Welcome from the Headteacher

Wyvern St Edmund's
Academy

Dear Prospective Applicant,

Welcome to Wyvern St Edmund's Academy (WSE). As Headteacher, I am immensely proud to lead the school and serve its community of students, staff and parents/carers. WSE is a founding member of the Magna Learning Partnership, situated on the eastern outskirts of Salisbury with beautiful views over the Laverstock Downs to the east and Salisbury Cathedral to the southwest. We are proud of our reputation for high-quality teaching, excellent academic outcomes for our students and strong, effective pastoral care.

In September 2022 we have legally opened as Wyvern St Edmund's Academy, enabling us to take full advantage of the benefits associated with inclusive coeducational learning and social development. Wyvern College and St Edmund's School were formally two separate schools, just a few yards apart: Wyvern for boys and St Edmund's for girls. Over the past 15 years the schools have worked closely together, sharing: expertise, staffing resources and mixed GCSE classes.

We have a tremendous team of support staff, teachers and teaching assistants - some of the most talented professionals I have ever worked with - all of whom are proud to work at WSE and passionate about educating, supporting and nurturing our young people. Our collective vision of helping each student to develop into the best version of themselves is at the heart of everything we do and motivates us to provide impactful teaching, comprehensive pastoral care and extensive extra-curricular provision. Moreover, our vision is rooted in Christian beliefs and values whereby we expect our students to use their developing gifts, talents and character to serve others in the local community and beyond (1 Peter 4:10).

Being a vibrant, happy and forward-looking school, WSE is without doubt a great place to teach. Our parents and carers are hugely supportive of the school and we pride ourselves on forming strong and effective partnerships with young people and their families: we work collaboratively throughout any challenges and rejoice in the many successes which come from being part of a wonderful school.

New staff joining the school can be assured of a warm, supportive environment along with excellent professional opportunities for all staff and a strong sense of shared vision and ethos: we help our students to become the best version of themselves in order to serve others. We want all of our students to use their gifts and talents to serve other people well. We are very proud of our caring Christian ethos that runs through every aspect of school life.

We have a close and positive relationship with Salisbury Sixth Form College (S6C) which is a short drive away from WSE. Our partnership with the college means that there are opportunities to work collaboratively with KS5 students and teachers - we also anticipate the possibility of some WSE staff teaching across KS3-5 in the future.

I look forward to meeting you so that you can see for yourself just how great Wyvern St Edmund's is.

Yours sincerely

Mrs L Henderson
Headteacher

Ofsted

The February 2018 Ofsted inspection recognised our 'relentless drive to raise standards' and praised the 'clarity of vision' and 'inspiring' ideas that we have.

In January 2020, Ofsted also observed that 'the move to combine Wyvern College with St Edmund's School has widened the curriculum available to students. An effectively planned curriculum means that students are learning well and students feel well cared for and know that there is always someone to whom they can go if they have a problem.'

The History Department

History Mission Statement

Our History curriculum aims to help students to understand the world as it is, by exploring the world as it was. Through a series of historical enquiries, we explore issues on a local, national and international scale, and seek to instil in our students a passion for learning about the past. We strive to develop our students' confidence in their skills of communication and critical thinking, alongside fostering their curiosity and an appreciation of different points of view. Studying History will change how our students understand the world and help them to find their own place within it.

Key Stage 3

In KS3, students cover a wide range of topics from the Norman Conquest right up to the modern day. The KS3 curriculum is organised chronologically, but has opportunities for pupils to examine a wider sweep of history with a few thematic units. We aim to give pupils a broad sense of the past, and to help them build a sense of their place in the present. We also strive to equip students with key historical skills which will enable them to succeed at GCSE and beyond. These include: source analysis, building arguments, forming judgements, reading and writing with confidence and scrutinising historians' interpretations.

Key Stage 4

In KS4, students follow the Edexcel GCSE History course which offers the opportunity to study a variety of topics and time periods whilst also developing the core skills of an historian. Students complete a thematic study of Medicine, from the Middle Ages to the present day, alongside a study of the specifics of Medicine and Surgery on the Western Front during World War One. Students will then study Early Elizabethan England and Superpower Relations and the Cold War 1941-91. Finally, students carry out a depth study of Weimar and Nazi Germany.

We currently have a Head of Department, two full time teachers, one part time teacher, and two members of SLT who teach within the History department. We also work collaboratively with Salisbury Sixth Form College. The History department has a proud record at Wyvern St Edmunds of delivering excellent results and positive progress for the pupils in our care. History is a very popular subject with excellent uptake at GCSE, and we are looking for an enthusiastic, skilful and highly motivated individual to join our successful team.
