**HITCHIN BOYS' SCHOOL**

An Academy Trust

## **TEACHER OF MATHS**

**Main or Upper Pay Scale**

**Full or Part Time**

**Experienced or ECT Opportunities**

Join an OUTSTANDING school!

Hitchin Boys' School (HBS) is a high achieving, over-subscribed comprehensive school with a mixed sixth form, which forms part of the highly successful Hitchin Schools' Consortium. We have a history that stretches back nearly 400 years but embrace fresh thinking and a modern, vibrant curriculum. We have high expectations, excellent standards of behaviour and pride in our extra-curricular activities that lead to academically successful and well-rounded students who are well equipped for life beyond school. Following Ofsted's visit to Hitchin Boys' School in September 2021, we were delighted to announce that we have once again received top marks by retaining the judgement of 'Outstanding'.

- ◆ A highly performing school with an academic ethos, with every student making exceptional progress
- ◆ A broad curriculum, with over 30 subjects offered at A-level via the Hitchin Consortium
- ◆ A campus that is historic but has also had £5m+ invested in new facilities in recent years
- ◆ An ethos that emphasises both learning and life, with rich experiences beyond the classroom
- ◆ A 'Blended Learning' approach with Chromebooks used in lower school and laptops in sixth form
- ◆ A commitment to professional development, with a strong internal and external training offer
- ◆ A place to grow your career with the potential for wider responsibilities and to take part in an unrivalled offering for extra-curricular clubs, trips internationally and community projects.

We wish to appoint an enthusiastic and able teacher of Maths to teach Key Stage 3 & 4 to join our school. The opportunity to teach Key Stage 5 could also be available for the right candidate. The successful candidate will have the ability to motivate all students and to bring new ideas as the school builds on its excellent status.

The Maths department enjoys excellent leadership and comprises a team of outstanding teachers constantly striving for excellence. It is a large department with a wide range of teaching experience. The department curriculums are well resourced and there is often a collaborative approach to planning, where sharing of best practice is commonplace. The Maths department is a forward thinking department and the recent roll-out of chrome books for students brings exciting and enhanced teaching and learning opportunities.

The appointment would suit an experienced or early career teacher as the school provides a thorough and successful training programme. Applications from those wishing to contribute to other aspects of school life outside the classroom are particularly welcome. A full induction programme is provided for all new staff.

Hitchin Boys' School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An enhanced DBS check is required for all posts.

Further details and an application form are available on the school website. Completed forms should be emailed to Mrs Becky Rose, PA to School Business Manager at [brose@hitchinboys.co.uk](mailto:brose@hitchinboys.co.uk).

**Closing date: 12 noon Wednesday 1<sup>st</sup> December 2021; Interviews: w/c 6<sup>th</sup> December**
