RUNSHAW COLLEGE

APPOINTMENT OF TEACHER OF A-LEVEL MATHEMATICS AND STATISTICS – REF 261127

Runshaw College has long been recognised as one of the most successful colleges in the country, renowned locally and nationally for our exceptional results, friendly and supportive culture and focus on putting the student at the heart of all that we do.

Our shared vision provides the focus for our work: to be a Great Place to Study, a Great Place to Work, and a Great Place for Partnerships. Please see the Strategic Plan on the college website, for full details of our vision and objectives.

We are seeking to appoint a **Teacher of A level Mathematics and Statistics**. The Mathematics department supports over 800 A level students, including many of our highest-achieving learners. A significant proportion progress to highly competitive university courses and degree apprenticeships, including Engineering, Medicine and Economics. The department also delivers GCSE Mathematics to over 800 vocational students resitting the qualification as part of their study programme.

This teaching role is well suited to an experienced and effective teacher with a strong track record in delivering A level Mathematics and Statistics, ideally within a school or college setting.

To recognise the importance of this role and help us attract an exceptional candidate for our students, we are offering a **Golden Hello payment of up to £5,000**.

As an individual you will be committed to safeguarding and promoting the welfare of children, young people and vulnerable adults.

Runshaw College is proud to be a great place to work. Our Leyland campus is home to over 5000 learners and 650 staff. Our staff community is thriving; we respect the diverse experiences of all individuals, who support each other towards shared goals through effective teamwork and collaboration. We value our staff and learners highly, and invest heavily in their development, support and wellbeing. Situated in Leyland, Lancashire, the College is near the M6, M61 and M65 and within commuting distance of Manchester, Liverpool and the Lake District.

RUNSHAW COLLEGE

Runshaw College is at an exciting stage in its development. We are making significant and rapid improvements to the Quality of Education across all provision types and are proud of the exceptional student experience we provide. We have every reason to be confident about our future. As a Beacon College with exceptional financial management, we have invested heavily to ensure that we have the facilities that both our current and future learners deserve whilst maintaining secure financial health.

Teachers at Runshaw normally teach 773 hours per annum. At Runshaw, we do believe that teaching and learning is by far the most important activity in the college and we actively support our teaching staff and the work they do with our learners. As a teacher, you will be supported by:

- Working alongside Progress Mentors to follow up pastoral issues and maximise academic performance
- Sympathetic timetabling to avoid a spread of too many different courses and levels and the inclusion, where possible, of repeat lessons
- A very supportive organisational structure with each teacher supported by his/her team and School
- Subject/course-based staff workrooms located nearby to subject/course suites of classrooms
- The use of ILT and other strategies to put more responsibility on learners for their learning
- The use by each teaching team of common planning documentation and shared teaching and learning resources which have been developed by the team
- Significant in class support from education support workers
- A special programme of support for teachers new to the profession, which includes induction and additional support from the College's Advanced Practitioners
- An invigilation team which means that teaching staff are not regularly involved in the invigilation of external examinations
- A comprehensive professional development programme which includes in-house provision as well as externally organised events, to support and develop teaching and learning skills for all teachers
- A whole-college focus on the development of highly effective teaching methodologies and curriculum development
- A college ethos and mission which focuses on valuing learners as individuals and supporting them to fulfil their potential – "We believe education changes lives, so we put teaching, learning and the needs of our learners first".

RUNSHAW COLLEGE

We seek to recruit someone who shares our college values which inspire us all in our everyday work. When we created them, we all had a voice in shaping our values and we're proud of what we came up with together: Dedication, Fulfilment, Excellence and Respect. Our values are important to us all and drive everything that we do and believe.

Whether you're looking for professional development, career progression opportunities, staff benefits or simply want to work for a highly successful organisation, Runshaw College is the place for you. We look forward to receiving your application.

RUNSHAW COLLEGE

JOB DESCRIPTION

JOB TITLE:	Teacher of A-Level Mathematics and Statistics
REF:	261127
UPDATED:	November 2026
ACCOUNTABLE TO:	Head of School of Mathematics
ACCOUNTABLE FOR:	Leading the delivery of an outstanding learner experience; ensuring all students succeed on their learning programme and achieve their full potential.

The description of key responsibilities is a guide to the work that you will initially be required to undertake, as directed by your line manager. They may be changed from time to time to meet changing circumstances and are reviewed in the appraisal process.

