Welcome

Queen Mary's Grammar School was founded in 1554 by Mary Tudor. We have been shaped by our past and are proud of our traditions, but we are also confident of an exciting future as we help to shape the new educational landscape with our partners in the Mercian Trust.

Queen Mary's is an academically selective school. It is our aim to support pupils to achieve their full academic potential. We value the life of the mind and want to pass on a love of learning.

Outside the classroom, we offer a range of life-enriching opportunities: time at our Field Centre in Wales; membership of our thriving Combined Cadet Force; individual and team sports; foreign exchanges and travel; participation in music, debating and public speaking and many other activities. We believe that achievement and enjoyment go hand in hand.

We equip our pupils to meet the challenges of a rapidly changing world. Most choose to go on to higher education. Through partnership between School, pupil and parents, we aim for the examination success that will open doors to the very best universities and international employers. It is our mission to attain excellence in all that we do.

Our House system celebrates the four pillars of school life at Queen Mary's: an academic focus, an international ethos, an enterprising spirit and a sense of community. We enjoy our social, cultural and ethnic diversity and recognise our many privileges. We are keen to share what we have - experience, expertise, enthusiasm - both with those who live on our doorstep and those from further afield.

To do so is very much in the spirit of our motto *quas dederis solas semper habebis opes*: it is what you give that you will keep as eternal riches.

Richard Langton

Headmaster

About Us

Queen Mary's Grammar School is an invigorating and rewarding place to work: the pupils are intelligent and committed to study; the staff are friendly and forward looking. It is more than just a place of work – it is a thriving community, proud of its past and confident of its future. In March 2023, it was recognised as 'Outstanding' in all areas by Ofsted.

There are currently almost 1400 pupils on roll, including over 450 in the Sixth Form. The School has an outstanding academic record and regularly features at the upper end of the national league tables. In 2023, 69% of GCSE grades were 7-9 (A*/A) and 64% of A Level grades were A*, A or B. We are especially proud of our value-added scores, which regularly place us among the top schools in the country for progress. We do not rest on our laurels, but encourage all our pupils to realise their full potential.

In June 2011, the School converted to Academy status and we have undertaken a series of exciting building projects since then, including a new Sixth Form Centre, science labs and a humanities wing, music and PE refurbishments, extensions to existing English and maths classrooms, as well as a new dining room and reception. We were a founding member of the Mercian Multi Academy Trust (along with five other schools) in January 2018. Over the past few years, we completed projects to add additional capacity through the building of extra science rooms, a humanities block and a sixth form study annexe.

The School encourages an enterprising and international outlook: trips, expeditions and exchanges have gone all over the world in recent years, as well as a wide range of vibrant and formative educational visits and experiences closer to home such as theatre visits, visiting speakers and the mental health ambassadors programme. We are proud to appear in Ross Morrison McGill's recent book *Just Great Teaching*, showcasing our mental health work.

We want our pupils to lead happy and fulfilled lives. Learning here is not just about passing exams, but about enjoying the life of the mind. We also encourage all our pupils to take part in a wide range of enrichment activities in music, sport, the Combined Cadet Force and at our Field Centre on the Afon Mawddach in Southern Snowdonia. We have been named in the Top 100 cricket schools by the *Cricketer Magazine* for the second year in succession.

Our pupils come from diverse backgrounds, but they all thrive on the sense of support, encouragement and care that characterises Queen Mary's.

Benefits of working at Queen Mary's Grammar School

- teach gifted and intelligent students who have a real motivation to succeed
- a thriving and expanding school that achieves examination success, particularly at GCSE level
- professional autonomy in the classroom – you are encouraged to teach in a style that suits you and your subject
- a Headmaster and Senior Leadership Team that operate an open-door policy to support colleagues personally as well as professionally
- we take our mental health seriously, considering workload and staff wellbeing
- a dedicated induction programme for new staff and ECTs to ensure you are supported at whatever stage of your career you join us
- opportunities to play a role in the wider life of the school, including involvement in the CCF, music, debating, drama, coaching of sports teams and other trips and opportunities, such as visits to Farchynys (our Welsh field centre)
- career progression – many of our current middle and senior leaders are “home-grown” promotions from within.

The Mathematics Department

The mathematics department at Queen Mary's is a happy and rewarding place to work. Our pupils have outstanding natural ability in the subject and their teachers gain great pleasure in stretching them to achieve the highest possible standards.

The Head of Department brings great enthusiasm in his leadership of the department and in stretching the most able to aim high. We are fortunate to have such an experienced, motivated and highly qualified team working alongside him. There are currently 11 highly-qualified and gifted members of staff working within the department and there is a real sense of teamwork in everything that they do.

The department enjoys outstanding success in examinations: an impressive 92.5% of the 2023 GCSE cohort obtained grades 7-9. The most able students complete the GCSE and the FSMQ in Year 11. It is no surprise, then, that it is the most popular A Level subject in the school and there are currently 17 sets across the two years of the sixth form and 5 Further Mathematics groups; expanding to 19 and 6 sets respectively for 2024-25; as well as a Year 12 Core Mathematics class. 64% gained A*, A or B grades in A-Level Mathematics, and 70% A*, A or B at Further Mathematics A-Level in 2023 with many students studying mathematical related courses at university. This job opportunity therefore provides the chance to teach gifted children from Year 7 all the way up to A-Level Further Mathematics students.

