

Walkwood

Church of England  Middle School

Recruitment information: Teacher of Mathematics

“For learning about wisdom and instruction, for understanding words of insight, for gaining instruction in wise dealing, righteousness, justice, and equity; to teach shrewdness to the simple, knowledge and prudence to the young - let the wise also hear and gain in learning, and the discerning acquire skill, to understand a proverb and a figure.”

Proverbs 1: 2-6

“The vision, in line with the Church of England’s role as the established Church, is for the common good of the whole human community and its environment, whether national, regional or local. It is hospitable to diversity, respects freedom of religion and belief, and encourages others to contribute from the depths of their own traditions and understandings.”

Deeply Christian, Serving the Common Good, 2016

“The core purpose of any Church school is to maximise the learning potential of every pupil within the love of God.”

SIAMS (Statutory Inspection of Anglican and Methodist Schools) 2012

Principal's introduction

Thank you for taking time to request information about the appointment of a Teacher of Mathematics at Walkwood Church of England Middle School.

Walkwood is a school that has clear values that are taught within all lessons alongside the subject knowledge and associated skills. Therefore, we are seeking a colleague who will share the vision for a curriculum that links content, skills and values, and who also believes that each individual pupil deserves high-level pastoral care.

Our school is “middle deemed secondary”, and the timetable is run as for a secondary school, with great emphasis placed on subject specialisms. Tutor groups are based within four colleges, and each group is made up of pupils in Year 5 to 8.

The inclusive vision of the school ensures that all children are supported in their personal well-being and academic achievement.

SIAMS, 2017

The school has an impressive climate for learning. Pupils' contributions in lessons are often thoughtful, sensitive and articulate.

Ofsted 2018

Our whole staff team is dedicated to promoting literacy across the curriculum. Literacy skills are essential to all subjects for without fluency in reading and writing, our pupils cannot access their curriculum. Pupils are encouraged to transfer their Literacy skills to mathematics. For example, through:

- writing instruction texts;
- key subject vocabulary work including giving definitions;
- literacy based mathematical starters;
- explaining and justifying answers;
- word problems, including spelling key words;
- reading for understanding.

Mathematics is a creative and highly inter-connected discipline that has been developed over centuries, providing the solution to some of history's most intriguing problems. It is essential in everyday life, critical to science, technology and engineering, and necessary for financial literacy and most forms of employment. A high-quality mathematics education therefore provides a foundation for understanding the world, the ability to reason mathematically, an appreciation of the beauty and power of mathematics, and a sense of enjoyment and curiosity about the subject. Here at Walkwood Church of England Middle School we are committed to raising standards in Mathematics whilst also ensuring pupils enjoy maths and achieve their potential.

Teachers support children in developing their understanding of problem solving and reasoning in a broad range of contexts in which they can explore, enjoy, learn, practice and talk about their developing understanding. Children are offered opportunities for these skills to be practiced in order to give them confidence and competence in their use.

In key stage two pupils have 11 lessons a fortnight and in key stage 3 they have 7 lessons a fortnight. All lessons are 55 minutes long. In both key stages all pupils are taught in sets for Mathematics.

The maths department are an enthusiastic group of people who continuously work as a team to raise standards and develop the teaching of mathematics at Walkwood Church of England Middle School.

Throughout their time at Walkwood, all pupils are encouraged to express themselves creatively and imaginatively, through their reading, writing, speaking and listening. The Walkwood Learning Roots (all our “Learning Superheroes”: Reflective Learner, Team Worker, Creative Thinker, Independent Thinker, Self-Manager and Effective Participator) help our students to reflect on their own skills as learners and to develop these skills across the curriculum, in an interactive and creative manner. We also look for each lesson to make a specific Fruit of Faith (our ten school values) pertinent to the pupils’ learning experience.

Should you read the information and consider that you match our criteria, do progress to making an application. A standard application form must be completed (available from the school website). Letters of application should be written to the person specification and job description, being no more than 2 sides of A4, and can be offered within section H of the application form or as a separate document. Please send your application to recruitment@walkwoodms.worcs.sch.uk by 9.00 am on Monday 19th April. Short-listed candidates will be contacted soon after this date. I regret that feedback to unsuccessful applicants will be limited to those who are called for interview. Tours of the school will be part of the interview day.

If you feel you are ready for a new role, working collaboratively with pupils and staff, then I look forward to receiving your application. In any event, I thank you again for your interest in Walkwood Church of England Middle School.

Yours sincerely,

Rev. Clive Leach
Principal

School Context

"I appointed you to go and bear fruit, fruit that will last, so that the Father will give you whatever you ask him in my name."

John 15: 16

"God blesses those people who are like trees growing beside a stream, trees that produce fruit in season and always have leaves."

Principles and purpose

At Walkwood Church of England Middle School we:

- Hold each child as precious
- Support the development of good character
- Seek for the best rates of academic progress
- Engender care, happiness & love

At Walkwood Church of England Middle School our purpose continues to be for pupils to:

- develop a deep desire to learn, engaging with the roots of the learning process;
- cultivate values that will shape their living both within and without the school;
- experience awe and wonder, and consider both spiritual and human dimensions.

Borrowing an adage from St. Irenaeus: "The glory of God is a human being fully alive!"

