Teacher of Mathematics

Respect – Resilience – Success

Headteacher Letter to Applicants

Thank you for the interest you have shown in our school. I am proud to be the Headteacher of The Thomas Adams School, a successful co-educational community school, sixth form and boarding house in the centre of Wem. Established in 1976 and with a strong history dating back to 1650, we provide quality teaching and learning for our 1200 students, aged 11 – 18 years old. Thomas Adams is now a member of the 3-18 Education Trust, a collaboration of successful schools in Shropshire, all with the same goal of excellence in education.

We have two main sites on our 30 acre campus in Wem, a small rural market town. Although many of our students live in Wem, our extensive transport links allow students from across North Shropshire to access our excellent provision. Our Lowe Hill buildings cater for years 7 – 11, providing excellent facilities for all curricular areas. At our Noble Street site, we have our Sixth Form, housed in the attractive grammar school building. We also have our thriving boarding provision, Adams House, which accommodates students from throughout the UK and overseas.

Large enough to offer choice and opportunity, we pride ourselves on seeing all students as individuals, providing quality pastoral care throughout a student's academic journey with us.

The school is renowned for its Music, Drama and Sport. We have specialist centres for all of these subjects, with full performance facilities. We also have a multi-use sports centre and extensive playing fields, along with additional facilities including; tennis courts, basketball courts, hard surface play areas and many pitches for team games. We encourage all students to engage and get involved in our extra-curricular programme, be that a member of a sports team, working towards their Duke of Edinburgh award or taking part in the many educational or leisure trips on offer.

We are committed to continuous professional development for all our staff and foster open, professional and respectful relationships. Our staff well-being and happiness is paramount as we see them as our greatest asset.

About our Trust

The 3-18 Education Trust is currently made up of five schools and derives its name from the age range of the pupils and students who attend those schools. We have an inclusive ethos, defined by age and we recognise that education is a continuous process, secured through consistent values and a strong transition (through the key stages).

Our Vision:

To ensure every individual is in a great school.

Our Mission:

To celebrate the diverse nature, culture and identity of our individual schools, whilst enjoying the benefit of the team, so that each school is reciprocal in their support for one another and achieves together.

Our Values:

- Accomplished: to provide high quality education and training for all
- Resilient: to be solution focused and able to intelligently manage challenges
- Compassionate: to show care and understanding towards others

Not only do we pursue the important dimension of achieving the best results for each student regardless of their starting point, but we also believe strongly that education is about developing well-rounded individuals who are ready, willing and able to make their contribution to society.

Faculty Information

The Maths department at Thomas Adams consists of 11 members of staff on a variety of full and part-time contracts – each bringing their own expertise and specialisms to the faculty.

Teaching rooms are equipped with BENQ screens and the department is well equipped and resourced. Staff are passionate about their subject and this is obvious when you walk into classrooms.

Key stage 3 follows the White Rose scheme of work and we are introducing mastery to the Key stage 3 curriculum in liaison with the local Maths Hub. Key stage 4 and 5 follow the AQA curriculum maps and our top sets in years 10 and 11 also study for the AQA level 2 certificate in Further Mathematics. Maths is a popular subject at Key stage 5 and we also run A level Further Maths alongside the A level in Mathematics.

Staff in the department are enthusiastic and work together closely as a team – sharing good practice and offering professional and moral support to each other in order that we cope with the day to day rigours of a busy Maths department. Students generally enjoy the subject and there is a feeling of mutual respect between students and staff both in classrooms and around the department – students want to do well and staff go the extra mile to help them.

This is an excellent opportunity to join an established Maths department in a happy and friendly school.
