The West London Free School

The West London Free School is one of the country's pioneering free schools, renowned for academic excellence, high standards of behaviour and a wide choice of co-curricular clubs. Since our foundation in 2011, we have provided all children with a rigorous, knowledge-rich education irrespective of their background. We believe that knowledge is a good in and of itself, empowering pupils to understand and take an interest in the world around them. The education we offer is not just a preparation for work, but a preparation for life. As such, we value the knowledge of our teachers, and the passion for their subject that they bring to the classroom.

We offer a challenging curriculum, with a supportive environment, underpinned by fantastic teachers. Through this combination, pupils at the West London Free School excel. In 2024:

- **A-level:** 52% of entries were graded A* to A, and 83% were graded A* to B.
- **GCSE:** 51% of entries were graded 9 to 7, and 90% of entries were graded 9 to 4. Our Progress 8 was 0.96, and our Attainment 8 Grade was 6.4, placing us in the top 1% of comprehensive schools in the country.
- *The Sunday Times* named us 'London Comprehensive School of the year' for 2025.

At the West London Free School, we aim to build a culture of sustainable success. We have a stable body of staff who feel supported and fulfilled.

- Senior leaders are highly visible and approachable.
- The pastoral team take responsibility for ensuring all teachers can teach without disruption. School rules are non-negotiable, and poor behaviour is met by escalating sanctions.
- Our staff surveys have regularly shown staff morale and other indicators of professional satisfaction at the WLFS to be significantly higher than national benchmarks.

As well as a knowledge rich education, the WLFS runs an extensive co-curricular programme that encourages children to develop outside the classroom. The school specialises in music and offers a range of sporting opportunities as well as general interest clubs. All staff are encouraged to share their co-curricular enthusiasm by committing one hour a week to running a school club.

The Maths Department

Mathematics is a key part of the WLFS curriculum offer. Pupils in KS3 are taught Mathematics four times a week, pupils in KS4 have the subject every day, and at KS5 students have six hours a week. Examination results are strong at both GCSE and A-level, and we have excellent uptake in the subject at KS5, with almost 50% of the cohort studying Mathematics. We also have a growing number of students studying Further Mathematics every year at KS5. The Mathematics team is large, supportive, happy, and collegiate. We pride ourselves in the support and challenge we give each other, as we strive to offer lessons and content of the highest quality to our students.

Key characteristics of the role include:

- to impart your passion for Mathematics to the pupils you teach, whilst also ensuring their mastery of the subject.
- to assist the Head of Department in planning and delivering schemes of work for Key Stages 3 and 4 (and potentially 5), and monitoring their effectiveness.
- to monitor the progress of pupils according to the department and school assessment policy and to advise on set changes.
- to enhance the quality of teaching and learning in the department by taking part in collaborative planning, sharing resources, mentoring and observing teachers, and participating in continuing professional development.
- to be a form tutor, and work collaboratively with your year group team.
- to contribute to the wider school life, such as events, trips, and co-curricular clubs.

The successful candidate will have:

- strong subject knowledge, a passion for Mathematics, and an ability to communicate that passion to pupils;
- an ability to teach Mathematics at Key Stages 3 and 4 (and potentially 5) to all ability levels, including pupils with SEN;
- a proven track record of excellent Mathematics teaching and, where relevant, outstanding outcomes for pupils at both GCSE and A-level;
- an understanding of the ethos of the West London Free School, and a commitment to teaching a knowledge-based curriculum;
- high expectations of pupil conduct and behaviour;
- excellent team working skills;
- excellent communication skills with both pupils and staff;
- a willingness to contribute to the school's co-curricular programme.

Rewards & Benefits

People are at the heart of our success. We look for talented and ambitious individuals who share our vision for creating an exceptional school, and are committed to ensuring that every child has access to the best possible education. Pursuing a career at the WLFS also gives you the chance to work alongside a highly capable and committed Senior Leadership team. Senior Leaders at WLFS all teach, pay due attention to workload pressures and are highly visible 'in the corridors'.

We have developed a positive and supportive staff culture at the WLFS, and we invest in our staff with support, coaching and mentoring as well as external training programmes. To that end, we offer:

- Teachers' Pension Scheme for teaching staff
- Cycle to Work Scheme
- Complimentary drinks
- Employee counselling
- Recommend a teacher bonus scheme
- Staff children have priority admission into the school (after 2 years' service)
- Season ticket travel loan

Closing date and interviews

The School reserves the right to commence or complete the interview process at any time prior to the start date.

Equal Opportunities

The Knowledge Schools Trust is an equal opportunities employer. The Trust is committed to safeguarding and promoting the welfare of children, and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service. The post is exempt from the Rehabilitation of Offenders Act 1974 and the School is therefore permitted to ask job applicants to declare all convictions and cautions in order to assess their suitability to work with children.

The West London Free School and the Knowledge Schools Trust is fully committed to the principles of equal opportunity, diversity and inclusion. We want to attract and retain the very best staff in all areas of the Trust, ensuring our staff body reflects the diversity of our students and local community.
