Background Information

Hinchley Wood School has a well-established reputation within the area for providing high quality education and excellent public examination results. This success is based on an approach which combines high expectations with sensitivity to students' individual needs.

In September 2011 Ofsted judged the school to be outstanding, highlighting the excellent progress all groups of students make as a key strength:

***“Hinchley Wood is an outstanding school – the students work exceptionally well together in this harmonious and cohesive community, and achieve outstanding outcomes.”
(Ofsted, September 2011)***

In Summer 2022, 90% of pupils achieved 5 or more GCSE level grade 4 or above, 87% achieved this benchmark including English & Maths. 47.7% of all GCSE grades achieved were grades 7 to 9. The number of students achieving the highest grades is particularly impressive; 213 grade 9s were awarded which is 12% of all grades achieved.

48% of all A-level grades achieved are at A/A*, a school record. 75% of all grades achieved are at A*-B and 88% of all grades achieved are at A*-C. Overall, an incredible 94 A* grades were achieved, another school record. 88 students achieved 3 or more A*-B grades. The majority of our leavers have gone onto higher education.

Well qualified and experienced staff work together to make this school a successful and happy community. We offer a rich, varied and stimulating curriculum as well as high class purpose built accommodation.

Particular importance is placed on recognising and rewarding individual achievement. Students are actively encouraged to participate in a wide range of artistic and sporting activities; many gain recognition at local and national level for their achievements. We have an enthusiastic and effective school council, a very active school sustainability group and a long-standing and popular tradition of student involvement in charity and community work.

We were one of the first schools in the country to be designated a Music College and to set up an education trust for the benefit of students. Trustees include representatives from local and international businesses, a university, a national charity and a local arts charity to help develop the creative potential of all students. In February 2012 the school acquired academy status. All of these initiatives have enabled us to offer a much wider range of learning opportunities to students.

Our effectiveness is dependent on developing good relationships with students and parents; the respect shown between staff and students is regarded as a particular strength of the school.

***“There is a highly positive ethos of behaviour for learning and achievement”
(Ofsted, September 2011)***

In July 2019 our status changed to become a multi academy trust. The Hinchley Wood Learning Partnership was formed and we welcomed Hinchley Wood Primary School into the Partnership in October 2019.

Extract from the Staff Code of Conduct

Our Code of Conduct sets clear guidance on the standards of conduct and behaviour expected from all staff at Hinchley Wood Learning Partnership (HWLP). The principles underlying the guidance aim to encourage staff to achieve the highest possible standards of behaviour and minimise the risk of inappropriate conduct occurring and to safeguard staff and pupils.

School staff are in a unique position of trust and influence as role models for pupils and other staff. Therefore, all staff must adhere to behaviour that sets a good example to all members of the school community. Staff have an individual responsibility to maintain their reputation and the reputation of the school, both inside and outside working hours and the work setting.

CORE PRINCIPLES

The welfare of pupils is paramount and all staff should always act, and be seen to act, in each child's best interests.

Staff should work, and be seen to work, in an open and transparent way. All staff working within HWLP are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions.

As part of the School's positive safeguarding culture, staff must have a regard for the need to safeguard children's well-being in accordance with statutory provisions. All staff should know the name of the overall Designated Safeguarding Lead (DSL), and must be familiar with child protection arrangements and understand that they have a responsibility to speak up immediately about safeguarding and welfare matters within the school, and to external agencies where necessary, to safeguard and protect pupils.

PROFESSIONAL BEHAVIOUR AND CONDUCT

- Staff are expected to demonstrate the highest possible standards of personal and professional conduct and behaviour and consistently act with honesty and integrity. Hinchley Wood Learning Partnership expects staff to treat each other, pupils, parents/carers and the members of the wider community with dignity and respect at all times. All staff must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
- Staff must act in accordance with their duty of care to pupils and ensure that the safety and welfare of pupils are given the highest priority.
- Staff must have regard for the ethos and values of the Hinchley Wood Learning Partnership and must not do or say anything which may bring the School or Trust Board into disrepute.
- Staff should act in accordance with the school's policies and procedures at all times.

Department Information

Geography

Geography is a strong and thriving department, staffed by a committed, collaborative and supportive team. As a result it is a popular subject choice amongst our students at Key Stage 4 and 5. Examination results at all levels are well above national averages and expected to continue on an upward trend.

The team consists of four members of staff, all of whom have different specialisms and levels of teaching experience. Lessons are taught in four dedicated, modern and spacious classrooms, all of which have interactive whiteboards with audio-visual capability. The department is well resourced, with current media resources and subscriptions.

In Key Stage 3, all students are taught in mixed ability learning groups. We build heavily on skills in Year 7, with a particular focus on mapping, before studying a broad range of more thematic Human and Physical Geography topics in Years 8 and 9. All students are encouraged to share ideas and opinions but working independently is also well embedded in our practice. Topics that students most enjoy are 'Extreme environments – Antarctica to Africa', 'Tectonic hazards' and 'China: an emerging economy'. Opportunities for learning also extend beyond the classroom through field trips.

Philosophy, Religion and Ethics Department

"The unexamined life is not worth living." (Socrates)

PRE at Hinchley Wood is a forward thinking subject. We aim to provide students with a reflective, academic and engaging insight into a variety of different worldviews and philosophical and ethical standpoints. Lessons are centred around active learning, and use a wide range of techniques to challenge our students. Each classroom has its own interactive whiteboard. We also aim to integrate the latest technologies into our teaching. We have a wide range of reading materials which students can access in both the library and through our own literature collection.

PRE is a very popular option at both KS4 and KS5. We currently teach around 75 students at KS4 and around 55 at KS5 and our commitment to academic excellence is at the forefront of our teaching and delivery

KS3 Curriculum

In Years 7, 8 and 9 we study one unit per half term, covering a range of different worldviews and moral and philosophical themes. Our aim is to challenge our students' way of thinking and to prepare many of them for the challenges of the GCSE course. In Key Stage 3, topics of study include:

Year 7

Judaism

The Development of the Church

The Life of Jesus and Holy Week

Year 8

Hinduism and Sikhism

Philosophical perception

Arguments for God

Liberation theology

Year 9

Human Rights and Religion in Conflict

How to live a Good Life including life after death

Where was God in the holocaust?

A summary of all exam results is available on our website here:

History

The History Department at Hinchley Wood School is progressive, creative and committed to achieving the highest possible standards.

In Key Stage 3, all students are taught in mixed attainment teaching groups. Regularly updated schemes of learning embrace the key ideas and concepts of outstanding History lessons, aiming to engage students and teach them relevant aspects of the History of Britain and the wider world. Year 7 students complete three core topics: a study of the Norman Conquest, a course on medieval kings and the power of the Church, as well as a chronological history of London. Year 8 and Year 9 focus on a mixture of significant British and international historical events.

Together, the History and Politics Department consists of nine committed and highly experienced members of staff. All lessons are taught in modern and spacious classrooms, all of which have interactive whiteboards and visualisers. We are well resourced in terms of textbooks and department resources on a shared computer drive and have Wi-Fi access in all classrooms. It is also possible to gain access to well-equipped ICT suites and the Learning Resource Centre.
