Oasis Community Learning

Thank you for your interest in joining the Oasis Community Learning (OCL) family. We are looking for talented teachers who share in our vision and values, to join our team.

It is our vision that every young person in our academies reaches their potential, no matter what their starting point and leaves us with an aspirational, fulfilled and prosperous future ahead of them. We are at an exciting time for our organisation. In 2020 we introduced the OCL One Plan, uniting all areas of our organisation to achieve our mission by providing clear direction for the next five years, and a new entitlement for every child.

One of these entitlements is access to online learning wherever you are; each student in Oasis will receive an iPad to use at school or at home. Together, we will provide our young people with the opportunities that they deserve to realise their potential.

Our people are our most important resource and our catalyst for change. Are you the one to help us do this?

We hope that you find everything you need in this brochure and welcome you to get in touch with the academy you are applying for with any questions you may have.

About Oasis Community Learning

Oasis Community Learning is one of the largest trusts in the UK and has a vision to create 'exceptional education at the heart of community.' We are a family of 52 academies: 31 primary, 18 secondary and 3 all through.

We specialise in working in socially deprived communities, and we have intentionally positioned our education services within some of the most challenging and disadvantaged communities in the country. Over 80% of our academies are now rated as Good or Outstanding. In keeping with our vision of community, each academy offers a wide range of integrated and holistic provision to both our students and the local community through its Hub strategy.

Our offer to you

Clear career progression opportunities

As a large trust, we are able to provide clear career progression opportunities from NQT, through to middle leader, senior leader, Principal and Regional Director roles. In partnership with external providers, we provide accredited and bespoke training programmes including the NPQML, NPQSL and the NPQH. We also work closely with the NIoT to deliver high quality CPD in pedagogy, behaviour management and curriculum development.

Curriculum development and reduced workload

Our NLPs and National Curriculum Leads have worked hard to create the Oasis Curriculum; a comprehensive set of lesson plans and materials for all subjects currently taught at secondary phase. By the end of 2020 we plan to have our primary curriculum ready too. Your time as a teacher is valuable, and we hope that this will support you with managing your workload and work-life balance.

Trust-wide opportunities for you to make a difference

There are a wide range of opportunities for teachers to support and play a key role in trust wide initiatives. This can be through: Pioneering new systems and approaches, based on current educational research – being at the cutting edge of educational thinking and development.

Transferring between academies to support academy improvement or to gain additional experience in preparation for promotion. Leading a Regional Improvement Network for your subject or year group.

Becoming one of our NLPs or National Curriculum Leads.

Support and sharing best practice

As part of a regional family of Oasis academies, you will enjoy the support and challenge of your peers within the region as well as from across the trust.

National Lead Practitioners (NLPs)

NLPs are highly effective teachers who are released from their own academy for 1.5 days a week to design curriculum and promote best practice in academies across the trust. As part of Oasis, you will have the opportunity to become an NLP.

Regional Improvement Networks (RINs)

Networks exist to share effective practice, moderate students' work, raise standards, collaborate, undertake training, reduce workload, and give opportunities for leadership.

Assessment: Our NLPs have developed year group assessments in secondary and through a unified approach to exam boards we are able to work together to promote highly effective teaching strategies to secure the best outcomes for our students. For primary we have whole phase assessment systems to track achievement in every cohort in each academy.

Best Practice Directory: Through our intranet we have numerous strands of best practice that academies can access.

Oasis Teaching School: We have a Teaching School based at Oasis Academy Limeside in Oldham, Manchester, which acts as a source of best practice CPD.

Conferences: We hold CPD conferences across the UK to share best practice and pedagogy - regionally and nationally. These are enhanced through support from our NLPs.

More information about our NLPs and best practice is available in our Video Gallery on our [website](#).
