Job Description

Personnel Specification

WELCOME

The governors, staff and students of Buttershaw Business and Enterprise College (BBEC) warmly welcome you to our guide for prospective applicants for the role of Teacher of Maths. We put the individual student at the heart of all our endeavours and we strive to ensure that every young person is safe, happy and successful. It is a real privilege to introduce our vibrant school to you.

The school has undergone change over recent years; these changes have resulted in greater success for our students. We are on a trajectory of rapid improvement. We believe students' education is not a dress rehearsal; they only get one chance and it is important that our school provides a safe, happy environment where our young people feel valued and can learn and fulfil their potential. At BBEC we understand the importance of great teaching and our students being successful academically, but as well as this we offer fantastic opportunities for children to develop skills and interests beyond the classroom. We believe this helps students have a fully rounded, exciting learning experience so that they can thrive and be prepared for adult life.

We are a truly comprehensive school and we welcome all children. We have a fantastic mix of students with different skills and talents. The breadth of our curriculum is designed to include a range of academic and innovative courses for all abilities, from the university bound to those with additional learning needs. We are truly proud of our inclusive approach and our commitment to see every child reach his or her potential. We expect all staff to work hard to ensure that we fulfil this aim.

At BBEC, we recognise that our staff are our biggest asset. We believe that our children deserve only the best quality staff so recruit carefully and invest in training to ensure continued improvement and an excellent quality of education.

Although we are a large school we work very hard to ensure we retain our community, family ethos. We strongly believe education is a partnership between school, students and parents and work hard to develop this partnership.

In normal circumstances, we would be delighted to invite you to visit us in school. In current circumstances we would encourage you to arrange a conversation or Team meeting so you have a chance to meet us and we can share our vision with you.

Ruth Hartley
Head of School

ABOUT BBEC

Buttershaw Business & Enterprise College is an improving school. We are an ambitious, community-focused academy of just over 1400 students serving an area of social deprivation on the southern edge of Bradford and seven miles from Leeds. BBEC is popular locally and is rapidly becoming the school of choice for the community of Buttershaw; for the last three years we have been over-subscribed in Year 7.

BBEC has a cohesive, highly skilled and ambitious staff team who place student success at the heart of all they do. Many of our students face multiple challenges and it is through clarity of vision, professionalism and determined support for students and for each other that we are bringing about improvement. We have the highest expectations for all our students and expect that our staff teach to the very highest level. We have a rigorous approach to quality assurance and a significant commitment to Continuing Professional Development. Teachers have many opportunities to improve their teaching pedagogy and pedagogical subject knowledge and we expect them to make the most of these opportunities to ensure that the highest of standards are maintained.

BBEC is situated in a modern building. It has well-equipped departments that are arranged in suites of rooms. All teachers have a laptop, all classrooms are equipped with projectors and interactive whiteboards and all classrooms have access to student laptops.

All at BBEC are dedicated to raising the aspirations of our students and improving cultural capital through ambitious schemes of learning in all year groups and a varied offer of extra-curricular activities and opportunities. We run trips and visits to places in the UK and across the world, our students take place in a myriad of competitions and our CEIAG programme is exemplary. BBEC is unique in having five academies in Art and Design, STEM, Performing Arts, Sport and Enterprise, all of which aim to broaden the experiences and skills of our students.

BBEC is a harmonious community and the vast majority of our students are polite, pleasant and respectful. A new, more focused, behaviour policy has been introduced and is having a positive effect.

This exciting role offers great opportunities for the successful candidate and a chance to make a difference to some wonderful young people.

MATHEMATICS AT BBEC

The mathematics department is poised for further rapid improvement, after a patient and effective building of the team in recent years.

The maths department at BBEC intends to:

- deliver excellent outcomes through developing a deep understanding of mathematical concepts
- enable students to become deep thinkers who can competently and confidently problem solve and reason
- ensure students are resilient learners with the ability to persevere through challenges
- give students and appreciation of the importance of maths within the real world by putting maths into contexts relevant to experiences BBEC students will have
- ensure students have a buzz for maths so that they learn through a love for the subject
- develop an appreciation of the roots of certain mathematical concepts and the history of mathematics
- encourage students to ask questions and to develop a curiosity for the subject which motivates them to develop their learning further outside the classroom
- challenge mind-sets of students so to raise aspirations and expectations of pupils within mathematics
- provide opportunities for students to extend their vocabulary and language, and for them to apply their mathematical knowledge in different contexts.

