Letter from the Headteacher

Dear Colleague,

Thank you for your interest in joining Hodgson Academy. I joined Hodgson in 2009 as a newly qualified teacher and over the years I have held a number of leadership roles, and I am now honoured to lead this incredible school from the start of this academic year. It is a privilege to work alongside such a dedicated, passionate, and talented team of professionals who are committed to transforming the lives of young people.

At Hodgson Academy, we are united by a shared purpose: *One Team, One Dream*. This ethos drives everything we do, ensuring that every student who walks through our doors is given the best possible chance to succeed. Our mission—*Imagine, Believe, Achieve*—embodies our commitment to nurturing well-rounded, resilient, and confident individuals who are prepared to thrive in an ever-changing world.

We live and breathe our core values, fostering a culture of aspiration, belief, and achievement:

Imagine – We set the highest aspirations for our students, inspiring them to dream big and reach their full potential.

Believe – We instil resilience, support, and safeguarding, ensuring that every student feels valued and empowered to succeed.

Achieve – We develop the whole person, equipping students with both the knowledge and character to embrace the challenges of life beyond school.

This along with our simple rules: **PAUSE** and **CARE** mean that for children at Hodgson Academy, *who you leave as is as important as what you leave with*. Together, we shape futures and transform dreams into reality.

The landscape of education is evolving rapidly, and the challenges facing our students and their families are greater than ever before. That is why our work has never been more important. We are looking for professionals who share our vision, who believe in the power of education to transform lives, and who are willing to go above and beyond to ensure our students reach their full potential.

As a school, we are ambitious for our students and our staff. We have high expectations, and we are committed to providing a supportive, collaborative, and inspiring environment where everyone can excel. Whether inside the classroom or beyond, every member of staff plays a crucial role in shaping the future of our students. That is why we value teamwork, mutual respect, and a culture of continuous improvement.

Our commitment to excellence is reflected in our results, and we are determined to build on past successes to reach new heights. We are striving to return to the high standards we know our students can achieve, and we believe that success breeds happiness. More than anything, we want our students to be happy, confident, and ready to embrace the opportunities that lie ahead.

If you share our values and aspirations, if you are passionate about making a difference, and if you are eager to be part of a dynamic and supportive team, then I encourage you to apply. At Hodgson Academy, we believe in empowering our staff, fostering innovation, and providing opportunities for professional growth and development.

Thank you for considering Hodgson Academy as the next step in your career. I look forward to the possibility of welcoming you to our team and working together to make a real and lasting impact on the lives of our students.

Mrs Shabnam Khan

The Mathematics Department at Hodgson

The mathematics faculty at Hodgson consists of colleagues who deliver the Mathematics, Statistics and Level 2 Further Mathematics curriculum.

Personnel

There are currently eight full-time teachers and three part-time within the faculty, all of whom operate under the direction and guidance of the Head of Department.

Mr W Metcalf BSc	Head of Mathematics
Miss A Kirk BSc	Assistant Head of Mathematics
Mr S Stott BSc	(Director of Finance and Resources)
Mrs Aionesei BA	(Senior Assistant Headteacher)
Mr S Pegg MA	
Mr K Moyle BSc	
Mrs M Sharratt BSc	
Mr S Lowe BSc	
Mrs J Ellis BSc	
Ms A Collins LLB	
Mrs B Abram BA	

Facilities

The department consists of 8 allocated classrooms for mathematics lessons. Each classroom is linked to the academy's network and equipped with an interactive whiteboard, visualiser, and traditional whiteboards around the classroom. 4 of these classrooms are equipped with a set of 15 laptops which can be used by students during lesson time.

Curriculum

At Key Stage 4 the following courses are available:

GCSE Mathematics (Edexcel)

GCSE Statistics (Edexcel)

Level 2 Further Mathematics (AQA)

At Key Stage 3 students study 7 hours of mathematics per fortnight in Year 7 and 6 hours of mathematics per fortnight in Year 8.

Enrichment

The mathematics department believe that enrichment within the curriculum is of vital importance i.e. delivering extra-curricular clubs and organising educational visits. Most recently our students have taken part in the UK CanSat competition, MEM Challenge, Florence Nightingale Day at Lancaster University, UKMT Maths Challenge and the Axiom Maths programme.

We also host the well-established Coding and Chess clubs during the school day.

The department has close working relationships with external organisations to benefit students and staff alike.
