

Welcome to the Mathematics Department

Mathematics Team

Liane Duff	Head of Department
Lalage Smy	Second in Department
Matthew Pinnell	KS3 Lead
Becci Lee	Teacher of Mathematics
Anna Darton	Teacher of Mathematics
Gina Curry	Teacher of Mathematics (ECT)

GCSE and A level results for 2024 were as follows:

	<i>Percentage at or above this level</i>
GCSE 4-9	76%
GCSE 5-9	57%
A Level (A* - C)	100%

Accommodation and facilities:

The Mathematics department is accommodated in a suite of 7 rooms, each having an interactive whiteboard (Smartboard). Staff will have access to the AQA Maths resources for GCSE and A Level as well as the White Rose resources for KS3. We also subscribe to a number of websites such as Mathsbox and goteachmaths.

What happens in the Mathematics Department?

- Students learn in a variety of ways, experiencing group and individual work as appropriate
- Students study the DSME curriculum in years 7 and 8 using the White Rose SOW and all students start the GCSE course in year 9.
- Students will sit GCSE Statistics in year 10.
- We use Sparx Maths for homework.
- We try to appeal to a variety of learning styles
- AIM students take part in the national UK Junior and Intermediate Challenges and also the Team Challenge run by Leeds University.
- Abbeyfield offers A level Maths and Further Maths as well as Core Maths in the sixth form.
- Student achievement is consistently high across all key stages and Mathematics is consistently one of Abbeyfield's strongest departments.
