Thank you for requesting details for the post of Teacher of Mathematics. This is an exciting opportunity for an ambitious, talented teacher. We are looking for an outstanding classroom practitioner with excellent interpersonal skills.

Rainhill High School's mission is 'The Pursuit of Excellence' in everything we do. Our core values are 'Learn, Think, Contribute, Care' and they underpin our high expectations and aspirations for our young people.

Rainhill has high and consistent levels of achievement that are above national averages. We believe that we can do better again. We are the best performing school on Progress 8 in St Helens and Knowsley, and one of the best in the Liverpool City Region. You join the school at an exciting time.

Rainhill is a very stable school. We are significantly oversubscribed and we have expanded the admission number for Year 7 from September 2017 from 240 to 300. Our partnership with Liverpool FC, one of the largest and most academically successful in the Premier league, gives us unique opportunities plus FEFA and Sixth Form. We are the lead school in a Multi Academy Trust, as yet we have no additional schools in the MAT.

The Maths curriculum is focused on mastery and is at the forefront of KS2/3 transition work in the region.