The staff have a well-developed team ethic and a shared passion for the subject. They are committed to developing practice to improve the learning experience of students. The department team consists of 14 teaching staff including:

- Achievement Leader (Head of Department)
- Senior Associate Assistant Headteacher
- Associate Assistant Headteacher
- Assistant Headteacher
- Assistant SENDCo
- Five Progress Leaders
- Maths Transition Leader
- Head of School and Associate Headteacher

Mathematics has built a reputation for being innovative and proactive in developing student potential. However, these changes have been predominantly in tracking and monitoring, conditions for learning and contextualising learning. There have been improvements in teaching and learning as recorded through internal monitoring, but significant improvements in this area are still the primary focus.

Curriculum change, better transition and new methods of assessment are all key to the improvements required, but high quality teaching is the most important factor – this role is designed to support the required improvements. The department recently moved to the Eduqas exam board and schemes have been amended as a result. As a reflective department, we constantly review practice and the successful candidate would have a role to play in the planning of this.

The department is well resourced and as a first phase BSF school enjoys up to date technology to support the learning process. The department boasts ten specialist rooms that all contain an interactive whiteboard, 15 tadpole computers and a visualiser. All teaching staff are provided with a personal laptop for work use.

The department is working closely with the other three BDAT maths departments and the sharing of good practice is a real strength of the MAT.

ABOUT BDAT

Buttershaw Business and Enterprise College is an academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

GENERAL INFORMATION AND BACKGROUND

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford, as part of the Diocese of Leeds. BDAT is a charity governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

OUR MISSION STATEMENT

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." We believe every child only has one chance at a good education. In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable our academies to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working.

OUR GROWTH

As of September 2019, the Trust has academy orders to support 17 Church and non-Church academies across Bradford. This includes four secondary academies (Immanuel College, Buttershaw Business and Enterprise College, Belle Vue Girls and Bradford Forster Academy) and 13 primary academies. We envisage we will continue to grow at a sustainable pace over the next few years, in line with the Government agenda that all schools will become academies by 2022, to a maximum size of approximately 20 schools. We believe this will mean we are big enough to achieve business economies of scale whilst being small enough to retain our family of schools approach where we truly able to know, understand and support each other.

OUR CHRISTIAN ETHOS

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the Academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England academies, as well as those within the faith.

THE BDAT EMPLOYEE PLEDGE

Bradford Diocesan Academies Trust recognises that if our schools are to succeed, our teachers and school staff are our most valuable asset. As such we work hard to be an employer and the schools of choice in Bradford.

WE DO THIS BY:

- Relentlessly only recruiting the highest calibre of teachers who share our aspiration and ambitions for our pupils to succeed;
- Developing our teams by talent spotting and rewarding our next generation of leaders
- Making sure BDAT is a good place to work so that retain and grow the expertise and skills of our people. Keep reading to find out more about our employee pledge which sets out what you can expect from us if you choose to join BDAT and what we will expect of you.

WE WILL OFFER YOU:

- Work in a values driven, student centred organisation where every child is supported to reach their academic potential and accomplish their individual goals. <http://www.bdat-academies.org/about-us/bdat-mission-statement/>
- The prospect of working for an increasingly successful and growing Trust which is committed to providing high quality education for all of its students and to be the schools of choice. www.bdat-academies.org
- A separate annual career development discussion with a senior leader resulting in a bespoke career development plan in addition to Performance Management.
- Ongoing assistance in developing your 'craft' of teaching
- Assistance with career progression both within and outside the Trust
- A competitive employees' benefit scheme <http://www.bdat-academies.org/aboutus/employee-benefit-scheme/>

WE WILL PROVIDE YOU WITH THE OPPORTUNITY TO:

- Have a week's placement in one of the BDAT schools within the first two years
- Shape the curriculum developments in an ever-changing world
- Work with like-minded subject colleagues from the other trust schools
- Shadow colleagues both within the school and across BDAT
- Support the development of teachers new to the profession or to their role
- Gain the experiences required to meet external leadership qualifications such as Specialist Leadership in Education

THE BDAT EMPLOYEE PLEDGE (continued)

IN RETURN, WE EXPECT YOU:

To Model

- The values of BDAT and your school at all times
- Professional behaviours at all times

To Be

- A consistently good teacher on a day to day basis
- Committed to ongoing professional development
- A team player and to adopt a 'can do' attitude

To

- Place safeguarding of students at the heart of the work
- Engage in constructive professional dialogue, giving and listening to feedback
- Contribute to the development of students and staff
- Meet Teachers' Standards and Trust Leadership standards as appropriate to career stage expectation

Thank you for taking the time to read this information.

