

TEACHER OF HISTORY

Permanent, Full-time, MPR

Required for September 2021, a well-qualified teacher of KS3, GCSE and A-level History. We are looking to appoint an enthusiastic and passionate teacher. The post is suitable for either an NQT or a teacher with experience.

History is one of our most successful departments with a well-equipped suite of rooms in a separate block shared with RE. We also have a dedicated Administrative Assistant who supports some lessons and carries out some administrative duties on behalf of departmental staff.

Following an inspection in May 2013, we are proud to say that we retained our “outstanding” Ofsted judgement; our Sixth Form was described as “first class” and the behaviour of our pupils ‘impeccable’. There is a strong focus on in-house professional development and ‘supported accountability’.

Please complete the application form below and post or email (admin@nts.cumbria.sch.uk) for the attention of Mr S Northwood, Headmaster.

A covering letter should accompany all applications.
