Working for The St Lawrence Academy

We would like to offer the opportunity to work in our diverse and vibrant academy community and join our fantastic team of staff at The St Lawrence Academy. We are an oversubscribed academy for 11-16 year old boys and girls of all abilities with a roll of 765, potentially increasing to 825 by 2024. Our PAN has increased since the academy opened from an intake of 120, to 150 and is currently 165 for 2020/21 and 2021/22. We always fill our PAN allocation with first choice parental preferences. We serve a diverse community in Scunthorpe, North Lincolnshire. Ofsted stated that we continue to be a good academy (February 2020). Our SIAMs inspection (April 2016) rated us as outstanding in all areas.

We are sponsored by the Diocese of Lincoln and have a strong Christian ethos. The Diocese of Lincoln has a strategy for the creation of six multi academy trusts across the Diocese of Lincoln and, as part of this strategy, The St Lawrence Academy is in the early stages of looking to form The St Lawrence Multi Academy Trust. This is an exciting time to be joining a thriving and growing academy community.

At the academy, we want all students to feel included and be inspired to develop their talents - whatever they may be. We offer a broad balanced curriculum and an environment for learning which inspires our students to do their very best. We are an inclusive academy striving to meet the needs of all our learners in our caring environment. We welcome students from all backgrounds and faiths, regardless of ability. We are an equal opportunities employer as well as a real living wage employer.

Our students are excellent ambassadors for the academy and are proud to wear our uniform and be part of our aspirations for their future. We want them to be determined to succeed, confident in their abilities and fully involved in the life of the academy, the local community and beyond.

Welcome Letter from the Trustees

Dear Applicant

Many thanks for your interest in this post here at The St Lawrence Academy.

We are a Church of England sponsored Academy who successfully welcomes students of all faiths. We rejoice that in this multicultural part of Scunthorpe we have 44% of our students who we would identify as from other faith traditions.

Our Academy vision is underpinned by the Christian ethos with its core values of truth, justice, forgiveness, generosity and respect. Our values are explicit and implicit in every aspect of Academy life. We believe that our Academy is a place where students and staff are able to realise their full potential, and believe that this aspiration is achieved when the God-given dignity of each person in the community of the Academy is celebrated and respected. We believe that spirituality, in its broadest sense, should be a feature of the life of the Academy. We are an inclusive community offering a rich curriculum that enables our students to flourish, be inspired, and continue to inspire us to love to work with them.. The impact of our approach is proven in the outcomes our students achieve in and beyond the Academy.

We strive for every single student to feel happy, feel safe, and learn. So as Trustees we are keen to ensure that The St Lawrence Academy would be the place for you to help us continue our journey from Good to Great.

The scope of this letter precludes us from celebrating with you all the details of our successes, and also of the journey yet to be undertaken. The St Lawrence Academy

Welcome to The St Lawrence Academy

Firstly many thanks for your interest in us as an educational institution and for considering us at this stage in your career. The fact that you are looking at what we are about and what we can offer is both humbling and also important to us all here.

Our academy has placed the quality of education at the heart of all that we do since we opened our doors back in 2008. We have continued to grow during this time and year upon year we have not only been full but also oversubscribed.

Our mission statement of “transformation for all” transcends to our students but also our wider body of staff as we seek to develop and guide people through our programmes of education, curriculum delivery but also through our own training and inset sessions.

Our core values underpin our intent of creating an enriching and aspirational curriculum so that our young people can become successful learners, confident, well rounded individuals and also responsible citizens.

Our building and facilities are something we continue to be very proud of with a significant amount of care and attention placed in ensuring our future plans and budgetary commitments match our ambition and intent.

The importance we place on our systems, digital platforms, technologies and staff access plus training continues to be a high priority to ensure that staff are fully resourced and comfortable but also that our students have the best access to learning resources that support, extend and challenge their learning journeys and outcomes.

Trips, visits, extra curricular activities and a whole host of community and celebratory events continue to be an excellent measure and reflection of our ethos, vision and mission. Utilising our strengths and talents as a body of staff is important so that we can offer our students breadth and depth and the opportunities to grow and develop.

If you are curious and interested in us then take the time to contact or visit us. Get in touch and see how we can satisfy your curiosity.

I look forward to hearing from you.

Messages from The St Lawrence Academy Head Boy and Head Girl

What qualities does a school need to be identified as an amazing one? Is it their teachers, the students themselves, the facilities or perhaps a mixture of the 3? Whilst these are essential to making a first-rate school, I personally believe that it is the diversity and culture of the school that makes it truly amazing, which is something that The St Lawrence Academy possesses to a very high standard. With a wide variety of nationalities and backgrounds from all around the world, it is the perfect place to both teach and learn. After experiencing its welcoming, hard-working and most importantly friendly learning environment for 5 years I can confidently say it is an amazing place to learn, and I have no doubt you would say the same!

Kodi Chapman-Bright

Our academy is especially welcoming and you would be surrounded by a friendly team of staff, as well as lots of high achieving, motivated young people. Personally, I love the learning environment; the teachers are easy to get along with and offer fantastic support to the students.
