Here at The Swanage School we are committed to recruiting exceptional teachers, and as such we are re-advertising for a teacher of maths.

A once in a lifetime chance to join a small vibrant successful school.

The Swanage School opened in September 2013 as a brand new 11-16 comprehensive school. We have 320 students on role across years 7 to 11. Whilst popular, we aim to stay small.

We are seeking to appoint an enthusiastic Maths teacher to join our very successful and supportive team. This is an exciting opportunity to work in a truly exceptional school, applications are welcome from NQT's as well as more experienced teachers.

The Swanage School has been created on 'human scale' principles, which means that strong and genuine relationships – within school, with the local community and with the wider world – are at its heart.

Our vision is to provide meaningful, tailored and supportive education to young people to enable the highest levels of attainment.

The school is genuinely embedded in the community and has forged links with community groups, businesses and charities in the town and beyond. These links have broadened and strengthened the education and life experience of our students.

The successful candidate will be:

- highly ambitious for their students
- an outstanding teacher
- able to build the aspirations and confidence of students
- committed to building an exceptional and caring learning community.

We are offering the opportunity to:

- work with a vibrant, motivated team to continue to provide educational excellence
- be part of a school at the heart of its community
- make a real difference to the learning and achievement of young people
- benefit from a wonderful environment in which to express your passion and make your mark
- work with a committed Governing Body.

Our application form is available on our website:
