GENEROSITY RESPECT ASPIRATION COURAGE EMPATHY

Welcome from the Headteacher

Wyvern St Edmund's
Academy

Dear Prospective Applicant,

Welcome to Wyvern St Edmund's Academy (WSE). As Headteacher, I am immensely proud to lead the school and serve its community of students, staff and parents/carers. WSE is a founding member of the Magna Learning Partnership, situated on the eastern outskirts of Salisbury with beautiful views over the Laverstock Downs to the east and Salisbury Cathedral to the southwest. We are proud of our reputation for high-quality teaching, excellent academic outcomes for our students and strong, effective pastoral care.

In September 2022 we have legally opened as Wyvern St Edmund's Academy, enabling us to take full advantage of the benefits associated with inclusive coeducational learning and social development. Wyvern College and St Edmund's School were formally two separate schools, just a few yards apart: Wyvern for boys and St Edmund's for girls. Over the past 15 years the schools have worked closely together, sharing: expertise, staffing resources and mixed GCSE classes.

We have a tremendous team of support staff, teachers and teaching assistants - some of the most talented professionals I have ever worked with - all of whom are proud to work at WSE and passionate about educating, supporting and nurturing our young people. Our collective vision of helping each student to develop into the best version of themselves is at the heart of everything we do and motivates us to provide impactful teaching, comprehensive pastoral care and extensive extra-curricular provision. Moreover, our vision is rooted in Christian beliefs and values whereby we expect our students to use their developing gifts, talents and character to serve others in the local community and beyond (1 Peter 4:10).

Being a vibrant, happy and forward-looking school, WSE is without doubt a great place to teach. Our parents and carers are hugely supportive of the school and we pride ourselves on forming strong and effective partnerships with young people and their families: we work collaboratively throughout any challenges and rejoice in the many successes which come from being part of a wonderful school.

New staff joining the school can be assured of a warm, supportive environment along with excellent professional opportunities for all staff and a strong sense of shared vision and ethos: we help our students to become the best version of themselves in order to serve others. We want all of our students to use their gifts and talents to serve other people well. We are very proud of our caring Christian ethos that runs through every aspect of school life.

We have a close and positive relationship with Salisbury Sixth Form College (S6C) which is a short drive away from WSE. Our partnership with the college means that there are opportunities to work collaboratively with KS5 students and teachers - we also anticipate the possibility of some WSE staff teaching across KS3-5 in the future.

I look forward to meeting you so that you can see for yourself just how great Wyvern St Edmund's is.

Yours sincerely

Mrs L Henderson
Headteacher

GENEROSITY RESPECT ASPIRATION COURAGE EMPATHY

About this Role

Thank you for your interest in applying for this post. This is an exciting opportunity to join a happy and successful school with excellent achievement and delightful students.

We require an outstanding teacher to join the Maths department from the 1st September 2025.

The Maths department are a dedicated team of hard working teachers striving to achieve the best for our students. The team is well resourced and supported with a great team ethic.

This position is:

- Permanent;
- 1.0 FTE;
- Required for 1st September 2025. A sooner start date could be accommodated if the successful candidate is available;
- Salary: Competitive salary and recruitment/retention bonuses available for an outstanding candidate;
- Closing date for applications: 9am Monday 28th April 2025.

We are hoping for someone energetic, passionate and fun to work with. We are a creative and forward-thinking team who pride ourselves on developing positive relationships with students; we believe that being approachable and caring is what helps us safeguard students and drive progress.

GENEROSITY RESPECT ASPIRATION COURAGE EMPATHY

Why work at WSE?

Wyvern St Edmund's
Academy

We are committed to a staff culture where people feel well-supported, professionally engaged, challenged and valued. In turn, this culture enables our students to become the best versions of themselves because they are nurtured and inspired by a committed, happy staff team. We are very proud of the progress that students make here at WSE. We are committed to a process of constant school improvement so that our students are afforded every opportunity.

Staff wellbeing is at the heart of our vision and all staff, as our most important resource, are to be valued, supported and encouraged to develop personally and professionally within a vibrant, empathetic and caring community.

