Required for Sept 2026
Temporary 1 year contract

Tanbridge House School is an inspiring place to work, where students and staff share the same goals and strive to be exceptional every day through our core values of Care Kindness and Achievement. We 'teach to the top' to ensure that students are challenged in all lessons. Staff are reflective and committed to continually developing their own practice.

If you love teaching, are passionate about Geography and want to be part of a brilliant team where you will receive outstanding professional development, then Tanbridge House School would like to hear from you.

The successful candidate will be:

- Enthusiastic, flexible, and resilient
- Determined to "make a difference" in young people's lives
- Ambitious for students and for themselves
- A reflective practitioner, always striving to be the 'best they can be'

Our Geography curriculum empowers students with the skills and knowledge to make sense of the dynamic world around them and inspire the imagination and desire to want to learn more about the physical, environmental and social interactions of the modern world. Our overarching aim is to ensure that pupils can gain a broad understanding of the workings of our world, and equip them with lifelong learning skills to understand, evaluate and reach conclusions about geographical themes and processes.

In 2025, our value-added score for Humanities was +0.9, indicating that on average, each student achieved almost one grade higher across these subjects. 62.9% of our GCSE Geography students achieved grade 5+, reflecting the excellent teaching throughout their time at THS. As you can see, we are a strong department that is looking to maintain this high-quality teaching and passion for our subject. We are also looking for someone who has the potential to develop their teaching and classroom skills over time.

An ability to teach Travel and Tourism would be helpful, but not essential.
