# Welcome from Mark Ellis, Principal

**Thank you for your interest in working at Goffs Academy. I hope that this information pack and the school website will give you a flavour of what it is like to work and to learn our wonderful school.**

Goffs is part of the Generations Multi Academy Trust. We have around 1,600 students on roll, including 400 students in the Sixth Form. The school has earned an excellent reputation within the local community, and as such is heavily oversubscribed, regularly receiving over 800 applications for 240 places available in Year 7. Our students want to be here.

Our daily work with young people is based on our firm belief that every student deserves access to the highest quality of education. Through our curriculum, we provide a rich range of learning opportunities and experiences, therefore enabling students to develop a powerful range of knowledge, vocabulary and skills.

Academic success is important to us, and we have unashamedly high expectations of our students in this regard. However, we also seek to support our students' wider personal development, helping them to grow as confident, responsible, and articulate learners and citizens. Staff help students to reveal and develop their inner strengths, and to thrive at school and beyond; we are immensely proud of our alumni, and are always delighted when they keep in touch with us after leaving.

We have very clear expectations of behaviour, as the foundation of a calm, purposeful and focused learning environment.

These expectations are underpinned by our school values – Respect, Resilience, and Responsibility – which we encourage students to develop and demonstrate within school.

Lessons at Goffs are based around 5 key consistencies (known as The Goffs Way), developed by colleagues and underpinned by research into what contributes to highly effective learning. We are dedicated to a philosophy of continual improvement and 'being the best we can be'. As one example of how staff are supported in continually developing their practice, the school has a unique timetable arrangement in which students leave school early one day each fortnight, to provide dedicated time for professional development.

Most importantly, if joining Goffs you will be joining a team of enthusiastic, optimistic and committed professionals, who are immensely supportive of one another. If you enjoy working with young people, and have the curiosity, optimism and drive to do your best each day, I would be delighted to hear from you.

## Information about Goffs Academy and the Generations Multi Academy Trust

---

**Welcome to our information pack about Goffs and the Generations Multi Academy Trust. We are a mixed 11-18 comprehensive Academy with approximately 1,600 students on roll, including a thriving and successful Sixth Form. Our Academy is extremely popular in the local area, with an average of over 800 applications annually for the 240 places available, and significant waiting lists for places across the year groups.**

The school has been awarded the International Schools Award twice, Investors in People status three times, and has Sportsmark Gold and Artsmark Silver. We also hold the Secondary Geography Quality Mark, as well as being a designated Leading Edge School, and play a central role in the Leadership Partner School network.

---

## Professional Working and Learning Environment

Our school was among those named as part of a £2billion Government scheme, the Priority Schools Building Programme. As a result, Goffs received a completely new build and facilities, and moved into them in January 2017. The school has further invested in an additional new building, which opened in April 2022, which includes 8 brand-new classrooms, as well as a state-of-the-art fitness centre run by Lifestyle Fitness, with whom we work in close partnership.

This significant investment of funds by the Department for Education is a further recognition of the outstanding work being undertaken by the school, and represents another fantastic opportunity for our community. Our school building provides a light, modern, professional and fit for purpose working environment for all.

## Outcomes

**Exam results in 2025 reflected another year of huge success for Goffs. The results reflect a consistent trend of excellent performance, with students consistently achieving outcomes which significantly exceed national averages.**

GCSE highlights include:

- **Attainment across all headline measures which significantly exceeded national averages**
- **Particularly impressive outcomes in English and Maths. English language performed particularly strongly, with 82% of grades at grade 4+, and 65% at 5+. In Maths, 75% of grades were 4+, with 59% at 5+**
- **70% of students achieved grade 4 or above in English and Maths**
- **48% of students achieved grade 5 or above in English and Maths**
- **24% of the GCSE grades were at grade 7 or above, and the percentage of grades awarded grade 9 (the highest grade available at GCSE level) greatly exceeded the national average**
- **The percentage of students entering the full EBacc was 67%, which is significantly above the national average of 39%**