Vision and Values

The school has been an established Christian community for an extended period, being welcoming and friendly, with pupils who are expected to behave and be eager to learn. Those pupils who find this a challenge are fully supported through highly functioning classroom practitioners and well-developed pastoral support.

Walkwood Way

'Love to Learn; Learn to Live; Live to Love'

Our aim is that all children attending the school will become life-long learners who are curious about the world around them and are creative in their exploits while caring for others and themselves. We seek to enable our pupils to make informed choices, becoming increasingly independent and playing their part in the community. We offer pupils a spiritual dimension that is distinctively Christian, and honours other faiths and those people who profess no faith.

We aim to inspire every child – whatever their abilities – to achieve their very best, and make a valuable contribution to the Walkwood community. We want our pupils to [love to learn](#).

Our school is not just about knowledge, it is also about skills. It's about inspiring children to look at the world differently, and about challenging them to be fascinated by lessons and subjects. In this way, we encourage our pupils to **learn to live**, preparing them for an adult life in a changing world, and as such we seek to equip our children for the future. Our 'Learning Superheroes' allow teachers to hone pupils' learning skills. We want pupils to excel in school... and in later life.

As a Church of England school, we are fully inclusive of all faiths and beliefs. While Christian principles underpin all of the school's values, we know that these morals are shared by many faiths. We look for our pupils to take into their lives beyond our school an outlook that allows them **to live to love** the experiences, people and spirituality that they encounter.

Walkwood values

Our core values are expressed in the Fruits of Faith, which are ten values that have their roots in Christian tradition. However, we believe that devotees of other faiths, or those who express no faith commitment, are able to agree upon the definitions and implementation of these values within a shared community. These fruits are used as part of worship, and are also within lessons.

Walkwood pupils

Our Christian ethos, embedded in all aspects of school life, ensures that every child will know what it is to be cared for and valued. All pupils receive the very best education and an equal opportunity to learn and achieve academically, socially and spiritually. We know that enthusiastic, happy, confident children are most likely to persevere and work to the best of their ability. We aim to build upon this and foster a love of learning in all children. Our Fruits of Faith and Superhero Thinking Skills form a firm foundation to school life where children are encouraged to develop independent learning skills, be thoughtful and take responsibility for their actions.

Walkwood staff

We set high aspirations for all our pupils, both academically and socially, as well as allowing pupils to consider the spiritual dimension. Therefore, we have high expectations. Christian values lie at the heart of our work and we aim to provide a broad, rich, stimulating education to develop a thirst for learning in all children. We aim to challenge all our children to raise their standards and support them in that challenge, encouraging them to become reflective, resilient learners. Firm and fair discipline, based upon Christian values, is vital in creating an environment in which all children can flourish. We aim to make every child feel positive about their learning and achievements and our role as staff in school is to care, encourage and listen as well as to teach.

Walkwood community

Our Fruits of Faith were developed as a Christian expression of the nature of the school, but also to define the characteristics of an interconnected community. These values are part of teachers' planning, as well as part of decision making by the Senior Leadership Team and Governors. We wish for our pupils to be aware of their role in the wider world, open their eyes to the diversity within it, celebrating the richness of human experience and the potential of divine expression.

Curriculum: Introduction

Walkwood's curriculum is summarised by its three-fold mission statement:

Love to Learn; Learn to Live; Live to Love.

Our curriculum is based on the National Curriculum. Our pupils are offered a very wide range of experiences to extend their understanding of themselves and the world in which they live.

Skills, attitudes and values are developed to prepare the children for the next stage of learning and enable them to be successful in the community. We believe that effective learning takes place when there is considerable emphasis on active involvement, opportunities to talk both imaginatively, expressively and to explain and clarify thinking. We make meaningful connections across subjects.

The school expects everyone to develop and show a sense of responsibility and self-discipline whether alone, together, at work or at play, and to support policies on equal opportunities. The development of character is a significant part of the school's work.

The school actively promotes its core values – the Fruits of Faith – doing so through the curriculum as well as through collective worship and vertical tutor time.

Curriculum: Aims

- That all pupils are provided with outstanding learning experiences that lead to consistently outstanding levels of pupil achievement.
- From the start, children are taught in mixed ability groups to allow further consolidation for some, and for greater speed and breadth of delivery at the upper end of attainment.

- That all teachers and other professionals possess expert levels of knowledge in the subjects they teach.
- That all teachers and other professionals are “lifelong learners”, committed to an ongoing development of their own knowledge and skills to optimise the pupils’ learning experiences.
- That a positive, caring attitude, where achievements at all levels are acknowledged and valued, is prevalent throughout the school.
- That all pupils from the earliest opportunity are encouraged to develop independence, self-discipline, responsibility and the ability to build resilience.

Curriculum: Intent

Love to learn

This aspect concerns the subject content, that is, structured and delivered in an age-appropriate, engaging and differentiated way. The content holds both the subject matter and the subject-specific processes that are taught and explored.

Learn to Live

Here we have the learning roots – our ‘Superhero skills’. These six aspects are part of the Walkwood Way, and are delivered in each lesson. Teaching draws out the opportunity for applying these learning and thinking skills. Literacy and numeracy strands are part of this section too.

Live to Love

Our ten school values – our Fruits of Faith – are an aspect of our school that is unique to us. These values are in action throughout our school, and are thus another part of the Walkwood Way. It is appropriate that opportunities to model these values, and to exercise them, are within lessons.