	KEY RESPONSIBILITIES
Teaching & Learning Responsibilities	▪ Plan, prepare, teach and assess courses as required, to a consistently high standard, to meet the needs of all learners ▪ Have high expectations of learners and effectively develop their behaviour to create and foster a productive learning environment ▪ Develop and maintain productive and respectful relationships with learners, knowing them as individuals and supporting them to explore their interests, find their passion and achieve their personal ambitions ▪ Develop high quality and engaging resources to support learner learning ▪ Develop and apply motivational, coaching and non-cognitive skill development strategies to help learners progress and achieve ▪ Contribute to up-to-date Information, Advice & Guidance (IAG) for learners, across the full range of intended destinations, so that they can make informed progression choices ▪ Consistently deliver high quality learner-centred teaching and learning strategies, which contribute to very strong attendance, retention, achievement and progression ▪ Check learners' understanding effectively and provide them with clear and regular feedback to help them improve; providing swift interventions for any learner who falls behind ▪ Undertake regular monitoring and assessment of learners' work and maintain up-to-date and accurate records of their progress and achievement

	KEY RESPONSIBILITIES
	▪ Work with colleagues, parents, carers and external agencies as necessary to support learners effectively throughout their time at college ▪ Actively seek and respond to learner feedback to further enhance their learning experience ▪ Plan and deliver enrichment and industry-based activities including accompanying learners on external visits and trips to enhance learners' learning experience, wider skills (including mathematics, English, digital and employability skills) and progression opportunities
Curriculum Development	▪ Fully engage with marketing and recruitment activities; engaging and enthusing prospective learners and ensuring they enrol on the right learning programme ▪ Forge partnerships and proactively engage with external stakeholders such as employers, universities and schools to gather up-to-date information to shape and develop the curriculum ▪ Engage in curriculum planning and development activities, individually and as a team, to further develop the curriculum to meet local, regional and national needs
Quality	▪ Take responsibility and be accountable for the learner experience and outcomes of learners in your groups ▪ Ensure all administrative tasks such as the completion of progress reporting, auditable documents (e.g. registers) are completed accurately, in a timely manner and to a high standard ▪ Participate in standardisation and moderation as required ▪ Maintain an up-to-date understanding of regulatory requirements (e.g. Ofsted's Education Inspection Framework), and be confident to articulate how your curriculum area meets these requirements ▪ Be actively involved in the college's continuous improvement culture, participating effectively in the relevant quality systems ▪ Follow all processes relating to qualifications, examinations and external assessments including registration and submissions to awarding organisations, liaison with the college exams team, moderators and external verifiers in accordance with college policy
Professional Practice	▪ Proactively participate in appraisal and continuing professional development (CPD) activities (including training) as required ▪ Maintain up-to-date expert knowledge of the subject(s) you teach, by proactively engaging in CPD and completing regular Industry Updating.

	KEY RESPONSIBILITIES
	▪ Maintain currency in effective pedagogy, including the creation of inclusive learning experiences for learners with special educational needs and disabilities, by proactively engaging in CPD ▪ Reflect on, and evaluate the impact of, your professional practice, seeking out evidence-informed approaches to improve. ▪ Select and use digital technologies safely and effectively to promote learning. ▪ Share and update knowledge of effective practice with colleagues, networks and/or research communities to support improvement
College Responsibilities	▪ Support the college's mission, vision, values and strategic objectives, acting as a role model for learners ▪ Do the right things at the right time for the right reason, always acting in the best interests of learners and behaving ethically at all times ▪ Attend and contribute to all Curriculum / Continuous Improvement Team (CIT) meetings to plan, review and share best practice ▪ Value and champion diversity, equality of opportunity, inclusion and social equity ▪ Be involved in the promotion and marketing of courses and in the recruitment of learners, engaging and enthusing prospective learners ▪ Work within health and safety guidelines and be aware of your responsibilities for health and safety ▪ Adhere to all college policies and procedures, including data protection ▪ Along with all members of college staff, manage the behaviour of learners ▪ Be responsible for safeguarding and promoting the welfare of children, young people and vulnerable adults ▪ Embrace our values of respect, enjoyment, dedication and excellence and demonstrate these in day-to-day behaviours ▪ Support our sustainability strategy to reduce our environmental footprint ▪ Be aware of, and responsive to, the changing nature of the college and adopt a flexible and proactive approach to work ▪ Undertake such other duties as may reasonably be required commensurate with grade, at the initial agreed place of work or at other locations in the college catchment area
