- Establish, with the involvement of your line manager, plans for developing and resourcing the department to bring about continuous improvement in teaching and learning to promote student achievement;
- Monitor the progress being made towards targets established in class planning;
- Set expectations and targets for students in relation to student achievement and monitor progress towards these targets;

### **Teaching and Learning**

The Teacher of Mathematics will:

- Manage resources efficiently so that teaching and learning is effectively supported in their lessons;
- Ensure all ability students are well-catered for;
- Develop and sustain students' communication, literacy and numeracy skills through the subject;
- Be aware of developments not only at KS3, 4 and 5 but also at KS2;
- Adapt lessons and identify next steps and intervention in response to evaluation of student progress;
- Set effective homework and extension work to encourage and enliven student learning;
- Ensure differentiation and personalisation of learning for all students;

### **Assessment and Evaluation**

The Teacher of Mathematics will:

- Establish and implement clear practices for assessing, recording and reporting on student achievement in-line with academy policy;
- Monitor pupil standards and achievement against annual targets and track progress;
- Respond to the implementation of intervention strategies to ensure outstanding pupil progress.

## **Development**

The Teacher of Mathematics will:

- Model outstanding classroom practice whilst teaching a full timetable;
- Achieve constructive working relationships with students and staff;
- Sustain motivation; promote enthusiasm, openness to new ideas, commitment and staff welfare;

## **Relationship with Parents and the Wider Community**

The Teacher of Mathematics will:

- Establish excellent and effective communication with parents;
- Help develop links with the local community to extend and enhance the work of the department.

## **Responsible to:**
