School Overview

Our Mission Statement

Roundhay School is all about its pupils and we will do **'whatever it takes'** to ensure that each one reaches their full potential. We will never put limits on what our pupils can achieve, regardless of background or circumstance. Our focus on developing character, instilling confidence and a love of learning whilst teaching the importance of kindness, manners, and respect. We want all our pupils to make a positive contribution to school life and society, continuing to learn and develop for the rest of their lives.

Always responsible. Always resilient. Always ready to learn. Always Roundhay.

Our Pupils

The school population reflects the cosmopolitan nature of modern Leeds. The pupils come from a very wide variety of socio-economic and ethnic backgrounds; more than 27 languages are represented, with around 60% of our pupils drawn from the black and ethnic minorities. This gives the school great strength in its many endeavours and relationships.

'Pupils thrive academically and personally at Roundhay School'. Ofsted

We currently have around 2500 pupils in this 4-18 co-educational community comprehensive school, making it one of the largest within Leeds. Our specialist Dyslexia Base, our SEN provision, and our 500+ strong and very successful Sixth Form (one of the biggest in the region) are just some of our many strengths.

'Pupils behave very well'. Ofsted

'Pupils show exceptional levels of respect for others'. Ofsted

In September 2012 we became one of the first 'all-through' schools in the region, growing with a new intake every year. Our first primary cohorts joined up with the secondary aged pupils in September 2019. We have a separate £4.8 million purpose built Primary Campus located just a mile away from the Secondary Campus.

We are proud of our examination success at all key stages. At our Sixth Form, over 35 qualifications (including A Levels, BTECs and Cambridge Technicals) are taught and with excellent achievement we find that the majority of our students are able to progress to higher education including students going to Oxford and Cambridge Universities.

We have the highest expectations of every pupil and strive to achieve high standards in all that we do, both academically and socially.

'The school aspires for all pupils to be 'Recognisably Roundhay – responsible, resilient, and ready to learn'. This is something that pupils live out daily.' Ofsted

Our Staff

'Staff know each pupil individually. They work tirelessly to provide exceptional support'.
Ofsted

We are fortunate to have highly committed, professional, and friendly staff, who have worked hard and successfully to establish a thriving learning community. Many staff have sent, or currently send, their own children to Roundhay, which is a real vote of confidence.

We also have other pupils who come from families with parents professionally involved in education, which helps to keep us on our toes! We take seriously the professional development of all our staff. As a school, we are heavily involved in Initial Teacher Training and are a strategic partner within a Teaching School Alliance (Red Kite) which involves sharing outstanding practice across four local authorities. School improvement and self-review are central to our drive to raise standards. We have around 270 staff, both associate and teaching, who work very hard as a team to ensure they support both the pupils and each other.

'The school has a 'whatever it takes' approach'. Ofsted

Our Location

The school's two campuses are situated in north-east Leeds, adjacent to Roundhay Park, and are surrounded by highly sought-after owner-occupied houses. The settings can only be described as impressive. The schools' grounds are magnificent; the campuses cover over 30 acres of parkland combined. We also serve some of the most economically and socially deprived areas of the city, as well as more favoured wards, giving us the rich mix of pupils that makes us a 'true comprehensive'. Currently, around 21% of our pupils are classified as being Pupil Premium children with 15% currently entitled to free school meals.

'All adults have a relentless focus on identifying and addressing barriers to learning to help all children to succeed'. Ofsted

Our Facilities

We have very good facilities, and since our Secondary Campus was rebuilt in 2004, we continue to invest heavily in ICT and in improving facilities to enhance the learning and teaching experience of pupils and staff alike. We expanded with a £4.8 million purpose built Primary campus in 2012 and a £12 million Pavilion building and artificial pitch on the Secondary site in 2017.

'Across the school, teachers have a shared understanding of the high-quality teaching approaches that best support pupils learning'. Ofsted

Our School Organisation

Our separate Primary Campus introduces two forms each year and houses upwards of 420 children. The Primary school day starts at 8.55am and ends at 3.20pm.

At our Secondary site, pupils are grouped for registration and for Personal, Social, Health and Citizenship Education in mixed-ability form groups. For teaching purposes, pupils are placed in a variety of groupings as appropriate, including setting and some mixed-ability grouping. Lessons at the Secondary Campus are 50 minutes in length, six per day, although the vast majority are double lessons. The secondary school day commences at 8.20am and finishes at 3.00pm, followed by extra-curricular activities.

'The expectations for what pupils will know and be able to do at the end of each stage of education are exceptionally high'. Ofsted

Our Pastoral Organisation and Leadership

Each campus (Primary and Secondary) has a Head of School. At the Secondary Campus Years 7, 8, 9, 10 and 11 are led by Heads of Year, assisted by teams of tutors, and overseen by member of the Leadership Team. Our Assistant Headteacher: Director of Sixth Form and her team are supported by Academic Mentors.

There is a strong tradition of support for both pupils and colleagues. Our Academic Support Tutors, Mentors, Behaviour Support workers and Raising Achievement teams have had a powerful effect on the positive implementation of our social inclusion strategies.

'Leaders act with a relentless moral purpose. They are committed to supporting every pupil and member of the staff team. They actively seek ways to manage staff workload and well-being. Staff are proud to work in this exceptional school'. Ofsted