MAKING YOUR APPLICATION

We hope that having read this pack you are inspired to apply for the post.

In order to apply, please complete the BDAT application form. The application form can be downloaded from the school website www.buttershaw.net under Staff/BBEC Current Vacancies.

At BBEC our first priority is keeping our young people safe. Safeguarding is at the heart of all we do, and we work hard to ensure that all of our students are safe at all times and know how to keep themselves safe in a variety of situations. BBEC makes decisions about the suitability of prospective employees based on checks and evidence including: criminal record checks (DBS checks), barred list checks and prohibition checks, together with references and interview information.

If you would like to speak to someone about the vacancy, please contact Anna Krywyszyn at Buttershaw Business and Enterprise College on 07469 354516, or by email at alk@buttershaw.net.

Applications must be received by the closing date of 9am on Wednesday 12 May 2021. Interviews to be held on Monday 17 May 2021.

INCLUSION

As a Trust we are an inclusive employer. We welcome applications from candidates of all backgrounds, faith, ethnicities or with any protected characteristics. We are simply looking for the very best candidate for the job and will assess your application only on the information in your written application or your performance at interview should you be successfully shortlisted.

We will ensure that the selection process is fair and without discrimination for or against any candidate based on age, ethnicity, gender, religious beliefs, marital status, sexual orientation or disability. The person specification sets out the criteria used to assess candidates through the selection process.

TEACHER OF MATHS - JOB DESCRIPTION

1. JOB PURPOSE

To teach and facilitate learning to a range of students including preparing them for qualifications where appropriate.

2. PRINCIPAL ACCOUNTABILITIES

Teaching

- Working in line with the National Standards for Teachers
- Marking work, giving appropriate feedback and maintaining records of students' progress and development
- Planning, preparing and delivering lessons to a range of classes including putting up displays in the classroom
- Selecting and using a range of different learning resources and equipment
- Managing student behaviour in the classroom and on school premises, and applying appropriate rewards and effective measures in cases of misbehaviour
- Preparing students for qualifications including external examinations and administering and invigilating
- Undergoing regular observations and participating in regular in-service training (INSET) as part of continuing professional development (CPD)
- Researching new topic areas, maintaining up-to-date subject knowledge and then devising and writing new curriculum materials
- Devising and writing new curriculum materials under the guidance of the subject leader
- Supervising and supporting the work of teaching assistants, trainee teachers and newly qualified teachers.

Tutoring

- Undertaking pastoral duties in the role of form tutor, and supporting students on an individual basis through academic or personal difficulties
- Encouraging high standards of work, behaviour and dress in students
- Creating a positive ethos and acting as a good role model
- Monitoring and reviewing students' current progress across the curriculum using data provided
- Keeping parents fully involved regarding students' progress, including curriculum related or behavioural concerns
- Participating in parents' evenings and report writing
- Being aware of social and personal factors relevant to students within and outside of school.

Support for the School

- Being aware of and complying with policies and procedures relating to child protection, health, safety and security, confidentiality and data protection, reporting all concerns to an appropriate person
- Being aware of and supporting difference and ensuring all students have equal access to opportunities to learn and develop
- Contributing to the overall ethos/work/aims of the school
- Appreciating and supporting the role of other professionals
- Attending and participating in relevant meetings as required
- Participating in and organising extra curricular activities, such as outings, social activities and sporting events
- Participating in departmental meetings and whole school training events
- Liaising with other professionals, such as learning mentors, careers advisors, educational psychologists and education welfare officers.
- Participating in training and other learning activities and performance development as required.
- Supporting, upholding and contributing to the development of the School's Equality Policy and practice in respect of both employment issues and the delivery of services to the community
- To undertake lunchtime and break supervisory duties as directed.
