Job Application Pack

Welcome

Thank you for your interest in this position of Teacher of IT and Business Studies at Rudheath Senior Academy. I am delighted to welcome you to our school, where you will be sure of a warm and welcoming community, at the centre of which are the values of excellence and kindness.

With the highest calibre of teaching and support staff, our culture and team ethos is very much set around high ambitions for children and a relentless passion to open their eyes to the wonderful world of possibilities.

It's not just our people who make Rudheath a special place to work, but our physical spaces are also world class. Over £10m has been invested to renovate facilities for both children and staff. This investment has produced facilities that are second-to-none and enabled specialist teaching across the curriculum.

Our teachers are crucial to the success of Rudheath and they offer invaluable support to our pupils right the way through from Year

6 and their transition to secondary school to the moment they leave us in Year 11.

As a small secondary school, our heart extends beyond the gates of Middlewich Road and out to our local partners, charitable organisations, and feeder primary schools. As a result, it is our vision for Rudheath Senior Academy to be an oversubscribed school where all students, staff and parents are proud to belong to.

We make a promise that every pupil will leave here as a resilient, independent, and happy individual, and to make that happen we will be relentlessly ambitious about creating remarkable experiences and making memories that last a lifetime.