At A-level, students achieved an exceptional set of exam results, with highlights including:

- **Student progress which significantly exceeded national averages (with L3VA of +0.19)**
- **22% of grades were awarded A\*/A**
- **Students achieved a 100% pass rate across all qualifications**
- **67% of students have progressed onto degree-level study, either at university or across a range of highly competitive and prestigious degree apprenticeship programmes**

These outcomes have helped to further establish the excellent reputation of our Sixth Form within the local area; over the past three years the numbers of students applying to join has continued to increase, such that we now have approximately 400 Sixth Form students within our school community.

## Community

**Goffs prides itself on its sense of community – both within the school itself, and in the wider locality.**

**Visitors to our school unfailingly comment on a very real sense of community, coupled with warmth and pride.**

We are members of Cheshunt Extended Services (ChExS), offering a variety of extended school and community-based activities for both students and parents. Our students actively support local charity work such as the Isabel Hospice and the Rainbow Trust, and maintain strong links with our local primary schools.

In addition, our young Sports Leaders regularly work in primary schools. Goffs runs a 'G-Involved' Volunteering programme, where every Sixth Form student completes 20 hours volunteering during the course of the academic year. Students are rewarded through our annual Pride of Goffs Awards evening.

We firmly believe in every student feeling a strong sense of community and on entering the school, each student is placed in one of four Houses: **Eagle, Falcon, Hawk and Phoenix**. Each House is led by a team of student House Captains and has a clear sense of identity. Regular competitions and assemblies strengthen this sense of community. Each year the House Captains decide on a possible group of charities to support; students in every year then vote on their chosen school charity.

Students within each House then arrange a variety of fund-raising events throughout the school year.

The House which raises the most money in the year for our school charity is awarded the Charity House Shield. Such work is indicative of Goffs students' ability to empathise with the needs of others, and further develops their capacity to work successfully in a variety of social settings.

The Goffs Student Leadership Academy actively encourages leadership development through a series of student led groups. We currently have students enrolled in the Leadership Academy from Year 7 to Year 13, with groups including:

- **Student Parliament**
- **Community and Charity Leaders**
- **House Leaders**
- **Sports Leaders**
- **Sixth Form Top Team**

A variety of annual school trips give students the opportunities to sample different cultures, whilst an extensive programme of off-site visits provides opportunities for students to experience the diversity that exists within the UK including theatre, galleries and museum visits. Our overseas trips have included Italy, Spain, USA, Czech Republic, Paris, Berlin and Reykjavik, in addition to a student exchange with a school in Beijing, and annual ski trips to countries such as Italy, Andorra or Austria.

## Care, Guidance and Support

**Successful learning takes place when students feel safe, confident, respected and valued, and are engaged. Goffs believes in supporting and nurturing all students in their quest to become successful learners. As such, we place a high value on pastoral care as an integral part of the life of the school.**

We promote positive attitudes towards learning and provide a caring and supportive environment within our community. We were delighted to see Ofsted's comments that "students' behaviour and attitudes are outstanding" and that "students feel very safe, because bullying is extremely rare and they are very confident that any incidents that concern them will be dealt with swiftly and effectively." Continuously nurturing, supporting and developing our students is hugely important to us and significant investment is made in the school's pastoral structures, including our investing in dedicated Learning Mentors for the school.

## Information about Generations Multi Academy Trust (GMAT)

**GMAT is a cross-phase Multi Academy Trust based in Cheshunt, currently comprising two secondaries and two primaries - Goffs Academy, Goffs-Churchgate Academy, Flamstead End School and Oakview Primary School. Across the piece, GMAT currently has just under 3,000 students in its care and employs just under 400 staff.**

**The MAT also operates nursery provision on the Goffs-Churchgate site, with subsidised and term-time only places for staff, run by Ashbourne Nurseries**  
<https://ashbournedaynurseries.com/>.

