Dear Prospective Applicant

Thank you for your interest in applying for this post. This is an exciting opportunity to join two happy and successful schools with excellent achievement and delightful students.

We require an outstanding teacher (with a good sense of humour), to join the **History department** at the Wyvern St Edmund's Learning Campus (WSE) from September 2021. The successful candidate will join an outward-facing, passionate and supportive team in an innovative environment where two schools (one boys' and one girls') have co-located to share facilities and teachers to create a large mixed setting of 1300 students. The successful candidate will predominantly teach History at KS3 and KS4, there will also be some Geography teaching at KS3.

The position is:

- This is a permanent, full time post.
- Required from 1st September 2021.
- Closing date for applications: **9am Monday 26th April 2021.**
- Competitive salary and Recruitment/Retention bonuses available for an outstanding candidate.

We are hoping for someone energetic, passionate and fun to work with. We are a creative and forward-thinking team of teachers and leaders who pride ourselves on developing positive relationships with students; we believe that being approachable and caring is what helps us safeguard students and drive progress.

We are very proud of the progress that students make here at WSE. We are committed to a process of constant school improvement so that our students are afforded every opportunity to become the best version of themselves. We feel strongly that staff well-being is built into every strategic decision that we make: our policies are clear and easy to interpret and we work as a team to solve problems, we always consider the impact of any new strategy on effective working practices. There are some additional perks that we are able to offer such as the reduced corporate gym membership, free car-parking and the Wiltshire Rewards cashback programme, which staff really appreciate. Staff also benefit from our commitment to professional development and, in working as part of a multi-academy trust with four secondary schools, groups of subject leaders and teachers are able to meet regularly to share ideas, schemes of work and to moderate together.

Wyvern St Edmund's Learning Campus (WSE)

Wyvern College and St Edmund's Girls School are two schools that are now merged (in practical terms) and working together under one Headship, as WSE. WSE is situated in an outstanding location on the outskirts of Salisbury, with a beautiful backdrop of the Laverstock Downs and acres of playing fields. Both schools currently have a 'Good' OFSTED rating.

Whilst we haven't legally merged the schools, departments are mostly located together and lead by a single head of department, and one senior leadership team work across the whole learning campus. It is an innovative and rare project but we believe that by working together we can offer an even better

education to both boys and girls, resulting in higher attainment and progress for all students. The vast majority of lessons are taught as mixed-sex classes.

New staff joining the school can be assured of a warm, supportive environment along with robust professional challenge and a strong sense of shared vision and ethos: our aim is that every student becomes the best possible version of themselves that they can be. We want all of our students to use their gifts and talents to serve other people well. We are very proud of our caring Christian ethos that runs through every aspect of school life.

We have a close and positive relationship with Salisbury Sixth Form College (S6C) which is a short drive away from WSE. Our partnership with the college means that there are opportunities to work collaboratively with KS5 students and teachers – we also anticipate the possibility of some WSE staff teaching across KS3-5 in the future.

WSE is committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment. The successful applicant will be subject to enhanced DBS checks. References will be sought on shortlisted candidates before interview.

Mr B Burley - Head of School

The History Department at Wyvern St Edmund's Learning Campus

History Mission Statement

Our History curriculum aims to help students to understand the world as it is, by exploring the world as it was. Through a series of historical enquiries, we explore issues on a local, national and international scale, and seek to instil in our students a passion for learning about the past. We strive to develop our students' confidence in their skills of communication and critical thinking, alongside fostering their curiosity and an appreciation of different points of view. Studying History will change how our students understand the world and help them to find their own place within it.

Key Stage 3

In KS3, students cover a wide range of topics from the Norman Conquest right up to the modern day. The KS3 curriculum is organised chronologically, but has opportunities for pupils to examine a wider sweep of history with a few thematic units. We aim to give pupils a broad sense of the past, and to help them build a sense of their place in the present. We also strive to equip students with key historical skills which will enable them to succeed at GCSE and beyond. These include: source analysis, building arguments, forming judgements, reading and writing with confidence and scrutinising historians' interpretations.

Key Stage 4

In KS4, students follow the Edexcel GCSE History course which offers the opportunity to study a variety of topics and time periods whilst also developing the core skills of an historian. Students complete a thematic study of medicine, from the Middle Ages to the present day, alongside a study of the specifics of medicine and surgery on the Western Front during World War One. Students will then study Early Elizabethan England and British America, 1713-1783 (studying Britain's 13 colonies in North America). Finally, students carry out a depth study of Weimar and Nazi Germany.

We currently have a Head of Department, two part time teachers, and two members of SLT who teach within the History department. The History department has a proud record at Wyvern St Edmunds of delivering excellent results and positive progress for the pupils in our care. History is a very popular subject with excellent uptake at GCSE, and we are looking for an enthusiastic, skilful and highly motivated individual to join our successful team.
