DEPARTMENT: HISTORY

Key Stage 3

In Years 7-8 students gain an overview of the main periods of British History, from the Iron Age through to Medieval England, the Early Modern period and the Industrial Revolution and make links to a key theme in European History, the French Revolution. They investigate the causes and consequences of World War One and undertake a focus study on how housing developed in London, leading to the building of the St Helier Estate close to the school. Students gain a foundation in key skills including analysing different causes and consequences of events and writing narrative history, in preparation for starting GCSE History.

Key Stage 4

In Year 9, students spend a term developing their wider historical knowledge as a foundation to starting the GCSE course. They study two topics:

- Discovery and Exploration 1350-1650: The Renaissance, discovery of the New World and development of the first colonies in New England.
- Key ideas of the Modern World: Democracy, Capitalism and Communism.

In the Spring of Year 9, students begin the GCSE course, which they study through to the end of Year 11. We follow the Edexcel specification taking the following options:

- the Development of Crime and Punishment in England: a development study including witchcraft, prisons, the abolition of the death penalty and the creation of the police force, with a source study on Jack the Ripper's London.
- Elizabethan England: a depth study including the threat of Mary Queen of Scots, the Armada and the navigation of the globe
- International Relations 1943-91: an overview study looking at the origins of the Cold War. the Creation of NATO and the Warsaw Pact, the Cuban Missile Crisis, the period of détente and reasons for collapse of the Berlin Wall in 1989.
- Germany 1918-39: A depth study focusing on the Weimar Government, the growth of the Nazi party and life in Nazi Germany.

Key Stage 5

A-level students follow the Edexcel A level course. The first year focuses on the common theme of a search for rights, freedoms and greater equality during the twentieth century. In the USA, the quest for political, social and economic advancement mainly looked to reform existing structures. In South Africa, this quest led to more radical outcomes, leading to the apartheid regime. In the second year, students will study a volatile and important part of the evolution of modern democracy in Britain 1780-1928. The topic addresses the ways in which protest and agitation can bring about change, whilst at the same time giving students the opportunity to explore whether or not change would have come about without protest. Students also write a piece of coursework on the Unification of Italy in the 1860s.

DEPARTMENT: GEOGRAPHY

The study of Geography aims to help students:

- Extend their interest and knowledge beyond their immediate experience.
- Understand the links between the environment, physical processes, and human activity.
- Develop an appreciation for the environment and value the need for sustainable management.
- Develop a better understanding of the diversity of places around the world and assess the processes involved in shaping them.

Key Stage 3 (2 yrs)

The KS3 course aims to build a foundation of knowledge and key skills that can prepare students for GCSE but also instil in pupils a curiosity and fascination about the world and its people that will remain with them for the rest of their lives. The topics studied will equip pupils with knowledge about diverse places, people, resources and natural and human environments, together with a deep understanding of the Earth's key physical and human processes. There is a focus on skill building and extended writing.

Key Stage 4 (3 yrs)

Geography is a popular option choice at KS4, with 4 groups studying GCSE+ in each year group from 9 to 11.

Pupils follow the AQA specification (<https://www.aqa.org.uk/subjects/geography/gcse/geography-8035>). Opportunities for physical and human fieldwork are incorporated in both Year 10 (West Wittering) and Year 11 (Olympic Park, Stratford). There is also an experience trip in 'Challenge Week' e.g. Bay of Naples, Italy.

Key Stage 5

At A-Level we follow the AQA specification (<https://www.aqa.org.uk/subjects/geography/as-and-a-level/geography-7037>). There are increasing numbers at both Y12 and 13 and teaching is split between two teachers with 5hrs of teaching each – typically, one teacher takes the physical paper (Paper 1) and the other takes the human paper (Paper 2). The NEA delivery is split between teachers and students are encouraged to freely select their NEA titles during/after their residential fieldtrip.

DEPARTMENT: RELIGIOUS STUDIES

Religious Studies attempts to explore, discover and understand this wonderful, diverse world. It examines not only the customs and beliefs of many of the world's great faiths, but seeks to understand the reasoning behind such practices. It examines the ultimate questions that are common to all people, such as the meaning of life and attempts to enrich our own awareness by reflecting on the faith of others.

All students receive 2 periods of Religious Studies per fortnight in Years 7 - 9. At Key Stage 4, Religious Studies is a compulsory subject, either as SMSC or as an option. At GCSE we follow the OCR Religious Studies syllabus, and at Advanced Level we follow AQA syllabus on Philosophy.

The Subject Area accommodation consists of 3 specialist rooms. The Subject Area is well resourced and there are regular Subject Area Meetings held which are part of the school calendar.

A variety of teaching and learning methods are used in the Subject Area. Fieldwork is an integral part of the programmes of study for all year groups and the Religious Studies Subject Area runs visits as part of the curriculum.

