Tanbridge House School is an inspiring place to work, where students and staff share the same goals and strive to be exceptional every day through our core values of Care Kindness and Achievement. We 'teach to the top' to ensure that students are challenged in all lessons. Staff are reflective and committed to continually developing their own practice.

If you love teaching, are passionate about maths and want to be part of a brilliant team where you will receive outstanding professional development, then Tanbridge House School would like to hear from you.

The successful candidate will be:

- Enthusiastic, flexible, and resilient
- Determined to "make a difference" in young people's lives
- Ambitious for students and for themselves
- A reflective practitioner, always striving to be the 'best they can be'

In August 2022 our mathematics results were outstanding, 85% of our students gaining 4+, 71% at 5+ and 36% achieving 7+. Progress 8 scores have consistently been outstanding at 0.50+ or better, including August 2022 where the progress 8 score was + 0.78.

Mathematics is taught in a suite of 11 fully resourced classrooms, all with Smartboards, AQA text materials and visualisers. In addition, there are two discrete ICT areas attached to the department.

Students in Y7 and Y8 follow a Mastery and Numeracy curriculum with White Rose and the Sussex Hub. KS4 students follow the AQA GCSE specification starting in Y9. Some students also opt for the AQA Statistics course and go on to study the OCR Free Standing Maths Qualification in Y11.
