, is also a responsibility that we take very seriously. We have a full suite of staff leadership development which staff can join, be they an ECT or highly experienced colleague.

Taking advantage of the many opportunities inherent in being a cross-phase MAT, the MAT runs a calendared programme of networking meetings where leads across both phases can come together to discuss and share best practice in areas including safeguarding, behaviour and teacher training.

In addition to whole staff training days, we disaggregate a number of hours for training every year. This allows staff development to be highly personalised as staff can opt for the training which best meets their needs, including the opportunity to do a research project in partnership with Cambridge University.

Many use their disaggregated time to coach others or to receive coaching. Moreover, there are specific training sessions for ECTs and other interested staff which run each week after school.

We also place a lot of emphasis on 'on the job' training and support. A thorough induction scheme is available to all new staff, and mentors/buddies are assigned to guide you through those new routines. Finally, external courses can of course be booked if, on very rare occasions, we cannot cater for a particular training need in-house.

Leadership Development

The Trust's leadership academy encompasses both staff and student leadership development through a series of student led groups and staff leadership pathways. The staff programme specifically provides opportunities for:

- Aspiring middle leaders
- Aspiring senior leaders

All pathways are personalised for the individual and staff receive one-to-one support from a mentor alongside working on a whole school project. Both support staff and teaching staff are welcome to join the leadership academy at any point in their career.

A full suite of leadership training is offered with a range of sessions including:

- What makes a good leader? - Communicating vision and values
- Leadership and staff motivation - Building a high performing team
- Leading and managing change - Developing your leadership approach
- Being a Lead Practitioner - Quality assuring effective teaching
