

Dear Candidate,

As Headteacher, it gives me great pleasure to welcome you to our School and I want to first start by thanking you for your interest in the post of 'Teacher of Maths - Maternity Cover' at Tor Bridge High.

Tor Bridge High is a single Academy Trust with children at the heart of every aspect of our work. We have a clear and moral purpose and a strong educational philosophy to provide each student with the absolute best education to ensure that, no matter what their background is, students leave us with the skills and support they need to become the best that they can be, becoming independent and positive members of society.

Tor Bridge High is situated on a large site and is modern: it was rebuilt in 2011. Our school is a well-established secondary school and sixth form which caters for up to 1,200 pupils and is oversubscribed; it has been oversubscribed for many years and this is something we are very proud of.

We have a very modern Maths Department which a team of 12 teachers and is part of Austen School, one of our small schools within the overall school of Tor Bridge High.

The role of Maths Teacher is key in ensuring all our students leave school with a good maths qualification and a level of understanding that will enable them to be successful in the next stage of their lives.

We are on a continuous journey of school improvement with a relentless focus on high expectations through the Principles of Teaching, aiming to improve outcomes for all of our students. This was reflected in our 2022 Year 11 results where we saw a significant overall increase in students' attainment - a reflection of the dedication of our staff for continued school improvement.

Inspected in November 2021, Ofsted noted that 'staff and pupils have strong relationships' and that leaders have 'a clear vision for the school' with 'Teachers' high expectations of pupils mean that work is well presented and completed to a high standard'.

We welcome applications from experienced teachers who are looking at their next step in their career and from candidates wishing to experience a new school.

We very much look forward to receiving applications from candidates whose personal qualities, values and experiences support and reflect ours.

Yours sincerely,

Graham Roser
Headteacher