There are good opportunities for purposeful career development and active support in trying out new teaching ideas. Staff are serious about the job of realising the potential of every student, but they enjoy the process too. All members of the department play a key role in the wider life of the school, from involvement in the CCF and music, coaching of sports teams, organising charity events and house competitions.

The Role

Job Title:	Teacher of Mathematics
Start Date	September 2024
Grade / Salary:	MPR/UPR
Contract	Full-time Permanent

The successful candidate will:

- teach Maths to all year groups from Year 7 to 13.
- The capacity to teach A-Level Further Mathematics would be an advantage.
- plan and teach challenging and differentiated lessons which enable high levels of progress.
- maintain discipline in lessons to ensure that learning can take place.
- use a diverse range of teaching strategies and ICT to engage students and to deepen mathematical understanding.
- mark students' assessments, giving constructive feedback to aid improved performance, and monitor their progress.
- work alongside colleagues and students in mentoring and intervention sessions.
- use relevant student data to help pupils to achieve their full potential.
- communicate regularly with the Head of Department about pupil performance and achievement.
- make an active contribution to the co-curricular life of the school.

Person Specification:

- well-qualified graduate, whose degree includes mathematical content.
- hold, or be working towards, a Postgraduate Certificate of Education or equivalent teaching qualification in secondary education.
- passionate about the academic rigour of their subject and all that maths entails.
- committed to diversity and representation in teaching and learning.
- a genuine team-player; resilient and blessed with a sense of humour.
- ability to see the bigger picture and work accordingly.
- positive and enthusiastic in approach.
- excellent oral and written communication skills.
- effective ICT skills.
- commitment to support the Head of Department and the team.
- willing to be involved in the pastoral life of the school and act in the role of Form Tutor.
- commitment to the wider ethos of the school and a willingness to contribute to enrichment activities – please be aware that candidates submitting generic applications, which make scant or no reference to the school, will not be shortlisted.

NB You must be suitable to work with children. This job is subject to an Enhanced Disclosure.

Closing Date: Sunday 19 May 2024 – 9:00am

Interviews: W/C Monday 20 May 2024

Queen Mary's Grammar School is committed to safeguarding and promoting the welfare of children and young people and all applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service. Safeguarding and Safer Recruitment Policies can be found on our website.

The Mercian Trust

Queen Mary's Grammar School is a Founder Academy of the Mercian Multi-Academy Trust. According to the National Schools Commissioner, Sir David Carter, MATs exist:

- to secure school improvement and develop people
- to encourage good governance and proper risk management
- to secure the financial health of all its academies.

We sign up to those ambitions. In our MAT, the Mercian Trust, we choose to pursue life to the full in the business of education.

We are convinced that we are stronger together. The Mercian Trust is already helping to shape the educational landscape in exciting ways. We welcome you to be part of that story.

The members of The Mercian Trust are: Aldridge School, The Ladder School, Queen Mary's Grammar School, Queen Mary's High School, Shire Oak Academy, Walsall Studio School, Q3 Langley, Q3 Great Barr, Q3 Tipton

Our schools prepare pupils to live life to the full by equipping them to realise their full potential as learners; to thrive in the world of work; and to make a positive contribution to the local, national and international community.

The Mercian Trust respects the autonomy of its member schools but, through collaboration, it will foster strengths greater than the sum of its parts. Put simply, the Trust provides a framework for sharing expertise, enthusiasm and experience.

Working within The Mercian Trust provides staff the opportunity to opt in for various staff benefits - from discounts on everyday purchases, to the Cycle2work and Tusker Electric Car Scheme, through to the Simplyhealth plan. There are also opportunities for new benefits that may come online in the future.

Location

Queen Mary's Grammar School
Sutton Road
Walsall
West Midlands
WS1 2PG

Tel: 01922 720696
Fax: 01922 725932

Queen Mary's Grammar School is located on the Sutton Road, in the leafy south of the town and close to the centre of Walsall. Travel to the school is very convenient, being approximately 10 minutes' drive from both junctions 7 and 9 of the M6.

There are good bus links from Birmingham to Walsall (with the 51 and X51 buses) and there is a direct train route to Birmingham from nearby stations in the town centre, Bescot Stadium and Tamebridge Parkway.

The close proximity of Walsall, Wolverhampton and Birmingham City Centre provides excellent access to shopping, leisure facilities, museums, cinemas and a wide range of nightlife.

House prices in Walsall are also very competitive compared to the Midlands as a whole and there is a range of good local primary schools and nurseries for those with young families seeking to move close to Queen Mary's.

You are very welcome to visit the school. Please contact Simran Sahota, s.sahota@gmgs.merciantrust.org.uk to arrange a visit.
