In particular we wish to support young people to recognise the potential that they have, and then to fulfil the achievements of everyone in all aspects of life within the Academy. In particular we wish to support young people to recognise the potential that they have, and then to fulfil that potential through every stage of their learning journey.

Staff, students and parents work together to ensure that pride in our success means:

- pride in **our behaviour and attitude**;
- pride in **our attendance and punctuality**;
- pride in **our uniform and the way we look**;
- pride in a **commitment to learning and achievement**; and

ROYAL TUNBRIDGE WELLS

Over 400 years ago a natural spring welled up from the ground and it was named 'The Tunbridge Wells' (the wells near Tonbridge).

Today our charming historic town, only 30 miles south east of London and a 45 minute train ride from the capital, is close to the unspoilt beauty of the surrounding High Weald Area of Outstanding Natural Beauty (AONB) and boasts the elegant charm of The Pantiles. For years Queen Anne visited, but when Queen Victoria made the town part of her regular holiday sojourns 'Royal' Tunbridge Wells, the town, came into being, hence the addition to the original name.

Royal Tunbridge Wells is highly accessible with excellent schools and a wide range of places to live and types of accommodation, both locally and a short distance away amidst the rolling hills, picturesque villages of Kent and East Sussex, ancient woods and open heaths. The area is well known for its world-famous gardens, fairy-tale moated castles and mellow country manors. The coast is also a short drive south. Tunbridge Wells is at the hub of a series of roads, the primary ones being the M25, the A26, which runs from Maidstone to Newhaven; the A264, which runs from Five Oaks to Pembury (via Crawley and East Grinstead); and the A267, which runs south from Tunbridge Wells to Hailsham. The A21 passes to the east of the town, following the route of its turnpike ancestor, from London to Hastings. There are also direct trains to and from London and the coast.

Many professional people move out of London into the area to enjoy the excellent living environment and quality of life whilst also having all the convenience of the major high street and local shops and selection of first-class restaurants, bars and cafes nearby.

JOB PROFILE

This is a maternity cover position, operating on a temporary contract, commencing April 2025.

History

The History team is a dynamic and innovative department with a consistent track record of delivering excellent progress and results for students. It is part of Malala House alongside Geography, GPS, RS, Citizenship, Psychology and a host of other subjects within the Humanities family. We offer a variety of trips to locations such as the Battlefields, Berlin and Krakow.

We firmly believe that the teaching of History at SKA must be highly engaging and relevant to all students. Our focus is on modern history, and we use a variety of teaching strategies to improve the way students think whilst encouraging their independent learning skills. History is regarded as one of the five key 'facilitating subjects' by employers and universities. Our students understand that the subject is both highly valuable as an academic qualification, but also enriches their appreciation and understanding of the wider world. Through the study of History, we aim to develop our students' knowledge, skills and attitudes in line with the IB learner profile, which aims to develop learners as inquirers, knowledgeable, thinkers, communicators, principled, open-minded, risk-takers, reflective and balanced individuals. The History department consists of teaching from KS3 to KS5. We offer the IB MYP History curriculum in KS3, the AQA History in KS4 and in KS5 we offer the IBDP History course.

KS3

History encourages an appreciation of the world around them. We cover a wide range of subjects from Ancient Civilisations to Post War Britain. We cover key topics in British history which have shaped our national development including the Industrial Revolution and both the World Wars. Additionally, unlike other schools in the area, we have a history unit dedicated to the history of the Tunbridge Wells area. This allows students to understand the connections between local history and national events. We also believe that the skills of a historian enable students to be far more critical of what they read and hear. In the world of 'fake news' and social media, history students what SKA have the insight to be able to question the information they are presented with. We also have carefully constructed a Key Stage Three curriculum which promotes diversity and tolerance. Black and Asian history is a key part of our lessons. Similarly, the history of the struggle for equal rights for women is also a major component of our syllabus.

KS4

Our GCSE offering at SKA covers a wide variety of popular history topics. There is a range of social and political history included. It is a natural continuation of our curriculum at KS3 and it is designed to support our IBDP course at Sixth Form. From the AQA syllabus students will cover:

- Conflict And Tension 1945-1972
- Health And The People 1000 AD Until The Present Day
- Elizabethan England 1558-1603
- Germany 1890-1945

KS5

At KS5 the History course has an emphasis on Modern World History. However, the coursework (IA) element can be on any topic in History preferred by the student. The subject can be studied to Standard OR Higher level. Students at SKA can look forward to covering:

- Authoritarian States
- Superpower Tensions and Rivalries
- Rights And Protest
