Full or part time considered

Salary negotiable within the range of £31,650 to £49,084

We are seeking to recruit a well-qualified and enthusiastic graduate to teach Mathematics. The successful candidate will join a team of committed and inspirational teachers who are all passionate about their subject. We are looking for excellent subject knowledge with a flair for creative teaching.

We welcome applications from experienced and newly qualified teachers. You must demonstrate your passion for Mathematics and be able to teach across KS3 and 4, delivering consistently high-quality lessons to pupils of all ability levels, instilling in them a love for the subject and the ability to make beyond expected progress.

Alsager School is a fantastic place to work with motivated and well-behaved students, a committed and experienced governing body, dedicated staff and supportive parents. We offer exceptional teacher training and a full range of professional development opportunities.

Children of all abilities make impressive progress throughout the key stages and Alsager is one of the highest performing schools in Cheshire East. As a school and sixth form college we have maintained our annual high averages in key measures both across GCSE and A-Level results. We are proud that an overwhelming majority of our students achieve the grades they need to access the next stage of their education including their first or second place university.

We can offer you exceptional CPD; we are part of the "Cheshire Teaching School Hub", a comprehensive induction programme, a laptop, reduced staff membership rates at the on-site Leisure Centre Fitness suite and there are excellent road and rail links to Alsager.

If you think you can contribute to the department's future success, either contact Ashley Owen, H.R. Manager, on a.owen1@thecornoviiitrust.org or download the relevant files from the school's website: www.alsagerschool.org and email your application to us on: jobs@thecornoviiitrust.org
