

## Teacher of ICT and Computer Science (MPS/UPS)

Required for 1 September 2023, a well-qualified and enthusiastic teacher of ICT and Computer Science to teach across the full age and ability range. The post holder will be required to teach Computer Science at both GCSE and A Level. Applications are welcome from teachers at any stage in their career; also from early career teachers, for whom the school runs a comprehensive induction programme.

William Farr is a popular, rural comprehensive school. The school gained academy status in 2011 and has approximately 1450 students on roll. In 2022 OFSTED judged the school to be good in all categories in its first inspection since 2009.

To apply, please complete the Teaching Staff application form available on the school's website (<a href="https://www.williamfarr.lincs.sch.uk">www.williamfarr.lincs.sch.uk</a>) and email this to <a href="https://www.williamfarr.lincs.sch.uk">hr@williamfarr.lincs.sch.uk</a>)

Postal applications should be addressed to Tom King (HR Officer) at the school.

In the box on the application form "Further information to support your application", please include a letter detailing your experience to date and the contribution you will make to the role.

The closing date for applications is Thursday 23 March 2023 at 9.00am

Interviews are scheduled to take place Thursday 30 March 2023

Applicants who have not been contacted by Monday 27 March 2023 should assume that their application has not been successful on this occasion. Feedback will only be provided to candidates attending for interview.

William Farr School is committed to the safeguarding of children, and all posts within school are exempt from the Rehabilitation of Offenders Act 1974. Applicants are required to reveal information concerning all convictions, including those which would otherwise be considered as 'spent'. The successful candidate will be required to undertake an enhanced background check by the Disclosure and Barring Service (DBS).

References will be taken up prior to interview.
