Dear Colleague

Full Time History teacher required from September 2023

Thank you for your interest in the above post.

The Chantry School is a very successful, over-subscribed school, located in the West Worcestershire village of Martley. We serve a predominantly rural catchment area and offer education from 11–16.

The success of the school is rooted in a belief that we will continually strive for the very best for each child, both academically and pastorally. Attendance is excellent, as is behaviour which leads to an exceptionally good climate both in and out of lessons. Our GCSE results are consistently high and last year our P8 score was +0.32, placing the school in the 'above average' category for pupil progress. Teachers, support staff and pupils work well together, with a strong sense of community evident. Pupils are keen to learn and the school is an excellent place for teachers to thrive in delivering their subject. Visitors to the school often comment on the positive atmosphere in lessons and corridors. We benefit from a strong and involved Governing body and supportive parents.

We are now seeking a strong teacher of History to complement and further enhance our provision. The successful candidate will be able to teach across the age and ability range, and with excellent subject knowledge be able to contribute to current educational initiatives. S/he will be passionate about their subject, be an excellent communicator and have the ability to inspire young people to exceed their expectations. The History department have a strong ethos of excellence in their work and achieve outstanding outcomes. Applications are welcomed from colleagues at all stages of their career, including those who will be ECTs in September.

The school has an active Teaching and Learning community that ensures we share and maintain highly effective practice and professional dialogue, and challenges us to be the best we can. We are seeking a practitioner who is keen to develop their skills in this environment, whatever their current level of experience may be.

If you feel, after examining all the information, you would like to apply we will welcome your application; should this not be the post for you, we wish you well in your future career.

Applications should consist of a completed Chantry School application form (found on our website) and a covering letter, which should address the person specification.

The closing date for applications is 9:00am on Monday 17th April.

I look forward to hearing from you.

Yours sincerely

Andy Dickenson