The continued development of differentiated learning materials is to enable students to have equal access to the curriculum to achieve their full potential. There is a well-defined marking policy, of which all pupils and parents are informed. We positively promote self-assessment as a way of educating pupils and students to take responsibility for their learning. Assessment procedures and use of prior data lead to target setting for pupils and students as part of the whole-school academic tutoring programme.

Great value is placed upon staff working as a team and the Religious Studies Subject Area is committed to providing staff with support and opportunities for professional development.

GUIDANCE TO APPLICANTS

Please read these carefully before making your application.

THE APPLICATION FORM

Please complete in **black** pen or type. Additional sheets may be used.

The application form will play a key part in whether you are called for an interview, so it is important that you take your time and complete it as fully and accurately as possible.

When selecting candidates for interview we have to base our decisions on the information you give us. The Person Specification is enclosed with this application form. This is a list of the skills, knowledge, qualifications, experience, aptitudes and abilities that are required to perform the job. When we read your application form we will be looking for evidence of examples which demonstrate how you meet the criteria in the person specification. You must include sufficient evidence and examples to show that you meet the requirements.

PERSONAL DETAILS

For monitoring purposes we would ask that you provide the information requested on the Equal Opportunities Monitoring Form at the back of the application form. This form is removed before shortlisting and will be destroyed after monitoring.

CAREER HISTORY

This is the record of your work history. It may include periods of unpaid or voluntary work as well as paid employment e.g. you may include time spent as a carer for one of your family or a voluntary helper in a school. Please account for any gaps in your employment history.

If the title of the position does not make it clear what work you did e.g. twilight crew, canvasser, please briefly describe the main duties.

You may continue on another sheet if you need extra space.

EDUCATION, QUALIFICATIONS, TRAINING

The Person Specification may ask for specific qualifications or training. You should list the relevant qualifications or courses undertaken. Where you have additional qualifications or training, mention these if they relate to your knowledge or skills. Proof of qualifications will be required at interview.

STATEMENT OF SUITABILITY

This section is your opportunity to show us that you meet the Person Specification. Take each criterion of the Person Specification and tell us the details of your knowledge and experiences. Give specific examples of things you have done which demonstrate your ability.

When reading your application, we cannot assume that because you have experience you also have the ability to carry out a task and vice versa. You may have experience of managing staff, but we need to know how you motivated your staff. We don't expect you to have formal experience, but if you can show that you have the ability to do the component tasks, that will be equally acceptable e.g. to organise a meeting you need to be able to: liaise with others, book accommodation, organise refreshments, and compile agendas.

You may already have prepared a CV and want to send that instead of answering the Statement of Suitability. You may send it, but you must also complete the Statement of Suitability. CVs often list the jobs you have had and their responsibilities, but they often do not properly describe your skills and abilities. It is unlikely that we will be able to find enough evidence in a CV alone.

You may use examples and evidence from outside paid employment. You may use examples from voluntary work or your hobbies or interests.

PRE-EMPLOYMENT CHECKS & ONLINE CHECKS

If you are offered the post, the offer will be made subject to receipt of satisfactory references, online check, pre-employment medical clearance, an enhanced DBS disclosure and, for teaching staff, a check on your teaching qualification status. If your referees do not confirm what you have told us, we may want to discuss this with you.

We will ask you to complete an online Medical Questionnaire which will be sent to our Occupational Health Department. It is their job to make sure that you are fit to do the job we have offered you. In some instances,

you may be asked to go for a medical examination. You will also be asked to supply evidence of any qualifications that are required.

All employees are required to have DBS clearance. Unless you have a clearance issued within three months of being appointed, and have had no break in employment, we will require a new check to be carried out.

RELATIONSHIPS

We do not have a policy of excluding people who are related to school staff, Trustees or Governors, but if you are related to someone we will make sure that they are not involved in the selection process for this post. If we find out after you have been appointed that you are related to someone who interviewed you, we may dismiss you. 'Related' includes co-habiting with someone.

INTERVIEWS

Glenthorne has a policy of using a wide range of selection methods to assess whether people meet the criteria. All teaching staff will be asked to take a lesson but you may also be asked to take an ability test, do a presentation or other work related exercise. You will be advised of any method being used for the post when called for interview.

Prior to interview you will be asked to complete a Criminal Records Self Declaration, any issues of concern arising from a reference and/or Self Declaration will be explored during the interview process. At interview you will also be asked questions related to your Personal Statement, safeguarding and promoting the welfare of children.

COMPLAINTS

The school is keen to ensure equality of opportunity in its recruitment and selection process. If you think that you have been discriminated against during the selection process on the grounds of your race, age, gender, marital status, caring responsibilities, gender re-assignment, sexual orientation, social class, religion, belief or disability you may make a complaint and we will investigate. If you feel you have been unfairly treated you must contact the CEO, in writing, within 3 working days of being rejected after an interview. You should explain the reason for your complaint to the Headteacher, or his/her representative. The CEO, or his/her representative, may want to talk to you before confirming the outcome of the investigation.
