

**SWANWICK
HALL
SCHOOL**

CANDIDATE PACK

WELCOME FROM THE HEADTEACHER

Swanwick Hall School stands in 22 acres of beautiful land. Our school has continued to prosper and serve the community for over 100 years since its establishment.

At Swanwick Hall, we uphold the values of ambition, teamwork, and honesty each and every day. These values shape our approach to education and guide the experiences of our over 1,100 students aged 11 to 18.

Our mission is clear, to provide students with opportunities and experiences that enhance their life choices, making a positive contribution to the world we share.

Since Swanwick Hall was formed, education has undergone significant changes, and it's clear that we must remain innovative to continue to grow and develop.

So, why choose Swanwick Hall?

We place a real emphasis on high-quality teaching and have undertaken a vast amount of work on developing a high-quality knowledge-rich curriculum in all subjects. Our Swanwick lesson framework is based on strong classroom routines which ensure that all students have a clear understanding of what to expect in the classroom. We believe that 'structure liberates' and as a result, with strong structures in place, our staff have the autonomy to deliver lessons which are engaging, interesting and relevant.

We invest significantly in ongoing professional learning within our school and through collaboration with our colleagues in The Two Counties Trust. In partnership with our Trust colleagues, we have introduced our innovation to traditional appraisal which focusses on supporting our staff to fulfil their ambitions for their future. We hold deliberate practice sessions for our teaching staff each week and actively encourage everyone to participate in professional learning and focus on their career ambitions.

We are developing our offer that sits outside of the classroom and have a real focus on building opportunities for students for enrichment, leadership and trips. Learning outside of the classroom is equally as important as inside of the classroom, and we know that these opportunities will help to further instil a real sense of belonging here at Swanwick Hall.

To develop and improve the school further we need to recruit the best people at every opportunity. We are looking for people who are committed to enhancing the life choices of Swanwick Hall students and who can join our warm, hard-working and ambitious team.

If you haven't already, I recommend that you visit the school and see us in action. We are always happy to meet prospective applicants and to talk openly and honestly about the school and the post on offer.

HOW TO APPLY

TES is our recruitment platform so please go to www.tes.com/jobs to apply for this role online.

If you do not wish to apply online you can request an application form from HR@ttct.co.uk to be returned via e-mail.

Please ensure that you set out in your application on no more than 2 sides of A4, why your experience and ambition is a good fit for the role of Teacher of History within Swanwick Hall School.

In order to comply with Safeguarding requirements, you must complete either an application form or apply online via TES. We cannot accept a Curriculum Vitae as an application for this post.

Please note that we receive a large number of applications and so unfortunately cannot provide feedback to everyone. If you have not been contacted within four weeks of the closing date you should assume that your application has not been successful on this occasion.

Applications must arrive by Friday 18 October 2024 at midday.

Interviews will be held on a date to be confirmed.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile

The job profiles includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible

We get many applications where some of the information is missing. We understand applications can be a lengthy process, but poorly completed applications give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our selection decision. It is important to make sure your details are accurate and up to date. When going over your work history, make sure you mention any relevant experience you gained from those roles and do not leave gaps in your employment history. Where there are genuine gaps, you must address these.

3. Make sure your supporting statement is well constructed

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focused and should normally not extend beyond two sides of A4.

4. Proofread your application before submission

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from your education history, as we will ask to see proof of qualifications.

6. References

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but, the name of the most senior person who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher **must** be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer is conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form. This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department to review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
