Dear Candidate

I am delighted you are interested in applying for a role at Uckfield College and thank you for taking the time to discover more about life at our school.

The staff here, both teaching and non-teaching, are a truly collegiate, warm, and dynamic team. They are professional, deeply caring people who have a strong moral purpose to make a difference to young people. Students are at the heart of everything we do, and their high standards of behaviour and eagerness to learn allow our dedicated staff to thrive. We are proud to be an OFSTED 'Outstanding', leading organisation and our greatest asset is undoubtedly our staff who consistently go beyond the 'call of duty' to maintain a special learning environment. As a large school, we offer multiple opportunities for professional growth, subject collaboration, and career progression, all underpinned by strong partnerships with our parents and the wider community.

One aspect that stands out is the exceptional level of support and professional learning for all teachers. We invest heavily in development, including weekly Joint Professional Learning Time (JPL) and an innovative Professional Learning and Development (PLD) programme. Our teaching practice is nationally recognised and deeply research-informed, ensuring our practice is always cutting-edge, such as our recent focus on 'Total Participation'. We champion a rich and broad curriculum, where all subjects are valued, complemented by our commitment to technology innovation and our Super Curricular ethos, where every student engages in enrichment. We feel sure that you will identify Uckfield College as an energetic and successful place in which to work.

If, after reading about us, you decide to apply for the post, then we look forward to receiving your application form. Applications will be processed in line with the dates provided and we will write to successful and unsuccessful candidates as soon as possible to inform them of their progress.

There is further information about the College, including the Prospectus and an electronic version of the briefing booklet and application form available on our website: www.uckfield.college. If there are specific parts of the application you would like to clarify, or if there is particular information you require, then please telephone me at the College. I can be contacted via my PA, Toni Fletcher, on 01825 764844, extension 1002.

In conclusion, I make no excuses for sounding so very proud of the enthusiasm, hard work and support of staff, students, parents and governors. Uckfield College is very much a team and I believe, fundamentally, a very happy and successful one.

I look forward to meeting short-listed candidates at interview.

Yours sincerely

About our College

Uckfield College is an excellent and improving school with excellent results, happy staff and students and highly engaged governors. In April 2024, we were proud and delighted that Ofsted graded Uckfield College as unequivocally 'Outstanding' in all areas. The inspection particularly highlighted the extremely positive staff culture and innovative, ambitious professional learning:

The school's 'ceaseless pursuit of learning' extends to staff. Wellbeing is a priority for all. Staff are confident that leaders consider their workload when planning new initiatives. Training for teachers is unapologetically ambitious and highly effective. Early career teachers receive exceptional support and guidance. All staff, regardless of experience, participate in coaching that improves both their subject knowledge and teaching skills. As a result, staff feel highly motivated and are very proud to work at the school. Governors are ambitious for the school. They provide expertise and robust challenge. Leaders are diligent and highly skilled. Together, their shared commitment to continuous improvement is at the heart of decision making. OFSTED April 2024

Inspectors also said some wonderful things about our students:

- Pupils' behaviour and conduct are typically excellent.
- The Uckfield qualities of love, integrity and kindness permeate the school.
- Different opinions are respected and diversity is celebrated. As a result, this is a highly inclusive school.
- Pupils relish challenge and are not afraid of making mistakes.
- Sixth form students thrive when taking on positions of responsibility, such as head student or when contributing to the student leadership team. They are excellent role models and perform their responsibilities with care, dedication and diligence.

Students are at the heart of everything we do. The positive relationships between staff, parents and students have helped us to sustain and drive significant improvements in recent years. We are very proud of our College and want to recruit members of our staff team who will champion and celebrate our success, within the College and in the wider community.

Our Vision and Ethos

Our Vision: An inspiring College where every individual is supported and challenged to achieve personal excellence.

Our Aim: Is for everyone in our community to lead truly, deeply, happy, fulfilled and purpose-driven lives. Our curriculum is how we achieve those aims.

In feedback to the Lead Inspector during our last Ofsted Inspection, one parent summed up the ethos of the school as **“Encouraging the young people to love learning, be interested in the world around them, take care of it and take care of one another.”**

Our Staff

We are exceptionally proud of our staff here at Uckfield College, both teaching and non-teaching. They are an amazing team who work together collegiately to support each other and help each and every one of us to be the very best we can.
