Message from Department

Are you an exceptional middle leader who is able to drive outcomes within a department and at a wider school level?
Are you an innovative practitioner who can design an engaging responsive curriculum?
Are you excited about raising outcomes in a vibrant urban school?

From September 2021, St Marks Academy is looking for a creative practitioner to lead the development of Computing and ICT and provide our students with exceptional outcomes. As the Head of Computing/ICT you will drive the development of an exciting digital curriculum from KS3 to KS5, including driving outcomes across the department. You will lead by example, supporting and empowering your department's teachers, staff and pupils to achieve to the best of their ability. The role will include leading Computing/ICT and managing Business Studies, as well as the opportunity to develop ICT across the curriculum and drive digital literacy in the Academy.

How to Apply

Please fill out an application form and send it to our HR team on hr@stmarksacademy.org.uk. If you have any questions, please do email us or call the school on 020 8648 6627.
