Dear Candidate

Thank you for your interest in this exciting post at Haileybury Turnford.

It is a great opportunity for an Early Career Teacher (ECT) or more experienced teacher who is committed to making a real difference to our students, and giving them the best possible life chances. This role will provide an excellent opportunity for career development in a very supportive environment, working as part of a very committed and talented team of teachers, and in a school where staff wellbeing is a high priority. In short, we are looking for an excellent, ambitious teacher, who will have excellent career development opportunities.

An important part of the role will be to foster students' interest in History and inspire them to understand the world in the past and today.

There would be an opportunity to teach a second subject, such as Religious Education, PSHE or Sociology, for a suitable candidate. Equally, for an experienced colleague, there would be the potential for a Year Achievement Coordinator role, leading pastoral care for a year group.

### **We are a school on the up: Ofsted rated us as Good in March 2022**

It is an important and exciting time for our school. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team. The History Department has specialist and dedicated teaching spaces.

### **Recognition from the Pearson Teaching Awards for Haileybury Turnford**

We have excellent teaching and strong student attitudes to their learning. If you join us, you will join a very effective, and cohesive Humanities Faculty. We received a nominee certificate for Secondary School of the Year in the 2021 Pearson Teaching Awards.

### **Opportunities through our sponsor, Haileybury**

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body.
