We wish to appoint, for September 2021, an enthusiastic and able teacher of Maths to teach Key Stage 3 & 4 in this highly successful and over-subscribed school. The opportunity to teach Key Stage 5 could also be available for the right candidate. The successful candidate will have the ability to motivate all students and to bring new ideas as the school builds on its excellent status.

The Maths department enjoys excellent leadership and comprises a team of outstanding teachers constantly striving for excellence. It is a large department with a wide range of teaching experience. The department curriculums are well resourced and there is often a collaborative approach to planning, where sharing of best practice is commonplace. The Maths department is a forward thinking department and is excited for the introduction of chrome books for students in the forthcoming year 7 cohort and the enhanced teaching and learning opportunities this will bring.

The appointment would suit an experienced or newly qualified teacher as the school provides a thorough and successful training programme. Applications from those wishing to contribute to other aspects of school life outside the classroom are particularly welcome. A full induction programme is provided for all new staff.

Hitchin Boys' School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An enhanced DBS check is required for all posts.

Further details and an application form are available on the school website. Completed forms should be emailed to Mrs Becky Rose, PA to School Business Manager at brose@hitchinboys.co.uk.
