Dear Candidate,

I am truly delighted you are interested in the post of **Teacher of History** at Astrea Academy Dearne. It is with great pride that I am able to introduce myself as Principal of the school and it is a privilege to share with you our ambitious vision for the future. As a parent first, I am resolutely determined to secure an outstanding provision for our community and to ensure that the children who attend our school have access to the same futures as my own children.

If you choose to join us, you will become part of a strong morally driven school that believe in the highest levels of success for all children regardless of their background. You will be relentless in your commitment and belief in all young people and will ensure only the highest level of academic success and personal fulfilment for all: they deserve nothing less. It is our vision to create outstanding young people who are courageous champions of diversity, equality and mutual respect and who are proud of their community and are enthusiastic advocates of learning.

We offer you unrivalled professional development that actively promotes independent research, collaborative working and constructive feedback and solutions. As a school who is proud to have created our own Fair Workload Charter, we will provide unparalleled support and wellbeing strategies and make you feel an integral part of Team Dearne.

If you share our values and want to make the kind of difference to young people's lives that challenge social boundaries, then we would love to meet you! Please take this letter as an open invitation to either visit our school and meet the people who make our school so much more than a building. If you let us know when you would like to visit we can make sure that tea and cakes are available too! We believe that is an integral part of school life!

I very much hope that you choose to apply for this post and I look forward to meeting you.

Best wishes
