TEACHER OF ICT and/or COMPUTER SCIENCE (M1 – M3)

FULL-TIME OR PART-TIME

REQUIRED FOR SEPTEMBER 2023

We are seeking to appoint a well-qualified and enthusiastic teacher of ICT with a particular strength in teaching computer programming. The candidate will join a vibrant, diligent and supportive Faculty where teachers are committed to developing learning strategies, which challenge and enthuse all of our students. This is an excellent opportunity for a newly qualified specialist or a more experienced teacher to deliver ICT at all Key Stages. With the development of our curriculum, as a school we are looking to broaden our vocational opportunities to endeavour to provide the appropriate level of education for all. The ability to teach an additional subject, Computer Science and/or Business Studies, to pupils at KS4 and KS5 would be an advantage.

JMHS was inspected by OFSTED in November 2022 who confirmed our good grading and whose comments included:

- Pupils behave well. They are polite to their teachers and considerate of their peers.
- Parents rate teachers' high expectations because they push pupils to do more. Many say teachers go 'above and beyond' for their children.
- Pupils can do unusual stuff at this exciting school.
- School leaders have constructed a rich and engaging curriculum.

The school has excellent pastoral care based around small tutor groups, and there are many enrichment opportunities for students.

We welcome informal enquiries. If you would like to discuss the position further please contact Lana Laidler Assistant Headteacher, via email Lana.laidler@jmhs.hereford.sch.uk
