

## Teacher of Languages (French) from September 2021

### The School

Queen Elizabeth's Grammar School was founded in 1509. A former Direct Grant Grammar School, it now caters for approximately 1250 pupils and students. The QEGS family currently consists of the Primary Phase (ages 4-11), Senior Phase, (11-16) and Sixth Form (16-18). The School is fully coeducational. In September 2019 the School was one of the first in the country to undergo an Ofsted inspection under the new framework and was awarded 'Good with Outstanding features'.

During the late 1980s and 1990s with the demise of the Assisted Places Scheme, Queen Elizabeth's Grammar School as an independent school gradually became a smaller school and although what we did was good we decided that an alternative model would be better for securing our future and enabling us to remain true to our original roots as a school for pupils and students of diverse backgrounds without charging fees. Thus we became a Free School in September 2014, creating many opportunities for increasing the breadth of our curriculum and extra-curricular activities. Our ethos remains the same: a commitment to high aspirations for all and educating pupils and students so they become well-rounded, confident individuals who will go on to make a positive contribution to society.

The school enjoys a reputation for academic excellence. It continues to draw pupils and students from a wide area of north and east Lancashire. Students proceed to the universities of Oxford and Cambridge, as well as other well renowned institutions and almost all the Year 13 students go on to university.

Equally, the school remains committed to a wide range of extra-curricular activities. Facilities are excellent, including a large sports hall, swimming pool and Sixth Form Centre. Investment in CPD is generous with staff taking part in a wide range of internal and external courses designed to improve and support teaching, learning and curriculum delivery. Innovative and up-to-date in our approach, we nonetheless remain conscious of our long and fine tradition.

The successful candidate will be in sympathy with the aims and ethos of independent education (without fees) and will wish to participate in the extra-curricular life of the school.

Academic results are good and are consistently improving. Typically, over a quarter of A levels are graded A\*/A, half are graded A\*/B, and the pass rate is close to or at one hundred percent. At GCSE, Progress 8, Attainment 8 and the percentage gaining English and Maths are very strong. At Key Stage 1 and 2 we consistently achieve well, particularly in the externally examined aspects. More information is available through our website. The school is oversubscribed (over 300 applicants for 100 places in Year 7 in the last academic year).

**At Queen Elizabeth's we are committed to the safeguarding of children, as the successful applicant will be. Our safeguarding policy, which is regularly reviewed, is on our website. All offers of employment are conditional upon appropriate checks, including an enhanced DBS and Prohibition List check.**

### The post

The School seeks to appoint a Teacher of Languages from September 2021, with a specialism in French. Ideally the preferred candidate will also be able to offer German up to at least GCSE.

QEGS has a pay scale above CPS and remuneration will be set according to qualifications and experience. All teachers are members of the Teachers' Pension Scheme.

Applicants must have a good, relevant degree and have a PGCE.

## The Faculty

French or Spanish is taken by all pupils entering QEGS in Year 7. They continue with this first modern foreign language in Years 8 whilst also studying German. From Year 8 pupils also study Latin. KS3 pupils use the *NCELP/Studio*, *Así* and *Na Klar* courses for French, Spanish and German respectively, supplemented by bespoke materials created by members of the Department. All pupils take at least one language to GCSE, with French, German, Latin and Spanish proving to be equally as popular as each other. At GCSE the AQA course is followed, with the OUP coursebook being the textbook of choice. Extensive use is also made of the website-based Kerboodle subscription which pupils can access at home as well as at school. Similarly, we follow the AQA course at A level, using the OUP coursebook and the associated Kerboodle resources as a starting point for study. Pupils are encouraged to participate in our well-established trips to Berck-sur-Mer, Aachen, Cantabria, Paris and Berlin. The Department is situated in the Queen's Wing in the heart of the School and makes good use of the Sanako language software in the Language Laboratory as well as using a wide range of digital tools.

It would be desirable, therefore, if prospective applicants were not only highly proficient in the language and as teaching practitioners, but were also computer-literate and keen to exploit the school software as well as online tools to enhance the pupils'/students' learning.
