Are you a dynamic and inspirational Teacher?

To start 1st September 2025

Saint Cecilia's Church of England School is an academically successful and over-subscribed non-selective secondary school, with an excellent reputation.

The school's vision is underpinned by its Christian mission to 'Glorify God, through outstanding and enjoyable education', which itself is underpinned by John 10:10 'I have come so they may have life and have it more abundantly'.

We are looking for an effective Maths teacher who is looking to join a successful and dedicated team. Maths is highly valued at Saint Cecilia's, as we are a Maths specialist school. In 2023-24, Maths was a consistently high performing department (at GCSE 83% 9-4 Grades and 73% 9-5 Grades) compared to a JCQ national percentage of 71% 9-4 Grades for 16 Year Olds. At A level, 43% of students achieved A*-B Grades and 73% Achieved A*-C Grades.

Located close to Wimbledon Lawn Tennis Club, Saint Cecilia's is well connected to central London and the West End, as well as the tranquil Surrey countryside, by exceptional transport links. The school lies within the Inner London Weighting area, which adds a significant increase to salary.

Saint Cecilia's is a vibrant school of just over 1100 pupils with a thriving academic Sixth Form. A caring Christian community, together with a close-knit team of dedicated teaching and support staff, have achieved excellent academic success.

Whilst candidates must be in sympathy with the aims of a voluntary-aided Church of England school, a Christian commitment is not essential for this post.

Saint Cecilia's has a history of academic excellence and in 2024 pupils and students achieved impressive results at GCSE and A Levels.

At GCSE:

- Attainment 8 was 54.55
- 80% of pupils achieved 9-4 grades in both English and Maths
