

Required for Spring or Summer Term 2025

Teacher of Mathematics
MPS/UPS

We wish to appoint an outstanding Teacher of Mathematics, as we look to expand our innovative and highly successful mathematics team at The Gilberd School.

Proven teaching success and the ability to inspire students is essential. This post is suitable for someone with experience, or new to the profession. We are committed to the development of our staff as much as our students and we know this would be a great opportunity.

Appointment of the right candidate is also offered with priority admission for your child (subject to other criteria being met)

At The Gilberd School you will find:

- A school rated by Ofsted as being "Outstanding".
- An exceptionally welcoming school.
- Enthusiastic, polite and well-behaved students, who are eager to learn.
- Hardworking, positive and motivated colleagues who support each other.
- Superb classrooms and resources to support teaching and learning.
- Excellent CPD and career development opportunities.

As a consequence, outcomes across the curriculum are outstanding.

"We are very much a community school at the heart of a local neighbourhood and we aim to provide a place where our students can feel safe, valued and happy. We pride ourselves on being a very friendly school and have been consistently commended on our excellent care and guidance. We are committed to providing a safe yet challenging learning environment where all our students can achieve. Our aim is to ensure that all students leave having made good progress with first rate academic qualifications and the wider skills needed for life."

Linda Exley, Headteacher
