

Kimberley
School

ICT TEACHER

Application Pack

Full Time Teacher of ICT

Starting 30th August 2022

Dear Applicant

Kimberley School is an exciting place to work. Our aim is for every child to achieve or surpass their academic and social potential and we achieve this through providing an outstanding quality of education, underpinned by a strong programme of care, guidance, support and enrichment. We are determined to take every possible step to ensure that ICT is a strong and successful part of our curriculum. In recent years we have adjusted our Key Stage 3 curriculum so that students have the opportunity to develop the ICT and Computing knowledge and skills that they will need to help prepare them for a successful adult life. Cambridge Nationals in IT, Creative iMedia and the Cambridge Technicals in IT are popular and successful choices in our Key Stage 4 and Key Stage 5 curriculum respectively.

If you have a passion for teaching ICT then we want to hear from you. There may be the opportunity for a candidate with suitable experience to teach in the Sixth Form. This post is suitable for experienced candidates who are looking to work with an outstanding team; or for Early Career Teachers. As a lead partner in the East Midlands Teacher Training Partnership and an early adopter of the Early Career Framework, we are well placed to support teachers at the start of their career.

You will be an integral part of the ICT team and you will be working with a team of professionals who have an excellent track record of success and focus relentlessly on ensuring that students enjoy learning and make outstanding progress. You will benefit from the line management of our outstanding ICT Performance Leader. As part of East Midlands Education Trust there will also be the opportunity for you to learn from the very best and prepare you for the next stage of your career.

All staff are recruited under our safer recruitment processes, in line with DfE requirements, which includes an enhanced DBS check. We have a suite of safeguarding procedures, policies and guidance for all of our staff and volunteers to ensure we actively promote children and young people's welfare and safety.

We are also committed to equality of opportunity in employment and it is our policy to promote equal opportunities in employment, regardless of race, colour, nationality, ethnic or national origin, creed, disability, sex, age, marital status or sexual orientation. This applies to recruitment and selection practices, training, promotion and in the application of national and local agreements in respect of pay and conditions of service.

This application pack includes a job summary, job description and person specification. Applications must be made on an EMET application form which you can download from the [East Midlands Education Trust website](#). Please note that CVs will not be accepted. When you complete the application form please set out in your answer to question 6:

- how your experience and qualifications have prepared you for this position; and
- the steps you will take to ensure that the students you teach enjoy learning and make good progress.

Whilst current national restrictions remain in place all interviews will be conducted online.

If you have any questions or would like an informal discussion about the post please contact Wendy Bellamy, Leadership Support Team Leader, by email - hr@kimberleyschool.co.uk

Closing date for receipt of applications: 9am on Wednesday 2nd February.
