If you are seeking a life in the country with easy access to Oxford, London and Birmingham The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks out for each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.
