AMBITION STATEMENT

At Murray Park School, our curriculum vision is to provide an ambitious and inspirational education for all of our pupils. Our strong set of values: Perseverance; Respect; Independence; Dreams and Excellence (PRIDE) underpins our ethos. Through our curriculum, our pupils develop the confidence to embrace the responsibilities that life has to offer and to become valued members of the local community, both now and in the future.

In all lessons the pupils are challenged and engaged in an education that prepares them for their futures. Our Learning Motto, OASIS, enables all of our pupils to develop life skills, such as, creativity, empathy and collaboration, resulting in resilient individuals with high aspirations.

We are passionate about our pupils' personal development and put this at the heart of everything we do. We provide cultural capital experiences to our students through the Murray Park Charter for Success, where students are supported and encouraged to try new activities and experiences such as visiting the theatre, volunteering, learning to

play a musical instrument as well as much more. As well as this, we produce an annual trip schedule which includes a number to international destinations, including outside of Europe. These are fully funded for students, where required.

Our health and wellbeing provision ensures that our pupils lead healthy and fulfilling lives and that every pupil has the knowledge and confidence to take care of their own physical and mental wellbeing.

As a result of our outstanding careers programme, all of our pupils are prepared for the next stage of their education, training and employment through our extensive network of business partners and dedicated careers' centre. Our wide range of extra-curricular activities include residential opportunities and international travel. These opportunities enrich the formal curriculum and deepen the pupils' knowledge and skills.

"The quality of provision and pastoral care for our students has an exceptional impact on their lives."

Our staff boast a wealth of specific skills and experience, which we use to enthuse our students and develop inspirational schemes of work.

The department is very well resourced, with 9 maths classrooms, 7 of which are in Maple Park a building that is our entrance building to school and was built in 2019. All of our classrooms house interactive whiteboards to deliver to our students along with whiteboards to complement delivery of lessons. We are also lucky enough to have our own departmental staffroom, which enables us to house departmental information and have sociable lunches and breaks.

Students have access to a host of extra-curricular provisions run through the Mathematics department such as clubs

and competitions run by staff.

Alongside entry into national competitions such as the UK Maths challenge, TT Rockstars battles and other fantastic opportunities.

As a department we have invested in an array of programmes to ensure that we have the best available resources for our students - some of these include Hegarty Maths, TT Rockstars, Mathsbox, ExamPro, MathsPad and Go Teach Maths just to name a few.

At Murray Park School we have planned our curriculum to ensure that our students are provided with a foundation for understanding the world, the ability to reason mathematically, an appreciation of the importance of mathematics, alongside instilling a sense of enjoyment and curiosity about the subject.

The beauty of Mathematics is that it has so many links in which students need to be able to move fluently between, therefore, we have ensured that we have programme of study for key stage 3 and 4 is organised into the core fundamentals of Maths, but also allows students to build upon the knowledge gained in prior stages and make connections across mathematical ideas to develop fluency, mathematical reasoning and confidence in solving more complex problems.
