Welcome to **LET** Education Trust

Dear Colleague,

Thank you for showing an interest in a post at one of our schools. The LET Education Trust is a cross-phase multi-academy trust based in Lancashire with primary and secondary schools as members.

We believe that every child deserves the best education and we create opportunities and experiences for all of them to reach their potential. Building 'cultural capital' is vital for our pupils and this occurs from reception up to year 11 through trips, activities, projects, events and residentials, both at home and abroad. We are ambitious for our pupils, meaning we are always striving for excellence and supporting career aspirations through a culture of constant improvement.

Each of our schools is different and this is something we value and celebrate. The uniqueness of each school is emphasized and supported by strong central services and a school-centred and approachable central team. Most colleagues work in one school but some work across a range of schools where their skills and abilities are needed.

Collaboration is key for LET schools and at the forefront of this is staff development. Joint INSET days with keynote speakers, middle and senior leader training and subject links occur across and between schools and phases. To ensure consistency of approach and sharing of good practice we also have termly meetings for our Safeguarding Leads and our SENCOs, sharing this information is proving invaluable. School to school liaison around transition is also vitally important in ensuring our pupils arrive at secondary school with the necessary skills and helps ensure a smooth start to year 7.

One of the strengths of the LET Education Trust is school improvement, with a range of high-quality SLEs able to provide support where it is needed, both within and beyond the Trust. We also play a part Initial Teacher Training as part of our remit through the newly formed Embrace SCITT. We have successfully trained primary and secondary teachers over the last 10 years with a large number employed locally and within the LET Education Trust.

If you have the highest standards of professional endeavour, integrity and ethics and would like to be part of our MAT, I look forward to receiving your application. You can find out more about our Trust at www.let-edu.org

Best wishes

Dear Applicant,

Thank you for your interest in the position of Teacher of Humanities at The Hollins. We are a fully comprehensive school and serve a differing catchment area across Accrington and the surrounding area. Over 62% of our pupils come from E/E* areas of overall multiple deprivation, and prior attainment of our pupils is just below average. However, we achieve many great things with our pupils due to our committed, well-trained staff always going the extra mile to care for our pupil's welfare, character development and achievements. We are dedicated to improving the chances of all our young people, including our most vulnerable, pupil premium pupils, and learners with SEND and, as such, strive to offer as many opportunities for our pupils as possible, both within and outside of the classroom. We ensure that our staff engage in continual professional learning throughout their time with us, regardless of the level of experience, as we are committed to ensuring we can always get better.

This post has arisen because of the internal promotions of staff within the history, geography and EPR departments which has left an opening across these 3 subject areas. We are therefore looking for a professional who can work across these successful departments, mainly at KS3. This post would suit experienced staff or ECTs since there is much depth of expertise in all 3 of these subject areas. There will also be a chance that the successful candidate will support across literacy and numeracy development, meaning that people who have a **primary background** are welcome to also apply.

Our recent transition to becoming an academy is helping cement further collaboration with other professionals, and will allow us to continue to further develop our practice. The LET Education Trust is an inclusive trust recognising the importance of providing for and investing in the adults of tomorrow.

This is an excellent opportunity to join a successful team of professionals. **Should you wish to speak to me (on an informal basis), please do not hesitate to contact me.**

We look forward to receiving your completed application form together with a letter of application.

Yours faithfully,
Mrs S Haydock
Headteacher, The Hollins

SUPPORT FOR OUR STAFF

Encourage a climate of connecting with people

At The Hollins we encourage collaboratively working and sharing our moments with each other, both within the school and further afield in the hope that both professionally and personally all our staff feel less isolated and more connected. We are human beings first and foremost and, as such, must look after and care for our well-being.

Driving down unnecessary workload

We strive to ensure that we support the DfE Workload Reduction with suggestions like ensuring that our calendar reflects generous department and CPD opportunities, not submitting regular lesson plans, no expectations that all staff will mark in a specified manner, and only collecting data that is purposeful and used multiple times.

Quality staff professional development

We value staff development above all else and this engenders a sense of confidence and motivation for staff. We treat our staff like the professionals they are by engaging in the Disciplined Inquiry approach to appraisal and development, which gives staff the responsibility to consider their own individual needs in order to continue to develop and improve.

Measure and respond to staff voice

Our thrice-yearly staff questionnaires allow staff the opportunity to let us know how they are coping with the demands of work, along with how they are coping generally. However, leadership doors are always open for continual conversations around this.

Looking after our mental health

We have staff who are trained mental health first aiders who are ready, willing and able to support.

You can also have look at the wellbeing charter which you can find on the LET Education Trust's website vacancy page.

ABOUT OUR 7 VALUES

These 7 important values underpin every decision we make.

Kind

Honest

Resilient

Reflective

Respectful

Responsible

Aspirational

Alongside the 7 values, we also have our vision, self-evaluation and our school improvement plan. None of these stand alone. They work together to ensure that we at The Hollins do our very best for our pupils and they have a positive experience, fulfilling their potential both academically and personally, celebrating our differences and developing the character to make their mark in the world. Our pupils are encouraged to "Strive for Success" and fostering these values will help them to achieve their success.