There are some additional perks that we are able to offer such as private healthcare, reduced corporate gym membership, free car-parking and the Wiltshire Rewards cashback programme, which staff really appreciate. Staff also benefit from our commitment to professional development and, in working as part of a multi-academy trust with four secondary schools, groups of subject leaders and teachers are able to meet regularly to share ideas, schemes of work and to moderate together.

about [working at WSE](#)

Ofsted

The February 2018 Ofsted inspection recognised our 'relentless drive to raise standards' and praised the 'clarity of vision' and 'inspiring' ideas that we have.

In January 2020, Ofsted also observed that 'the move to combine Wyvern College with St Edmund's School has widened the curriculum available to students. An effectively planned curriculum means that students are learning well and students feel well cared for and know that there is always someone to whom they can go if they have a problem.'

GENEROSITY RESPECT ASPIRATION COURAGE EMPATHY

The Mathematics Department

Mathematics Mission Statement

To challenge and engage students to build a secure framework of mathematical reasoning, which they can use and apply with confidence.

The Maths Department consists of 10 teachers who are fully supported by Teaching Assistants where required. The department is well resourced, with a wide variety of materials necessary for effective teaching of Mathematics.

5-year Curriculum Model

Students are taught in mixed attainment classes and assigned to sets by the start of Year 8, according to their mathematical aptitude. We have a spiraling 5-year curriculum which challenges students from the day they set foot in a maths lesson covering, amongst other topics, Pythagoras', elements of quadratic algebra and Surds, all before the halfway point of Year 7! We believe in challenging students from the start but also have a supportive structure for those who struggle with mathematical concepts.

Regular low stakes testing enables us to assess how well students have acquired the skills being taught, and through focused reflection and feedback time, students are given the time to review and improve their understanding of topics that are not yet secure. These tests also support the drive to continually review and improve our curriculum design.

To highlight the wonder and beauty of maths we have developed and embedded a guided reading programme where students get the opportunity to see how maths has influenced and still influences the world around us. This includes learning about famous mathematicians, the maths of sport, architecture, and astronomy to name a few.

The department runs a comprehensive revision programme at Key Stage 4, as well as a range of support programmes that enable all students to achieve the best possible grade in the final exams.

We work hard but we also love what we do and have a great team ethic too!

How to Apply

Please take time to look at the information about WSE through our website. Should you have any specific queries that are not answered by the information we have provided, or wish to visit the school prior to making an application, please contact our HR Team (hr@wyvernsteds.org; 01722 328565).

Applications should be submitted via the TES Portal including a supporting statement detailing any relevant experience, skills or other information which you think makes you suitable for this particular role. Please try to include information that helps us get to know you as well as your professional skills.

Visit our TES Portal to apply: <https://www.tes.com/jobs/employer/wyvern-st-edmund-s-academy-1262445>

Safer Recruitment Checks

Wyvern St Edmund's are relentlessly focussed on safeguarding and promoting the welfare of its children and young people and expects all staff and volunteers to share this commitment.

Due to the nature of the position for which you are applying, and to ensure your suitability for this type of work, you will be required to apply for clearance from the Disclosure and Barring Service if you are successful in your application. This will take place before your appointment is confirmed. The clearance process will disclose details of formal cautions, reprimands and final warnings, as well as convictions. Having a criminal conviction will not automatically exclude you from employment – this will depend on the nature of the position, and the circumstances and background of the offences committed. However, it is an offence to apply for this role if the applicant is barred from engaging in regulated activity relevant to children.

Online searches with regards to information that is publically available online will also be carried out for all shortlisted candidates.

Equality

Wyvern St Edmund's will not discriminate in any area of employment and confirms its commitment to equality of opportunity in all areas. Applicants will be treated in a fair and equal manner and in accordance with the law regardless of gender, marital status, race, religion, colour, age, disability or sexual orientation.

WSE are committed to supporting flexible working and will welcome applications from those that wish to work flexibly.

Job Description

Job Purpose

To promote student **enjoyment** and **achievement** through outstanding teaching that inspires learning.

Responsible to: Head of Maths

Teaching and Learning

- To manage student learning through effective teaching in accordance with subject schemes of work and policies.
- To embrace whole school initiatives, including Assessment for learning, differentiated learning and the dynamic use of ICT.