All of the schools are situated within close proximity of each other in Cheshunt, and share many activities, including CPD for staff. One of the Trust's fundamental principles is that no one school or phase is in any way more important or successful than the other. As such, CPD and other events are rotated through all schools in the Trust, with everyone learning from and sharing with each other. This collegiate and collaborative approach permeates our Trust.

The MAT's finances are overseen by a highly skilled Chief Finance Officer with considerable financial expertise in the private sector, plus a highly experienced Finance Manager.

The Trust deliberately created an innovative Income Generation function, and extensive lettings and business development work now takes place across all sites in the MAT.

This additional income – now yielding around £600k per annum – underpins generous levels of staffing at both schools, plus many “extras” that would otherwise be unaffordable in the current funding climate.

GMAT is a fully centralised MAT, with all of our schools able to access dedicated, expert advice and support from centralised functions in HR, Finance, Income Generation, Data/Business Analysis, ICT and Estates.

The MAT is extremely clear about its daily purpose, reflected in its motto of “no set destiny for any child.” All of our schools, leaders and staff believe fiercely in the life-changing nature of education and work tirelessly to that end, day in and day out. There is no set destiny for any of the children in our care; rather, we are each very clear that our daily work across the piece allows children to forge new futures and destinies.

The school has rightly established a very strong reputation for both its academic outcomes and its close-knit, nurturing community, receiving an average of over 600 applications for just 120 available places. The decision to cap student numbers at 600 is entirely deliberate, enabling us to maintain a strong sense of community where everybody knows everybody else.

## **Oakview Primary School**

Oakview Primary School is a one-form entry warm and welcoming primary school with currently approximately 170 children on roll. In September 2025, Andrews Lane Primary was relaunched as Oakview Primary, marking the beginning of a significant transformation under the leadership of the Generations Multi Academy Trust. This was far more than a rebrand. The change of name signaled a new identity, reflecting the ambition to deliver a higher quality of education, stronger community links, and continuously improving outcomes for all children. The school benefits from significant space, including a field and a forest. As a 'Herts Therapeutic Thinking' school, the school is committed to understanding and supporting children with their learning and achievement, within a context of deep-rooted mutual respect. One of the features of Oakview is its commitment to supporting its children and their families, and as such the school provides adult learning classes throughout the year. Staff are committed, dedicated professionals who want to do their very best for every pupil.

## Overview

Our schools pride themselves on their sense of community – both within the school itself, and in the wider locality. Visitors to our schools unfailingly comment on a very real sense of community, coupled with warmth and pride. ## Staff Development

**The Trust has an extremely strong reputation for staff development, for both teaching and support staff. Developing the next generation of school leaders, both middle and senior, plus future Headteachers for those who wish to pursue this, is also a responsibility that we take very seriously. We have a full suite of staff leadership development which staff can join, be they an ECT or highly experienced colleague.**

Taking advantage of the many opportunities inherent in being a cross-phase MAT, the MAT runs a calendared programme of networking meetings where leads across both phases can come together to discuss and share best practice in areas including safeguarding, behaviour and teacher training.

In addition to whole staff training days, we disaggregate a number of hours for training every year. This allows staff development to be highly personalised as staff can opt for the training which best meets their needs, including the opportunity to do a research project in partnership with Cambridge University.

Many use their disaggregated time to coach others or to receive coaching. Moreover, there are specific training sessions for ECTs and other interested staff which run each week after school.

We also place a lot of emphasis on 'on the job' training and support. A thorough induction scheme is available to all new staff, and mentors/buddies are assigned to guide you through those new routines. Finally, external courses can of course be booked if, on very rare occasions, we cannot cater for a particular training need in-house.

---

# Leadership Development

- Aspiring middle leaders
- Aspiring senior leaders

All pathways are personalised for the individual and staff receive one-to-one support from a mentor alongside working on a whole school project. Both support staff and teaching staff are welcome to join the leadership academy at any point in their career.
