

## POST TITLE: Teacher of Mathematics

**Required for:** September 2021

**Salary:** MPS/UPS – applications from NQTs are welcome

**Contract:** Permanent

**Hours:** Full-time

The Wensum Trust is seeking to appoint a committed and enthusiastic colleague to teach Mathematics at Acle Academy, part of the Wensum family of schools. We welcome applications from teachers who can bring a real enthusiasm to the school and who will continue to raise the already high standards of educational achievement.

Acle Academy is a thriving secondary school for 11-16 year olds located in the heart of the Broadland area only 12 miles from the centre of Norwich. We strive to create well-rounded, responsible individuals who seize opportunities, discover their passions and love to learn throughout life. Acle Academy has a strong academic reputation.

The Maths faculty consists of four teachers and a progress tutor and this is an exciting opportunity for an enthusiastic colleague to join this motivated team. We are looking for a committed, proactive and hardworking full-time teacher of Mathematics, with a good subject knowledge and a sense of enjoyment for Maths. The successful candidate will be required to teach Mathematics across Key Stage 3 and Key Stage 4. Students enjoy Maths and achieve good outcomes in their GCSE examinations at Acle Academy, which has been shown by rising success rates in recent years. However, the successful candidate will need to have, or establish, tools to promote an enjoyment of the subject in students who may not be so enthusiastic. This post represents an excellent professional development opportunity for an enthusiastic and committed teacher of Mathematics to develop their classroom practice by working as part of a strong and dedicated team both departmentally, and beyond. Knowledge of the AQA Maths GCSE course and a strong commitment to extra-curricular opportunities are desirable. In addition, a good knowledge of data handling and use of Excel would be an advantage.

Are you:

- enthusiastic about your subject?
- a dedicated and imaginative practitioner, who is passionate about teaching and learning?
- someone who has high aspirations for students, and can contribute new and innovative ideas to curriculum and extracurricular developments?
- 

Through partnership to excellence, The Wensum Trust is committed to offering excellent professional opportunities and learning opportunities for its staff.

The Wensum Trust is committed to the protection and safety of children and expects all staff and volunteers to share this commitment. All staff appointments are subject to satisfactory references, an appropriate Enhanced DBS check and successful completion of a six month probationary period.

The Wensum Trust warmly welcomes applications from all sections of the community.
