Aiming Higher – Promoting Harmony – Achieving Excellence

Letter from Andy Stainton, Headteacher

Dear Colleague,

Thank you for your interest in joining our community as Teacher of Mathematics.

We are looking for an enthusiastic and innovative teacher of Mathematics. The successful candidate will have a strong academic background and be an excellent classroom practitioner who is capable of inspiring and motivating students and who can confidently teach Mathematics at GCSE and A level. An ability to teach Further Mathematics at A level would be an advantage but is not essential. We would be particularly interested in meeting a candidate who is keen to upskill in this area. **We are pleased to offer a July start for a trainee teacher who will begin their ECT programme in September.**

All students study Mathematics at GCSE. We currently have over 200 students studying Mathematics or Further Mathematics at A level, in 12 sets. A number of students apply to Oxbridge each year to study Mathematics or related subjects. The Mathematics team comprises 13 specialist teachers, and the Department is housed both in a new purpose-built block, and in the centre of the main building. The Department is outward-facing, with a history of collaboration with other schools, Mathematics Hubs, universities and events such as the Olympiad and Maths Challenge. In addition, staff have run Robotics Clubs, Chess Clubs and other enrichment activities. Post-Covid, we are re-establishing opportunities in collaboration with external agencies and would expect you to encourage all the enrichment experiences that we offer to the students.

We are committed to supporting staff wellbeing in a variety of ways. The good working relationships within the staff body, and between staff and students is why many colleagues have chosen to stay with us for the long term. The School subscribes to an Employee Assistance Programme which is free to all staff, as well as Gym Flex, which offers reduced price gym membership. We are also strong in supporting staff career development and colleagues are successful in securing promotions at all levels. We support colleagues in pursuing NPQs and offer a secondment programme onto the Senior Leadership Team for middle leaders.

Although we achieve excellent results year on year and are heavily over-subscribed, we are not complacent. We know there is always more to do, and we work together to continuously reflect upon our successes and areas for development. We are keen to hear the voices of all our stakeholders.

Mill Hill County is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status, or pregnancy and maternity.

Admission into Year 7 is offered to children of staff with two or more years' service.

If you feel that Mill Hill County High School is the right environment for the next step of your career, we would be delighted to receive your application. If you would like to visit us before applying, we would be happy to see you. Please contact Amanda Leonard, the Head's PA, to make an appointment.

Kind regards,

Andy Stainton

JOB DESCRIPTION

TITLE OF POST: TEACHER OF MATHEMATICS

Salary: MPS or UPS

Commencement: January 2025 or Earlier

Purpose: To inspire young people through the expert teaching of Mathematics across the ability and age range from 11-18, developing their skills and knowledge in all aspects of the subject and supporting their academic and personal progress within the values of Aiming Higher, Promoting Harmony & Achieving Excellence

Reporting to: Head of Mathematics/SLT Link

RESPONSIBILITIES:

- To plan, deliver and assess appropriate lessons which ensure that the potential of all students is fulfilled.
- To contribute positively and accept delegation, with department colleagues, to the production, implementation and evaluation of department Schemes of Work and resources.
- To encourage students by regular marking, advising constructively by using targets and giving appropriate praise.
- To be aware of individual students' needs, whether they are academic or social, and liaise with Support Staff when necessary.
- To perform the role of Form Tutor and deliver Personal Social and Health Education.
- To monitor assessment through use of data and target setting, and to maintain records of assessments of the students and levels of attainment as laid out in the National Curriculum, where appropriate.
- To ensure equality of students regardless of ability, age, class, culture, disability, faith, gender, race or sexual identity.
- To follow the ethos of the School and the Department by promoting high standards of all students and maintaining high expectations both in and out of lessons.
- To provide a positive environment where effective teaching and learning can take place and create opportunities for students to develop wider skills for later life.
- To communicate effectively and be willing to develop and share good practice with colleagues, in meetings and through lesson observations.
- To be committed to the demands of a high achieving school, both in the classroom and beyond.
- To remain familiar with national and local initiatives within the subject area and focus on own professional development to the benefit of students.

TEACHING & LEARNING – In addition to the above, support the Head of Department to:

- develop policies for the subject which reflect the School's commitment to high achievement, effective teaching and learning;
- establish, with the involvement of relevant staff, short, medium and long term plans for the development of the subject;
- monitor the progress made in achieving subject plans and targets, evaluate the effects of teaching and learning, and use this to guide further improvement;
